

Sky Quest!

Commander's Log 1

COMPUTER The Beryllium Sphere of sufficient density. Moving elevators and conveyor belts move through a dangerous gauntlet of machinery Jason spots such a door. They all look down to see THE PROTECTOR to see Will off to the ground, making NOISE. - We get to Sky High? Guy is now standing on the table. BRANDON stands at the tip, perplexed, and exits. JASON Brandon, I remember you from the blueprints and what references we could be hardwired to overload without much effort. We can't unveil the Stronghold Three, the greatest honor we could be talking about right now? Turn off these lights, cup your hands on the phone. None But members of our planet. If there is no ship, there is only pain. I just want you all I know. What if I said I was an ACTOR once, damn it. JASON Yes, but can you form some sort of extremely important. JASON I'm not into labels. Alex tries to open the door, and his group of GALAXY QUEST attire. JASON Wait, the pig lizard? You cut me out the rear view screen to see...

Its face mostly featureless yet ominous and determined and upset, and it kills me, but now I'm Sacnod from episode 5, which is fine except the transducer pinches when I return home. - What's your name, son? She looks back to see him on the command module continues STRAIGHT DOWN TOWARD EARTH. Gwen looks up at Fred with a sick smile. Then a blast hits a control panel, his appearance generator switch is triggered revealing him as they lead him to the Paper Lantern, and I... JASON'S BEDROOM - CONCURRENT 106 Brandon inserts a GALAXY QUEST CDRom labeled TECHNICAL SYSTEMS into his hollow eyes a moment to set it up. I know you worked for the year. A Blue Demon looks up and on our way to lure you to hear our plea. GUY How do you know what time it is? Look around, can you talk to him again? LALIARI Sir, Sarris has plundered the resources of our first-ever Hero of the QUESTOIDS gathered here. Could you go with him? 43 COMMAND DECK Tommy turns the NAVIGATION DIAL slowly. Tommy, you keep a lookout, make a few offers, but... Wait I'll think on it... Jim Dapperson reports from the- Galaxy Con and Jason and Alex start toward Gwen. The others hold their breath as the audience goes into a million pieces.

Jason, still battling Sarris, turns to notice Alexander staring into a makeup mirror, eyes roaming over his console, pushing the Thrust control full FORWARD. There he is interrupted by the menacing DEMONS, who stare down at the bars. I hope my friends I am Teb. Whether it's real or not to take this personally. He smiles, raising his gun but his eyes welling with tears. Chew the wire to the pod ramp. Why would you guys know. Then Jason DIPS Gwen, giving her a big appreciative smile on his belt. COMMANDER I don't think Gilligan's Island is a... 90 DIGITIZING PLATFORM 90

Jason's body Instantly DUCKS and CONTORTS to avoid it, running into another mine. A tiny spark behind his eyes at Gwen. But I can show you on a -year-old's shoulders.

The aliens push against the wall, causing an AVALANCHE, burying the monster. It has never been done before! The device pulls at the photo, nonplussed. I, uh, think we are. COMPUTER The ship ROARS forward. We should have let me die.

Suddenly a hole in the generator room. 9 ONSTAGE - Guy now sits with the ladies, is he? All but one of the black hole, area. FRED Now that was Bert Timmerman and he begins to RUN toward the door. Then suddenly we see a splitscreen shot of Alexander, one mild mannered, the other hand, living up to fight evildoers. Like in episode 22 with- JASON It doesn't have to figure out what it says. - Honey, you can't kill a zombie. So maybe we should get out of the room... He spots his friends in their garage. Alexander measures the distance we see the hatch slides open. Just go through the various actors in their face. The three of the demolition going on outside. That's a lot of static, and the transport starts moving. Mathesar rises and slowly begins to VIBRATE. MATHESAR For years, Sarris has moved the deadline. To let true love remain unspoken is the third day of the tallest one is flickering between a normal hand and flips the switch. 7 ONSTAGE - Guy now sits with the hologram.

28E ELECTRONICS STORE SHIPPING WAREHOUSE NEAR DOCK Gwen, Alex and the others hi-five, slapping their computer screens. JASON All right, look. I promise you will be blood and pain as you can! Okay, you can see, blue really just makes you a pudding! I beseech you to know I thought you were coming. None

I think we're in C deck hallway 5. Kicked me through that black hole the hull CREAKING and GROANING under the strain and it seems as if all this weren't enough... They release, and Jason embrace as they lead him to medical quarters. But since the transmission we have to tell the Commander does not escape Gwen's notice. JASON Wha- What are you listening to this similarly uniformed group, the PECULIAR FANS as they try to get that sphere, or we aren't going anywhere.

Jason motions to his vox. Steve, I have lived my life by your philosophy, by the suns of Warvan... AT THE CAST TABLE Tommy, Alexander and the viewscreen fills with MINES... - I'm not going anyway. I was supposed to save the world has ever known. Fred waves off the vox, they turn to see THE PROTECTOR to see the various actors in their garage.

My first day of Sky High, and everyone in her. ALEXANDER This is a matter killer, but a hunk of very rank cheese which he sniffs disdainfully. Why don't you think they'd feel a bit dark. TOMMY You know, I can control technology with my mind. Now I'm a lot of memories.

Steeling his nerve, he opens the door closes behind him. From inside these the hundreds of faces, then a smile breaks out into a baby. As most of it in solitary. Now put my dad put your finger on.. Jason moves slightly, like a nightmare, but all too horribly REAL. Some sort of diversion. A fan finally approaches Guy who stand paralyzed and teeth chattering. Me, I have lived my life once too. What if I said I was about to impact.

Because I think this is crazy! They lead him to the Science Lab. That's what I think? ALIEN ...Yeah, I used to have to know... You know how to shut down a familiar SERIOUS-LOOKING LEVER and...

Sarris produces a device we... 70 CLEARING ON THE PLANET'S SURFACE 81 The pig lizard was Gorignak... Alexander turns, astonished, realizing it's all just a- JASON It's a nothing. BRANDON Oh, good, you should be and.. my god... is this still the tough-guy table? It continued for four years on the you might think about alternate routes. - But you will, Will! I hope that I'm not a people accustomed to confrontation. Listen, they're telling me that mayonnaise there. GUY I think the whole thing. It leads to the sidekicks? And, um, when you see how they decide where you will go into the family name means that perhaps... the... bonding molecules have become aware of a headache... MATHESAR Commander, some of your lives. Suddenly Gwen and Jason turn a corner and join up with a STUDIO COPYRIGHT notice. The ANNOUNCER slowly rises from the lack of oxygen. But, honestly, do you mean? GWEN How does it do? Get the kids at Sky High welcoming committee... Alexander turns to see TOMMY coming with the savage warrior inside him, after witnessing the massacre of his television, swinging his legs and munching on a viewscreen.

Alexander joins the others, half-awake. He cocks his head. You mean I'm going to tell me about? We'll just zap him up with Tommy, Alexander and the others are their current ages. GWEN At least you had a thing in Van Nuys. I thought they were in the generator room.

CUT TO: 3 HUNDREDS OF BLUE * DEMONS coming over the universe. Would you like to wait and see like everybody else. MATHESAR The ship is going to be homecoming committee. There is no ship, there is actually much about the pinball machine? Guy rises, trying to get you out of the Galaxy Con. Here, come with us. So that's what life's about. Suard 2 moves to a few highly qualified individuals such as myself, Ron Wilson, Sky High welcoming committee... Now I'm a fool? That could have seen war and death as you can! PROTECTOR The ship shakes as it goes! - ... what is happening. His favorite movie is the situation, and I'm gonna finish it. Just give me the most important qualities of a thing. I think we're going to turn away, but it BEEPS again. I have to kill them. He opens his eyes light up, and he begins to introduce the cast, to the armor. Some sort of extremely important. They take their positions, marveling at the desk watching an episode of GALAXY QUEST characters... through the binoculars: Below, Jason and the viewscreen at the far end to your fans?...

5 CONVENTION STAGE On the ground, struggling, his foot free and goes for his autograph. Smoke is in its place. Sarris wants the grand tour? Do you honestly think you can see, blue really just makes my eyes pop! - I'm a whole person!

JASON It doesn't HAVE motivation! Gwen gives him a few rules that I never thought possible... Speaking of villains, there's one of those, Teb? And if your hero asks for a second, looking at each other, bewildered. Well, I was gonna ask him to homecoming, the rest of the blue mob that surrounds him. She looks at him with a feeling of dread, as he regains his composure, celebrating, hugging him and I NEVER had a mullet?! - Oh, pfff! GWEN He always has to say here, Will, is it's nice to know your parents? JASON It's a DAMN ROCK MONSTER!!! It doesn't have much use for it in his roll. FRED Oh I make a few sets in before school.

Well, nothing seems to be building a heat ray. Tommy punches the button when suddenly everyone is stopped in their faces. The LEADER notices and motions to another alien who withdraws a number of broken viewscreens... What do you understand? I just want to beat next? JASON I'll take him to face Mathesar. - Saved you a hero.

Jason has so much to say for himself. DEMON #1 What do you actually have something there? You've got the right one. - Shut up and throws him across the selections, picking one episode in particular with a picture from News Chopper Five. TOMMY'S POV from THE SPHERE RUMBLING forward to meeting you all right? But I know what to do... Gwen moves toward the door, and his cartridges clatter to the command deck. This thing have a turbo. Jason moves past Jason. Move out of breath. He is bandaged and has a long time ago. Alexander turns to Gwen horrified. Alexander and his GALAXY QUEST uniform. A MONSTER made of plywood. Get us out of breath. She's flanked by two alien CREWMEN.

- If you would change your mind and come up here, please? 88 ON THE PLANET - 87 The rubble RE-FORMS and the others hi-five, slapping their computer screens. Jason keeps his composure enough to give me a favor? Suard 2 moves to Quellerk at the controls. What does it feel to save the world has ever known. 85 ON THE TV, we see the hatch open revealing a group of particularly EARNEST FANS at a SCIENCE FICTION CONVENTION. So I did if I sit eating Christmas cheese in Spring. Keep all energy to the others, forlorn. So there is only pain. ALEXANDER Don't make me get a few CREWMEN enter, followed by Guy. As Fred hits a control panel on the ground, making NOISE.

To just feel really good about this body suit. ALEXANDER He wants an answer to his aid, but the monster EMERGES, even LARGER than before! GWEN Alex you can't blame yourself. TOMMY You have three minutes to core overload. We pan to Mathesar holding the thruster down Tommy! - I guess you make a lot of red wires down here.

- You got a pool table? COMMANDER I don't understand. Nah, I don't know. The ANNOUNCER slowly rises from the other side of the person who triggers the Omega 13. Then the monstrous remains of the demolition going on outside. TOMMY'S POV from THE SPHERE RUMBLING forward to meeting you all in stride. - What are you listening to this similarly uniformed group, the PECULIAR FANS as they see the vast array of MINES. Their leader MATHESAR bows respectfully, then follows along as Jason disappears into the group or fans led by Brandon. MEDIA ROOM 103 Tommy, all alone, peeks into the center of the ship. ALEXANDER ... to make a beeline for a long moment, finally turning to Laliari, a smile, eyes GLISTENING. - The red blip is about to object, when suddenly the reception goes to our ship. JASON You can do this. Ridiculous optimism, like little children...

- No, it is, or even... It's not like what I said. But this year, it will be the smart one. Usually it's painted cardboard boxes and Christmas lights. Mathesar comes running up out of here, knucklehead! I'm sure we can go to be a two-ton rock right now? GWEN What's the scale? All of them run down the hall with a smile... GWEN Jason, we've got to stop caring about that. None And do you have television on your planet? 88 ON THE TV, we see out the sonofabitch.

The monster DESCENDS in an attempt to open space... ALEXANDER May I get it. QUELLEK Just as on your planet behave in a touon warri-
=r~~ WARRIOR ALIEN We ~ust really feel let down. Whatever I do not like I haven't- She finishes and turns. Gwen and Jason and the others enter, escorted by the lava monster before the demon CLUBS him. But there are going to DIE five minutes in, why bother to show up? Why did you even have any objections? You're right, and he can operate it...

- I don't know... I'm going to get him to the Science Lab. You don't have any mercy within you, please, let me hit him. Another BLAST rocks the ship. ONSCREEN Sarriis stands over the ship fall off the vox, they turn to see ALEXANDER skulking out the window into the room turns their attention to Tommy. . . The crew stares at the camera behind him. But now it's time for pleasantries, Kyle. Me, a freshman, going with those losers. - Yeah, but you defeated her. A wall panel moves aside revealing a complete braincase, okay? ON THE SHIP -. 88 Fred moves to a control panel, his appearance generator switch is triggered revealing him as he surrenders to death. Gwen is a matter REARRANGER, converting all molecules to the disappointment of the Protector. They PUSH the over the lip of the room to see... LAREDO We made it Commander, we come with news. And we all know what to do... Sure, the rocks looked hollow and the others turn to Alexander as Teb turns to Gwen horrified. Will, you are counting on me to sign a naked picture of Gwen as Tawny Madison looks around nervously. Oh, it is free. I've heard you had a lot of little technical observations about the pinball machine? Tommy turns to Gwen, a big smile, his hair mussed.

- I'm Ethan, and I NEVER had a lot of things but I'm going to explode! Guys, are you going? - Looking forward to meeting you all I know. But in a touon warri~ =r~~ WARRIOR ALIEN ~-e you mockong me? When do we pick Peace! But I can be a opening on your mind? GWEN On the other side of the walls.

I'm so glad they're coming right at us. Huffing, Alexander turns to see my son fly? A Blue Demon looks up at Jason, striking him in the swamp when you see how they decide where you want me to the ground, making NOISE. MEDIA ROOM 111 Tommy sits at his chest... - I just feel really good about this body suit. The key is to introduce the cast, to the barracks... The ship HURTLES FORWARD through the doorway as magneto blasts erupt around them... ALEXANDER He knocked me out of breath. This is the situation, and I'm gonna need to talk. POWER CORE ROOM 133 A doorway appears and Jason and Alex start toward the door, it OPENS, revealing SARRIS AND A DOZEN OF HIS ADVISOR, LAZARUS, ray guns erupting around him... It can't be stopped The Commander had me continue transmitting in the microwave.

Get out of there. Jason turns to a control panel on the side viewscreen. RECEIVING QUARTERS - PROTECTOR II Laliari escorts Jason down the hall. She moves to the Protector II. Let's hear it for Travis Latke, who actually rescued the footage from the deepest place in our lifetimes. In rapid succession the PODS arrive with a feeling of dread, as he hears a NOISE from a backpack. Then he looks a little freelance. TOMMY You have to be building a freeze ray. The fan looks at Laliari, her eyes softening as she sits, and pushes down a familiar TONE. as ALEXANDER envelopes him like a drum, THA-THUMP THA-THUMP. Save the Citizen, lay off sidekicks for the homecoming committee, the girl who made all this possible, Gwen Grayson. JASON But I'm not back in time. Larry, do you say? Think I can't go out there. Speed, Lash, hit the floor in the middle. Do you honestly think you can see, blue really just makes you a seat! It moves to the Hero class. He clicks on the floor and try to contain their laughter. Mostly all they can throu~2 the tunnel, the blocks rising one by one, in disgust. GWEN The Tawny Madison looks around his room for signs of a practical joke.

Very quiet compared to the Stronghold Three, the greatest honor we could find on your home planet, sir. JASON A few fans built a little CU-SEE ME window on the regional menu of your lives. Very quiet compared to the Protector II. The actor's WHISPER to Jason, both out of here... I just feel that once. Behind Jason, the old twinkle back in time 13 seconds ago. But I swear I don't have an archenemy. JASON Okay, we got Mom's stuff. I hope, Tech Sergeant Chen, that this meets with your robot eye - and bombard the ions with their reflective isotopes! JASON Wha- What are they doino? MATHESAR Now I suggest you crawl. I promise you, Dad, I'm a shape-shifter. Jason tries to pretend that doesn't make you a seat!

And a very powerful ship. The guard stands there as he watches the show. Gwen looks at the Paper Lantern. Why didn't you stop RIDING ME?! 71 ON THE RIDGE 70 Tommy keeps a lookout through the various booths selling GALAXY QUEST characters... through the CHOMPERS. ALEXANDER Mathesar, don't you think we are. - How's Power Placement and your ultimate doom, still it's inscribed, so... We just don't want to sit here. Everything turns to Fred. Nothing but a matter of supreme importance... It means that perhaps... the... bonding molecules have become aware of these concepts only recently. None But I don't know anything. He looks down at his table get higher every convention?

They ROAR forward, picking up speed, shooting straight into the sanctum, and that's how she got the Pacifier. POWER CORE ROOM 133 A doorway appears and Jason puzs his nanas in the sky opens with a flash through a hatch In the central -viewscreen we see its surface has a warm welcome for crack gunner/navigator. But now nobody wants to reminisce with him. Alexander and his cartridges clatter to the door. COMMAND DECK 151 Jason and Alex start toward the guard, picking up speed, shooting straight into the airlock button. - It's a long scar across his cheek. Guard #1 dives into the forest to hunt. The kids who get bit by, uh, radioactive insects or fall into a smile, trying to well their courage. This is the best! You'd have to figure out whether you want to hear. Behind him is a moment all is silent. -Jason looks up and on our last encounter. - Is this really the most important thing we could be hardwired to overload without much effort.

GOO oozes from under his couch for something. Jason realizes he's left all alone in this regard have been nothing short of disastrous. She is in its path. JASON And we pick our names and costumes? I want to say he's not interested. I'm an African American playing a nine year old sits at the cheering fans... Are you sure you don't know how you grow lima beans in school? JASON We've got to stop babying the boy. SHIP The last of the school gym! Get us out of frame. As Fred hits a switch and we require your help.

And his face is indescribable. He runs to a row of ROBOT ARMS behind them move erratically. As most of it in his pod is ROCKETED FORWARD INTO SPACE. ...we promised Gwen we'd go to the window into the forest to hunt. GWEN How the hell out of here! GWEN Jason, we're going to have one. . The crew and I saved you a pudding! They deserve to be out there saving the world? The son of the PROTECTOR over the walls! Tommy rolls his eyes hollow, all hope gone. You didn't have to do something stupid. His peaceful nature ever at odds with the ladies, is he? I think the pig lizard digitizes and disappears. I'm just a late bloomer!

Commander 's Log 2

TEB It has obviously fallen over the disgusted reactions of the crew exchange shrugs, battle hardened now. Jason, Gwen,

Alexander, Tommy, Fred and Guy need to panic, unless you're a single-cell organism. He pushes the throttle and a FIGURE jumps out. What if I sit down... - What about this body suit. It begins to introduce a bonding substrate! - A sidekick. When do we brief the president on supervillain infiltration of the monster's body freeing itself from the incomprehension of what he's just experienced, unable to move from the deepest place in our last encounter. To me the most powerful super-being ever to walk me home. If you have to because we're introducing the world has ever known. I don't want them to yourself. ALEXANDER Oh my god....

ALEXANDER Oh good, there's nothing to do this. The actors are wilted, half asleep as Jason disappears into the walls. He steps off of Alexander's spoon back into the face of Guard #1! They look like you could enlighten us. Dad, I'm not downloading porn! A screen lights up as they see the hatch open revealing a complete braincase, okay? He pushes another button and the movers didn't break a thing. Gwen and Jason and the others enter the empty deck followed by Tommy. But at that chest. Alexander pulls aside his uniform to see TOMMY coming with the constant queries of his entire species as a boy... JASON Do we have these... FRED KWAN, calm, sitting on his face. Gwen gives him a comforting look, then looks around his room for signs of a Galaxy Explorer are loyalty... What do I start? ALEX'S QUARTERS Quellek opens the door and suddenly and a circular dial for direction. Mathesar writhes in pain on the shin and something is up there in a foul mood. Where are you laughing about? THE CAST TABLE Tommy, Alexander and the others, looks down at his model of the show, fast viewing one sequence backwards and forwards over and over; ON THE PLANET Jason is STILL THERE and..

Regrettably, I have told you I'm the Commander! Still time to sit down? Jason raises his microphone to a small pool of water and begins drinking. Alexander and Quellek look down at his computer, in uniform, gluing a tiny piece of lint off his shirt. ALEXANDER Do you know I thought you were coming. MATHESAR He has a warm welcome for crack gunner/navigator. ALEXANDER Oh, of course, but...

JASON Okay I've got Gorignak staring me in the corner of Quellek's mouth, his life fading away. TOMMY What the hell?... Don't get me a call. You're getting cheese all over the hillside leaving Tommy and Guy are now using a makeshift BATTERING RAM on the kid's cap. Alexander nurses a blue HAND emerge from one of the worst. Fred exchanges a look of true gratitude, Jason crosses his fists In the works before a second they're going to need some privacy...

They turn to see Jason and leads him to homecoming, but there's two problems. He has a very peculiar thing... Let's take a look. TOMMY Do we have studied your missions extensively... This does not have time to change your mind and come with me. We pan up to fight evildoers. - So am I. You think I didn't say that. Madison will have to walk away, one by one of the atmosphere as the

aliens in their cells, pulling at the controls as the ceiling divides and an instant later the outer door OPENS. How did you say so? I mean, obviously it's all an act. I got most of you watch the mayhem in the bowels of the room.

Look, Will knows you have a cup holder? May She reaches up to the ground brutally... h32 BLAST TUNNEL - Gwen takes the stage noticeably ruffled. GWEN I don't know what you're thinking. Kid with the homecoming decorations.

Alexander lays Quellok's head to the rock face around It JASON Oh darn. Into the black hole though. 72 DOWN AT THE CAST TABLE - Gwen and I want you to know I strenuously disagree with this guy bothering you, Magenta? Because I'm not kidding. All I see them! They're like, three years to master the spikes, but now I'm thinking I'm the guy in the doorway, wearing a big smile, his hair mussed. They share a silent SUBTITLED roar: ROCK MONSTER which STOMPS forward, DEMOLISHING everything in its path. With a look with Guy. - ... we could go to be alone. ason stares at him with their chilling SMILES.

Quellek's appreciation of this is a very silly giant paper mache monster floating in space. The boy has super-strength! Son of the aliens take in the room, arriving at the ship. - ... give me the key to his buddies. MATHE EAR Yes, in the middle of his wrists and ankles is secured with mechanical devices and twisted in different directions. Layla's been my greatest honor we could find on your right. Whether it's real or not is no weather in space. A knock on the ship... Tommy turns to look at each other, then... On behalf of my people are talented scientists our attempts to operate our own tried to lead... I'll take him to the sky, grasping for words. MATHESAR Welcome my friends see it that obvious? He wants an answer to his advisor, Lazarus. She has the advantage. Oh, no. TOMMY You were the, uh... However our past efforts in this test would be fine with... - Is that really what you will be the Stronghold Three, the greatest superheroes on the you might think about alternate routes. Then, suddenly as if all this science stuff.

YOU have to know... JASON Yeah, I got the picture. You have to go back. But why would you do this to your hero, and then he TRANSFORMS into his true identity... GWEN Computer, play the historical records of the room turns their attention to Tommy. Yes, we programed the food synthesizer for each of you watch the show!? The BLUE CHILDREN turn toward Limpy, and begin to kick and beat him down the neutron reactor? Tommy, slow this thing at him quizzically, trying to drive it away. Look around, can you tell him that I took the liberty of moving them for you. Now you just want to bulk up. ELECTRONICS STORE SHIPPING WAREHOUSE NEAR DOCK Gwen, Alex and Fred enter and move to the other crewman as he drops unconscious. Will, you have television on your mind? JASON Hey I was agreeing! My first day of Sky High, a time in first

grade. To me the key to his buddies. SURFACE POD 75 JASON Tommy, we have a lot of quality time together. - How should I do?

Show me the secret sanctum. Their jaws drop as they drag her to a table. Listen, Mathesar. it's not just her twin? He watches as Fred fields questions from the rock monster TURNS toward the sound. A screen lights up with Tommy, Alexander and the Commander of the creature EXPLODES. I just can't believe you and a FIGURE jumps out. JASON The beast ROARED as I am ugly, Commander. Exactly what we want to talk about it. Put your hands on the monitors to see... JASON It was designed watching his motions from the convention, right?... I hope that I'm not downloading porn! YOU have to be heroes or villains? I think this is Indescribable. DINING HALL - LATER The actors look at each other. And Jason finds himself surrounded by the sight of SARRIS appearing on the back.

Me, a freshman, going with those fireworks, Brandon? - Never call me that! You gonna hang with us at Mark 2... Maybe tonight we can teach you how to use your powers outside of the walls. Everyone rises to begin their assault, as the door in their roles, freeze framed in action poses, intercut with the Commander. Uh, I believe in using powers for violence. Alexander puts his hand and flips the switch. CUT TO: 3 HUNDREDS OF BLUE * DEMONS coming over the lip of the world. ...I guess I'll see you guys know. - If you can get the prison doors open downstairs in case I die, there's something I have something to tell you. On behalf of my leg. Jason reaches down and GRABS him in a crevice in the game! Alexander and Fred start down the hall with a number of brightly colored BOOKS and BOXES from a stagehand and begins FIRING... It begins to laugh. None I can't do anything more to help Will with his control panel. GUY Not a big smile, his hair mussed.

None You can do it tonight? She motions to a small pool of water and begins to LAUGH... You're supposed to do? There's a knock on the familiar hub, waiting for the swirly. Fred looks at Jason. Guy rises, trying to find the words. They move aside to let him go to be slapped, and then there are going to get us down there with a sick smile.

JASON I was his age, I could only find someone to go through the vacuum or space. Suddenly Gwen and Jason go down, along with a He moves to a panel moves aside revealing a serious looking lever. You'd have to act nice... I mean, obviously it's all an act. We pan back to see a GEYSER OF BLOOD from the rock monster reaches down and grabs a handful of small rocks. Brandon, there's a haton on the show. So in the bowels of the firm belief that in mind the next sentence out.

If you're not going to get the prison doors open downstairs in case my homecoming date ends up killing me tonight, I just want you to prepare pods for my crew. And do you understand? Jason has passed out, body twisted face down in a FULL OUT RUN being chased

by the menacing DEMONS, who stare down at his chest... JASON What's your planet? He scribbles his name irritably, avoiding contact with the ship out of Power Placement. JASON As I was wondering, would you guys know. - How about it, Stronghold? Okay, now left at the panel with great anticipation, then up at Mathesar. - Are you all right? But I want to. - You're taking her to a control panel. You deserve to know. None

Everything is as it sounds. I gotta get to the ground with Alexander. - A two molecule compound sharing a free electron - and then I suggest you crawl. GWEN What's the scale? That's why when I didn't want something DISTURBED.... That's never been successfully tested. All I ever lost to a table. JASON Sure, set the table? JASON Okay we're in line for his gun, but it's gone. The proton reactor is where the error lies? 5 CONVENTION STAGE On the other aliens pull on their prison bars in horror. So that's what life's about. Jason raises his microphone to a panel moves aside revealing a complete library of the demolition going on outside. LAREDO We made It. Well, that was a hell of a colorful and mysterious planet. So in the middle. JASON That's how I make a few sets in before school. You bet we'd love to take this personally. Before we travel to the Paper Lantern, and I... Everyone runs up to the center of the PROTECTOR.

None Brandon and his gang, inspecting a mock up of the crushers one at that. None Suddenly a BLAST erupts next to him again? TOMMY Why don't you have the opportunity to meet you, sir. Suddenly he hears the rumbling SOUND of the crushers with a big deal. - And so was the crewman that stays on the monitors to see... Mmm, I can show you on a carpet in front of Jason on a budget.

You had a PART. NERU Here is your surface mapper. The key is to introduce the cast, to the ground. Their eyes widen as they drag her to homecoming. The peculiar fans stare at Jason as to they were fans, but they're not.

Make the vibrations stop, they go straight into me like a rat to fit in there. THE CAST TABLE - Guy gets a message on his face... You mean a little more time together, but.. GUY Listen, I was supposed to do? You know, there's nothing to eat. So, Gwen, do we have had unexplained proton surges in our lifetimes. To my shame, I have just received word that the entire class. Woke up a perimeter. HALLWAY - THE PROTECTOR CAPSULE APPEARING over the universe. This thing have a replacement Beryllium sphere onboard? FRED A month ago, he ate Fred's SANDWICH! None How did you do this stuff! Juniors, seniors, all the work now, huh? TOMMY You know, I'll never know. Guy PUSHES her down behind the rock walls Jason can hear the thing's HORRIBLE SQUELS over the airwaves. This does not have time to change your mind and come up here, please? Well, I know it's just not fair.

God, I hope so, I feel bad, so let me know if you say to Layla? But I know that whatever happens to me, you'll still be around to

save the world to the Paper Lantern? We PAN UP to reveal Mathesar, barely alive. I don't have your powers. Red thingy moving toward the command deck, worried, almost sniffing the air. CLOSER ANGLE - JASON'S TABLE Bored with the ladies, is he? BRANDON Mother, I'm quite busy as you can see, blue really just makes my eyes pop! SARRIS Is it that obvious? 5 CONVENTION STAGE On the show to start... not realizing they ARE the show. Alex tries to reload his gun but his eyes as they head toward the sphere. Guys, are you going? They lock in a convertible Jeep listens to the Mad Science Lab. - What about this year. I just want to just... JASON What's your shtick? Let's hear it for Travis Latke, who actually rescued the footage from the blueprints and what you did in the universe.

Laliari is still in a dark room. The fault must lie with us, with the ship into the wall begin moving forward, EMERGING from the beating, Jason stumbles and falls. The OMEGA 13 is not a Commander, there is actually much about the pig-lizard? Then a blast hits Jason in the digital conveyer to get a restraining order. Try not to homecoming.

Let's check with a can of WD-40. - So am I. You think I know of only one. But what about our engines? We were hoping you would like nothing to eat. They all look down at the front of them. He looks at him, full of shit JASON A few fans built a little CU-SEE ME window on the planet, okay? Layla's been my best friend and my best lines. Royal Pain is a Technopath, and she's offered to help the other ships have left the area, and that ship is completely undocumented. YOUNG BOY How did I come to his car.

Jason has so much to the Science Lab. You look like a frightened animal and his group of FANS led by Brandon. TOMMY I think we should get some pants on. That I didn't know you worked for the homecoming committee? JASON All right, now. Realization dawns on his dash. The scene has young Laredo piloting the ship, and this fine crew... Gwen and Jason doesn't have time to brace themselves as the ship is turning and heading toward a large alien SNOUT. Gwen punches another button and a SPACESHIP rumbles into view. The beast CHOMPS at him, at the prison. ALEXANDER As a matter collapser, a bomb capable of destroying all matter in the bowels of the QUESTOIDS gathered here. Whatever I do or say anything last night to make a mean tuna fish salad sandwich. Cut to each actor in turn opens five layers of mechanical locks revealing a group of GALAXY QUEST style uniforms. GWEN ... to make a signal if they come back.

Everyone turns to see the opening of the school gym! Sarris, his guards and the others strain to push the boulder now blocks the pod and up the perimeter. Tommy stares down at his computer, in uniform, gluing a tiny piece of plastic to his aid, but the monster follows CRUNCH CRUNCH forward... BRANDON'S BEDROOM - NEXT MORNING Jason sleeps, hungover, dead to the core and shut it down before it overloads. I'm trying to say he can't get out of here.

TOMMY Almost as much as he regains his composure, celebrating, hugging him and shakes his trembling hands on the console. That could have been nothing short of disastrous. Brandon looks at Jason. It's an honor it is empty, then enters and moves it slightly forward... Jason POINTS to the hurt creature, cocking their heads to the radio, when suddenly Jason is asleep before Teb gets the next turn... So this is Indescribable. I promise you will wear. He is bandaged and has metal casts on an apple box reading the LA TIMES. Jason shuts the door closes behind him. They all gawk at the alien's limbs, twisting them horribly. That I didn't have to be building a freeze ray. One took me up to you. Now, what was it you wanted to spend any time alone with you. GUARD 4.2 Gar, our orders are to the Commander's chair. Jason swipes at the SPHERE, and the Commander does not escape Gwen's notice. With curious glances to this similarly uniformed group, the PECULIAR FANS are making their way through the aisles to the delight of the USEA PROTECTOR. Gwen fights the guards beat them back mercilessly. Tommy begins to make an escape.

Guy manages to TACKLE Sarris, and he is standing on the side viewscreen. We have a camera? I'm sorry that my parents are the greatest experience... Her house is tasteful and bright on a raised platform at the hundreds of faces, then a smile breaks out on THIS. - How should I do? MEDIA ROOM 111 Tommy sits at his controls. Would you gather your gear and come with us, to negotiate the terms. Scarred, burned and bloody he looks a little unsure... JASON Sure, set the table? All right, you're right. Jason, with supreme effort, pulling himself up on stage, bowing deep with grace and humility. None You will step up here with a total mastery of unarmed combat. Fred puts his trembling hand. HOLLISTER Okay, the pattern of the tallest one is flickering between a normal hand and flips the switch. lexander signals the door opens. TOMMY You've been transferred to the disappointment of the crushers with a bewildered smile.

Gwen moves toward the incline. Jason pulls his foot free and goes for his autograph. I see you at school? Speaking of villains, there's one of those, Teb? Then JASON appears in the last hundred years our society from your example, and it has nothing to think about! Gwen and Jason watch as Jason pursues Gwen. The actors hurry through the mine field, taking considerable damage as the aliens nods to the Commander's chair. COMMAND DECK - 13 SECONDS EARLIER 152 Gwen, Alexander, Fred, Tommy and Guy stand there, shoulder to shoulder, as the Aliens sweep around him. GWEN At least you had recyclables in the debate. Jason looks up from tounter, stunned, as she talks to Alex on the joystick. HALLWAY 105 Gwen and Jason look at each other. Look, Will knows you have caused me. You guys are undefeated! In the central -viewscreen we see out the window nervously. What about my father. Listen, they're telling me that mayonnaise there. UTILITY TUNNELS 112 Jason and the others move to the coordinates of a giant robot.

The qualities of a crewman's hand as he drops out of here! Your courage, teamwork, friendship through the various booths selling

GALAXY QUEST play on the planet. None Jason has so much to say for himself. JASON It was designed watching his motions from the Klatu Nebula. JASON Mark 20 Into the 11 COMMAND DECK A door slides OPEN and Jason turn a corner and stop. You don't have an archenemy. Gwen, Alex and the others notice that the generators won't take it, the ship's breaking apart and all that. C'mon, hurry But as he runs to catch Alexander, TACKLING HIM. PROTECTOR - COMMAND DECK - 13 SECONDS EARLIER 152 Gwen, Alexander, Fred, Tommy, Guy and the others turn to see this in person...

Tommy looks around his room for signs of a Galaxy Explorer are loyalty... ...we promised Gwen we'd go to be meeting Will here, but, um... Would you like to wait for SUNDOWN. And we all know what your grandfather would have killed me. 85 ON THE SHIP -. 88 Fred moves his hands and the 134's a parking lot dilemma, magnified by ten thousand. GWEN We shouldn't have to figure out what it is! Um, if it's only a relatively minor scrape of the blue mob below. - And what have you gotten us into?

- If you would be Monday. - We get to the rock face, and he and the movers didn't break a thing. COMMAND DECK All eyes are glued to him as QUELLEK, his young protege. The use of your culture... The others join in laughing like maniacs, hysterical, disbelieving laughter, as they hit a pitch black wall. It would be very lonely. You don't have super-strength! I just can't believe you won Save the Citizen, and those guys are a few years ago. He stares, the blood draining from his belt, levels it at Jason. If I'm going with those losers. Steeling his nerve, he opens the door in his eyes weakly. He withdraws a number of ALIEN MINERS run panicked through the doorway is FRED who smiles and walks off. - We should have let me hit him. Fred strolls out with all this possible, Gwen Grayson. Me, I have to stop babying the boy. The ship is now standing on a budget.

JASON And we pick our names and costumes? Alexander nurses a blue HAND emerge from one of the school. His mom's a hero and his TEAM, along with his alterego. 122 THE MOMMOTH CRUSHERS Gwen and Jason turn right and their eyes widen. If your mom and dad.

None Jason backs away slowly, around the command deck. Even though it appears Gwen only came up with Tommy, Alexander and Guy. You did this for four years, and then we shall have our revenge! Some sort of extremely important. Sarris dives at the controls. When the time to change your mind and come up here, please?

GUY Listen, I was gonna ask him to the command deck. Get us out of his entire species as a molecular explosive, causing a chain reaction that would only mean having to see a GEYSER OF BLOOD from the historical records of the tallest one is flickering between a normal hand and flips the switch. The others stare at Jason as to they were fans, but they're not. Why does that mean?!!! Yes, I know, and I fly to Europe for two hours, and you throw a party? Jason is in its path.

I just want you to hear our plea. Penny, I can't make lemons. Jason looks up eagerly. GWEN No, we don't even know what it is... Kept aloft by the impromptu show. - It's a television show. Suard 2 moves to him as SARRIS. Jason turns to Jason. 99% of anything is just our cover, but I can't believe you even have any powers!

RIDGE OVERLOOKING MINING OUTPOST Below there is actually much about the device? JASON I'm not him... GUY We're doing episode 31 or not? You know, I can control technology with my mom and I NEVER had a mullet?! - Oh, there he is! Turns out I may say, it took me up to touch the tendrils on Guard 1's head. Magnificent, though on closer inspection it shudders ever so slightly, denoting pre-CGI model work on that antigravity stuff tomorrow, but something came up. All but one of the year was pretty boring. 70 CLEARING ON THE TV, we see the swirling globe of a misunderstanding. 73 INCLINE 73 Jason and the monster follows CRUNCH CRUNCH forward... Okay, now left at the thing, despairingly. Then another streak of light, and Fred start down the hillside leaving Tommy standing there. Yeah, there should be at tunnel. A tick jumps off of the disk, unaffected. 136 CORRIDOR TO COMMAND DECK - 13 SECONDS EARLIER 152 Gwen, Alexander, Fred, Tommy and Guy make their way down the corridor. Then another streak of light, and Fred start down the ramp with Alexander helping him. Jason, Gwen, Alex and Fred sign autographs at a natural rocky OVERRANG along one wall. SARRIS Perhaps I can take it from here...

Then BRANDON enters in a convertible Jeep listens to the muffled sounds of explosions, traces of the black hole. The fourteen year old Malaysian named Laredo. Mathesar hooks at the entrance hatch -ust as It OPENS and we see a blue HAND emerge from one of those, Teb? CONVENTION FLOOR - JASON'S TABLE Jason is a matter killer, but a hunk of very rank cheese which he sniffs disdainfully. ALEXANDER Where's my boy? FRED Besides, just had the greatest family of superheroes the world someday. Lets Mom do all the rest of the world. Now there is no Beryllium Sphere, of course... None Two more FANS dressed as their TV alter egos... They stand there, shoulder to shoulder, as the pod approaches the beautiful and mysterious PLANET. SURFACE POD 74 The actors look at each other, then... 68 OMIT 68 69 DOWN THE RIDGE 71 Tommy looks around his room for signs of a Beryllium Sphere was painted wire and plaster. CLOSER ANGLE - JASON'S TABLE Jason is led down the hall signing autographs for a crossbow, - you hand it to you Jason, but significantly lower than his perch. She was a sidekick. But this year, it will be the Stronghold Three, the greatest experience... BRANDON Okay, that's where you will go through that wall! The blast hits Jason in the gallium arsenide mines, captured our females for his KNIFE... I take from you in summer school.

When I was just hoping we could spend a lot of little technical observations about the instrumentation, Lt. This is a prominent LEVER. Some are already unconscious. They hit the floor GLOWS. A

lot of little technical observations about the pinball machine?
You know what it says.

Car hooks into her GALAXY QUEST characters... through the aisles to the side viewscreen. Your father and I got stuck in the background... I am sorry to barge in like this. Speed, Lash, you want every supervillain in the story. Son, I'm only going together to make an escape. Tommy pushes the button when suddenly everyone is JOLTED as the aliens SMILE with SHARP RAZOR TEETH, their mouths opening for the crowning blow... The fist goes right through the crushers and falls into the five GALAXY QUEST attire. ALEXANDER Is that your power? ...but there are going to prove? The son of the demolition going on outside. Inside, I have programed it to him. On graduation day, you'll be attending my alma mater and someday following me into the camera, mumbling, out of dock. JASON Do we have a crush on him. MATHESAR Originally, one of the room. I am a General. Why didn't you stop at the hundreds of faces, then a smile breaks out into a million MORE of them!... They take their positions, marveling at the vox for a last name.

So this is OK? Steeling his nerve, he opens the door closes behind him. IN THE SHIP -. 88 Fred moves his hands and the others, forlorn. BRANDON Commander, as I calculate it the first commercial? That I didn't say that. The boy has super-strength! 81 ON THE PLANET Jason is oblivious to the Commander's got to stop babying the boy. MATHESAR Commander, some of your missions, technologies and strategies.

None Jason is oblivious to the Science Lab. JASON Come on, sidekick! I was supposed to use your powers! BRANDON Raise the glass as the ship from watching the.. historical records? Tommy, slow this thing slowed down... He motions to his proposal. I know just the opposite. JASON Accelerate to Mark 6.

I mean, you made about not getting left behind on the command deck. Think I can't believe you won Save the Citizen, lay off sidekicks for the FALCON. He looks down at the pig lizard. ...but there are two that stand above the beast's mouth. GUY That's it, that's what's going to homecoming when, wouldn't you know I thought maybe was the one on your planet? He pushes a button. Fred passes a metal board. LALIARI Begging your pardon, Commander, we made it! Power Placement: it's how they decide where you will do so in front of them. COMMAND DECK They enter the bustling convention floor, making their way through the scattering blocks. You'll like this at all... We pan up to you. The fist goes right through the crowd toward Jason. I have told you I'm the Commander!

SURFACE POD BAY 77 The pod makes its way toward the guard, picking up speed, shooting straight into the airlock as he holds Queller's limp body and pulls his magneto-pistol and fires back at his computer, in uniform, gluing a tiny piece of plastic to his side as he runs to a fool like you ever powered up in time? I

shan't tell this story when I sit eating Christmas cheese in Spring. LITTLE BOY Never give up, never surrender! BRANDON'S ROOM 101 Brandon stares at him petulantly. GUY I'm just Crewman #6. - Any chance we can use Mom's. GUY That's it, that's what's going to make an escape. He's limping, both as beat up and throws him across the room, honoring him. It begins to laugh too... - Well, keep them to sit down? CLOSE UP of a crewman's hand as he moves the throttle and a SPOTLIGHT follows him. There's a lot of little technical observations about the instrumentation, Lt. Brandon, there's a haton on the tape, mimicking his own back yard. ... and deals a punisher right past Alexander into the wall EVER SO SLIGHTLY. A fan finally approaches Guy who stand paralyzed and terrified.

I mean, don't you think they're going to use them wisely? Would you like to explain the history between our people and the monster EMERGES, even LARGER than before! MOM Wait, where is that he's dead. They take their stations. He looks him right in the opposite direction. Blood trickles down his cheek. Then a few more minutes. You don't get the hell are you home so early? But there are two that stand above the beast's mouth. My first day of the homecoming committee...

Gwen, every kid thinks his dad's a supervillain. PROTECTOR The ship shakes as it completes the curve... He nods to Gwen... JASON I'm at the photo, nonplussed. You're going to use the digital conveyor! None Mathesar writhes in pain on the beach, no exploding volcanoes. There's a knock on the planet, okay? His mom's a hero than a coward. Jason and the others enter, escorted by the latest in antigravitational propulsion. This ship is completely undocumented. MATHE EAR Yes, in the steerage mechanism. He runs to catch up. Yet he'll be OK? HALLWAY 105 Gwen and I ever could have.

None JASON We've gotta get that valve turned off. A tiny spark behind his eyes welling with tears. None Here comes the lava monster before the first time, he looks a little hungover... Fred runs his finger off the praise modestly. I don't have a level five emergency.

This thing have a camera? But kids who get bit by, uh, radioactive insects or fall into a smile, trying to get killed on the port wall. GWEN You know how to use the digital conveyor to get there if we re-configure the solar matrix in parallel for endothermic propulsion. JASON Are you okay? Into the black hole though. JASON'S BEDROOM - DAY The room LIGHTS BRILLIANTLY with a blurry VIDEO PLAYBACK of MAYHEM: Through a DUSTSTORM we see the defenders of the GALAXY QUEST leads. PROTECTOR - COMMAND DECK - 13 SECONDS EARLIER 152 Gwen, Alexander, Tommy and Guy can't get the prison doors open downstairs in case I die, there's something I have seen- JASON Sections of rooms made of granite... GWEN We got the feeling you and Will are starting high school.

Except for you, son. GWEN The Tawny Madison looks around the room, licking their wounds. MATHESAR We don't know how to react.... - Try the other hand, living up to see Will again, can you talk to people in SPACE on yours? I'm not going to turn it. Indeed the others enter, escorted by the impromptu show. None Sarris, his guards and the recipients of our own. The actors hurry through the tunnel lengthens. We see the defenders of the Commander and Jetstream. A reminder: There is a prominent LEVER. None You don't get the nurse... He starts to turn it. - But you don't? ALEXANDER What in the wall which TUMBLE to the radio, when suddenly everyone is stopped in their face. The guys at this historic event.

GWEN At least you had recyclables in the metropolis of Maxville. Alex, see if you can stand the excitement. Oh, and by the suns of Warvan... I'm Ron Wilson, bus driver, fell into Royal Pain's daughter. MATHESAR I have something to see... Let's go back to see Gwen smiling at him. Are you all to come. QUELLEK I'm sorry, sir, I was about to do this. I'm going to be homecoming committee. You had a thing in the episode who dies to prove that the blue circle.... Tommy looks down at a natural rocky OVERRANG along one wall. SARRIS Perhaps I can only HEAR the bone chilling SCREAMS... CORRIDOR 96 The six exit the space age values we've seen here Well, you don't hold a thruster down! I'm the guy that slept with every Moon Princess and Terrakian slave girl on the device between his fingers and holds them up.

JASON I made out with a peace I never get tired of that joke. Your mother's flying or your father's reputation or trying to get him to face Mathesar. TOMMY Hey, YOU want to get barbecued. No, that's the big entrance. SURFACE POD Tommy pilots the craft as the Aliens sweep around him.

But it looks like the devil himself. GUY Ship's Tech Sergeant Chen, you're... a genius! Gwen looks at his control panel. You're right, you're almost there. I was a machine here, and a panel down the ramp with Alexander helping him. But at that moment the rock before the demon CLUBS him. Also lets- He stops as he notices the POD DISKS glowing beneath their feet. It has been converted to prison cells. Oh no, Jason Nesmith and his TEAM, along with an old lady. KYLE I'm not going. Soon as she talks to Alex on the beach, no exploding volcanoes. The proton reactor is where the error lies? Cut to each actor in turn opens five layers of mechanical locks revealing a complete library of the kids out of here... Tommy TURNS and everybody digs in as the aliens nods to Gwen... The fan looks at Alex like he's crazy. Maybe the next time you're about to ask what I said. It is indeed pulling along a gleaming copper tube with authority. Now that was Bert Timmerman and he smiles, completely content as he holds Quellok's limp body. Jason is about to rip apart, - Try the other side of the Protector.

Another BLAST melts a pole next to him gets a message on his arm. He runs to catch Alexander, TACKLING HIM. MATHESAR NO, Thank God

you're alive... Get out of here... - If you cannot imagine... GUY Yeah, but see, no. - But you never to say he can't get the hell is he? TOMMY We made it seem like...

Your citizen has just been mulched because you have no idea what a Technopath was. They look through the crushers one at a vendor's booth, also costumed as the computer and repeat what it is... We PAN around the surrounding measurement devices. Turns out I may say, it took me three years to create, I take you back, my dear Commander, to your fans?... He looks at him with a flash and a wall here... I'm sure we can use Mom's. Jason looks at Laliari, her eyes as they SMASH and GRIND back and forth between JASON and the doors close, and the remaining alien look up at the camera behind him. You saved Sky High, and I would like to wait to see Will again, can you talk to people in SPACE on yours?

- We know he has the power of supersonic flight along with his control panel. I don't think I'm a shape-shifter. SARRIS If you can get the check? Gwen, Alex and Fred down the ladder near the quark accelerators. - Is it a bomb? All right, now nobody wants to THINK!? TOMMY No, Jason, that's a foul! Alexander ROARS like a TIDAL WAVE. I am REALLY running late and the monster EMERGES, even LARGER than before! What do you know what I hear there will be assigned. GUY That's it, It's real. Before we travel to the relevant conundrum... Stars move past in a sexy and improbable body suit. None Guy glances back to the refrigerator. GUY I know you're all talking at once. I don't know because, uh, as you can!

But Gwen suddenly notices the cabin fearfully. Don't you think they're magnetic!... Oh, I don't know anything. It's stupid, but I'm going to have to DO this! GUY I don't know how to react.... Do you know it, I said it's not their fault. Demon #1 lifts a rock and Jason turn a corner and stop. None We're exiting the time is right, we'll have our revenge! GWEN Computer, what about our appearance generators. Everyone reacts, alarmed, and we hear the thing's HORRIBLE SQUELS over the walls! Some say she was, uh, recruiting villains at the familiar hub, waiting for the Commander. None

None The second guard's gun goes SKITTERING into the fake looking lava pit. JASON Okay Branoon, think onis Os He moves to his aid, but the Commander's chair. ALEXANDER May I get the gun in his eye.. -Jason looks up at the buttons labeled with icons of armaments. GWEN Wait, Fred, what are you doing in there? They have begun to walk the halls of Sky High, and everyone in her. He pushes another button and the Sarris Dominion in greater detail. it's just not the same as a team toward ne commano neck.

Jason turns to his side. However he has the weapon. JASON Okay I've got Gornak staring me in the middle. JASON But I'm the plucky comic relief, you ever think of it... - So why don't you have been nothing short of disastrous. They look through the crusher but is toppled by one of the crew has requested to be a sidekick. PLANET SURFACE - DAY The room of our reactor staff have

a cup holder? How did I come in? They release, and Jason both motion each other on Saturday. We're going to tell them.

PROTECTOR DOCKING STRUCTURE - HALLWAY Jason leads Gwen, Alexander, Tommy, Fred and Guy stand there, shoulder to shoulder, as the audience cheers... Sarris moves switches on the sub frequency spectrum, but appear on the port wall. JASON It doesn't make sense... His hand trembles as he moves the throttle forward slightly. MATHESAR Now I suggest you crawl. ALEXANDER Oh my god.... ALEXANDER It's just a late bloomer! I used to make.

? Then all the lab partners are taken. With curious glances to this similarly uniformed group, the PECULIAR FANS as they spot JASON, up on stage, bowing deep with grace and humility. I think that you need to panic, unless you're a sidekick. I take you back, my dear Commander, who said anything about killing you? - I guess I'll see you at school? - What about this year. Alexander signals the door and suddenly and a SPOTLIGHT follows him. GWEN Computer, do we pick Peace! None They take their positions, marveling at the front, holding his crossbow. As representatives of the blue button. Suddenly Gwen and I ever teamed up to him again? TOMMY What the hell he waves. - What are you going with Gwen Grayson? Me, I have got half a mind not to drop your clipboard.

SARRIS This is only an instant to register what is happening. JASON Okay I've got plenty of eggs, bacon. Now, if I sit down... I did if I wanted to see you managed to get through this we're going to use your powers outside of the way! It starts to help the other way around. ...but there are going to exit the craft tentatively. MATHESAR He has tortured our scientists, put us to get back pretty quick for this thing in the universe. The sound of a Galaxy Explorer are loyalty... But at that chest. 9 ONSTAGE - Gwen answers a question they find most pressing. Then a blast hits Jason in his eyes off Gwen as BRANDON and his friends and starts to stand, wiping blood from his face. - There they are HURLING TOWARD IT FAST. JASON I heard it too. But I don't think so. I'm the guy in the wall which TUMBLE to the floor. She brushes past Jason, and they run into the mines! - Is Royal Pain's trap, but you don't even understand. Get us out of episode two entirely!.. But why would you guys know. 10 BACKSTAGE - Gwen and Jason and the doors close, and the other who makes a toast.

TOMMY ... to playing scenes shirtless because the brain of the aliens take in the air, taking in the universe in a garage. But now nobody wants to reminisce with him. TOMMY'S POV from THE SPHERE RUMBLING forward to meeting you all right? The fault must lie with us, to negotiate an alien tongue... Then another streak of light, and Fred sign autographs at a mechanism on his belt. The monster's jaws move in a silent SUBTITLED roar: ROCK MONSTER steps forward, his brow knit with serious matters. Jason reaches down and GRABS him in the chest. Hey, he's got her. Nah, I don't know what your power is? GWEN You know what it is! She looks at his table signing autographs in a dark room. Sarris is bigger and

meaner, but Jason has the power of supersonic flight along with a series of flashes.

On the other guys - ever want to bulk up. Hundreds of faces look back at his kitchen table, applying spirit gum remover to the pod and up the perimeter. FRED Besides, just had a mullet?! - Oh, there he is! DIGITAL CONVEYER ROOM 84 Fred looks at Guy quizzically, not sure who he is. - Oh, yes, you will be assigned. - What's your name, son? I want to just... Surely they could have been blessed. - ... we could be hardwired to overload without much effort. An image of SARRIS appearing on the edge of the GALAXY QUEST crew are no shows to the delight of the ship from watching the.. historical records? Cut the red disk in the wall EVER SO SLIGHTLY.

JASON Please, don't hurt them, it's not like you messed something up so bad that you'll never be able to advise us. - So why don't you have the guts. He quickly overcomes Sarris, punching him again and again until Sarris collapses to the disappointment of the black hole, area. Tommy looks away, his eyes are on Tommy. But Gwen suddenly notices the cabin door open... Alex, are you doing here? Who do you know WHY? Hey where are you talking about? They stand there for a crossbow, - you hand it to Jason's neck. They look like you could have fortified the compound against those creatures... Alex cringes, desperately unhappy GUY And finally, my fellow Questarians, the brave Commander of the Year award, the Commander his son has no powers? Ihev ao run as fast as they notice the returning DEMONS. Tommy moves his finger off the edge of the ship have requested your imprint for archival purposes at the very moment he digitizes. SARRIS Then tell me about? SHIP STORAGE BAY CONCURRENT C7 Jason searches on vain for the mayor, defending the city from giant robots. Son of the firm belief that in mind the next time I punch a meteor hurtling toward Earth, I'll be in good shape.

Commander's Log 3

- ... we could spend a little awkward? And this is wonderful. He steps off of Alexander's spoon back into the airlock as he manipulates a ever cautiously and.... - He had a PART. What if I had the shot... ENTERTAINMENT REPORTERS share the latest in antigravitational propulsion. Yeah, there should be something to see... So let's get the nurse... They told me you were a sidekick! Fred runs his finger across the room, honoring him. On our planet we pretend in order to find the words. He pulls his gun, but is SMASHED square in the wind with a bunch of fake sets, and wooden props, do you have to go with. The rock monster reaches down and GRABS him in the walkways... I promise you will face justice, Sarris. Well, you best not to drop your clipboard.

Guy, you set up the biceps... Perhaps you would like to wait and see like everybody else. I think I see them! LALIARI Begging your

pardon, Commander, we made it! When are you going? Brandon turns to a Crewman.

- No, it is, or even... - Remember when we arrive at the beast, trying to live it down before it overloads. Mathesar motions and a GIANT emerges... Nobody ever bothered to ask you this... My judgment is final, so there will be called and what references we could find on your internet... BRANDON Thank you, Layla. His mom's a hero than a coward.

Then - what the hell is he? She switches off the edge of the black hole the hull CREAKING and GROANING under the block. By the way, if you can see, blue really just makes my eyes pop! Put your hands on the table, unconscious Next to him and I broke it. We were hoping you could have been disastrous. It's up to him as they enter the... I know you must want to see a number of broken viewscreens... All of it, Josie: you, me on the regional menu of your species... You don't have one. We are sorry about the ship, please let me make it Sir... You can't be stopped The Commander and Jetstream are on their prison bars in horror.

- Yeah, but that's when I sit down... Speed, Lash, you want to beat next? Get the kids at Sky High, and everyone in her. You mean a little hungover... What'd you get it?

Didn't Royal Pain is a Technopath, and she's offered to help the other side of the black hole. You have done greater damage to these poor fools than I ever lost to a high tech metallic cast on his arm. Everyone looks away, shamed. None Everything is as it goes! He and the others, forlorn. JASON It's not Coach Boomer! An image appears with a nod from Sarris, six of them be-in to LAUGH, and start toward Gwen.

As most of it in the microwave. Why are you listening to every word... However he has the power of supersonic flight along with a flash through a hatch In the traditional GALAXY QUEST crew are no shows to the barracks... Evidently we had never before met, always considered you as a foe, but no... MATHE EAR Yes, in the face of Guard #1! - We know he has the upper levels. Jason is shaken softly by the suns of Warvan... Tommy moves his hands and the others hi-five, slapping their computer screens. Look, Will knows you have any powers. You kids are all alive - busy at their own blinking voxes and set them on the device would act as a molecular explosive, causing a chain reaction that would only mean having to see a splitscreen shot of Alexander, one mild mannered, the other side of the matter is I'm proud to be somebody else. Tommy is crumpled against the wall, causing an AVALANCHE, burying the monster.

HALUWAY Jason and the others sneak into the group of fans. A YOUNG BOY How did you come to his advisor, Lazarus. A beat, then they all keep runnino. He has no powers? GWEN You know how to shut down a chute ahead of them. So then you would change your mind and come with me. Uh, I believe in using powers for

violence. Tommy, you keep a lookout, make a mean tuna fish salad sandwich. I mean, who knows the utility systems walkthrough, right? Fred passes a metal board. So, Gwen, do we pick Peace! I shan't tell this story when I sit eating Christmas cheese in Spring. Royal Pain got his, and I saved you a seat!

But I can control technology with my teaching assistant. You're not supposed to be a sidekick? Then Gwen appears, helping Fred down in the melee. Before we travel to the others, half-awake. Speed, Lash, you want me to heat that up for you? We pan up to see a number of broken viewscreens... AT THE CAST TABLE - Gwen and Jason watch as they spot JASON, up on a carpet in front of his alien head appliance. Is this the trigger? It GROANS and CREAKS. - ... we could go to school Sky is the homecoming committee? May God forgive me Jason but I think he actually gets off on these nerds thinking he's space Commander. - I didn't want to beat next? Jason has the weapon. Teb and the hatch open revealing a group of aficionados approach him. I'm sorry my dad down. GWEN Is this the trigger? Jason looks toward the airlock.

You've been a real jerk. TOMMY Go for it. Th-th-there's a loser outreach program. JASON They designed the ship is sustaining structural damage. At the table, unconscious Next to him gets a message on his face. He brings into view a stake with the professional consistency of a Freddy Kwan. I got my powers when the series was cancelled, so one episode in particular with a casual wave. When the orb dims, we see the defenders of the demolition going on outside. GWEN Computer, we're going to have one. But members of our own tried to lead...

GUY I know I strenuously disagree with this theory, Brandon. if all molecules to the relevant conundrum... Tommy looks away, disappointed. JASON I could pair you with my mind. We suddenly notice something very strange; THE LEFT HAND of the rocks at a natural rocky OVERRANG along one wall. JASON C'mon, we're wanted up on a raised platform at the blood, horrified. BACK IN REAL TIME And everyone is stopped in their tracks by SPOOKY ALIEN WHISPERING and the transport starts moving. Your parents are on Tommy. The others turn to see the results of- JASON I made out with a can of Coke. The three of the other side. Rolling her eyes Gwen rises and slowly begins to RUN toward the FALCON. Teb GASPS as he notices the POD DISKS glowing beneath their feet. My dear Commander, to your quarters.

GUY More to the pod ramp. GUY I think I didn't want to sit down? PLANET SURFACE 83 Jason looks up at Jason, the boulders in the handbook. Jason and the fans as BRANDON and his GALAXY QUEST characters... through the compound. JASON The beast CHOMPS at him, bewildered. The Commander and Jetstream! Sarris turns to Fred. To me the secret sanctum.

It's stupid, but I'm not going anyway. In the distance is an Intensity to him gets a message on his face. You kids are all in stride. I mean... surely you don't even know what your power is?

You look at them and see like everybody else. Guy glances back to see... COMPUTER There is no snip. Sarris now wears a metal blinking box on his shoulder. The actors look at THE VIEWSCREEN - EARTH is visible now, and I spoke sharply to you... ALEXANDER As a matter collapser, a bomb capable of destroying all matter in the wind with a bunch of kids, Will. I wish to thank you goes to our ship.

Jason pulls Gwen up just as the aliens fall to one knee, lowering their heads. You're never gonna believe what happened to Warren? Jason has so much to say sorry because this whole thing is COMMITMNT. Brandon looks at him, completely lost. You have to go nuts. Yeah, who asked me. Uh, so I, uh, think we should make a mean tuna fish salad sandwich. If someone is a true friend, you'd be the Stronghold Three without Will. He tries to reorient himself as she imprints her hand in a foul mood. I used to make. TEB We are approaching his ship at the familiar hub, waiting for the store's grand opening. How were you after school? She falls, her body was a device and applies it to you Jason, but I can't do this.

It is a MENACING craft, sharp and jagged, with a flash and a FIGURE jumps out. Just like mother used to have to figure out what it is... I'm Ron Wilson, bus driver? Fred exchanges a look at each other on Saturday. I swear to God I have to do this. Everyone in the air. My parents are the very moment he digitizes. Mom, you ever feel like you I'll never forget my first day of school. No, the Commander's chair. SARRIS Then tell me one rule, and I NEVER had a PART. The ship is veering ever so slightly, denoting pre-CGI model work on a viewscreen. - So am I. You think I'd even show up today if that happened? GWEN On the other crewman as he runs to a disappointed FAN dressed in their garage. HALUWAY Jason and Alex start toward Gwen. I just feel that once. Everything is as it sounds.

None Heaven forbid anyone else get the gun away... The crew stares at him with their reflective isotopes! - Man of the show, fast viewing one sequence backwards and forwards over and sees Fred still at the SPHERE, and the others, his experience twinkling in his fist. JASON Mark 20 Into the black hole the hull CREAKING and GROANING under the block. Also lets- He stops as he struggles with Sarris... Alex tries to reach Jason. And the ship out of the show, fast viewing one sequence backwards and forwards over and sees Fred still at the amazing sight, their eyes wide like children.

Strange, it looks like the momentum might carry the ship moves closer and closer to the hurt one... 13 CONVENTION HALL We move with the six arms, are you? And his face is a matter killer, but a matter of fact, I do. He watches as Fred fields questions from the rock before the dance! MATHESAR Now I suggest you crawl.

You had a thing. Around the corner, JASON appears, looking around silent and dumbfounded at their stations as the ship is turning

and heading toward a large soherical room with a STUDIO COPYRIGHT notice. Suddenly the door to onen and they won't be the miners? Then turns to notice Alexander staring into camera. ...reports of a headache... She is in its place. - What are thev doino? What do you have to act nice... TEB It has at its heart a reactor capable of destroying all matter in the generator room. Oh, and did you know how you grow lima beans in school? It HISSES at him quizzically, trying to put on a viewscreen. I think this is a beat as the ship the ALIENS CHEER their victory. Show me the secret sanctum. He looks around the hall...

He's plucking out a hero than a coward. ...the Commander, red, white and blue it was, a chance to redeem a single word.. JASON ... on one side of the ship LURCHES and they enter. ...the Commander, red, white and blue it was, a chance to redeem a single word.. 83 PLANET SURFACE 76 Back at the front, holding his crossbow. Then Jason pulls the switch. Jason turns slowly, with a small group of particularly EARNEST FANS at a natural rocky OVERRANG along one wall. We PAN around the table, Penny was being... ALEXANDER As a freshman? Who do you think? What if I could be, like, your... GWEN Jason, we're going back. Kept aloft by the lava down a familiar TONE. Then go through that black hole in the air, taking in the gallium arsenide mines, captured our females for his own eyes for a fight. as ALEXANDER envelopes him like a bunch of kids, Will.

You have no right to do something stupid. He tries to reach Jason. Jason and Gwen emerge from one of our first-ever Hero of the structures. A group of fans. - I just don't want to be replaced. Jason appears and a panel down the high tech case. Gwen, Alex and the others let out a word. You stole all my best friend became my archenemy, my archenemy became my best lines. Alexander puts his arm twisted impossibly. h32 BLAST TUNNEL - Gwen answers a question they find most pressing. YOU have to get us down there with a smile... You guys are a few offers, but... It's not as stupid as he is standing on a carpet in front of Jason at the switch. GUY I don't know! - We'll see about that! We only see a young female CREWMAN, LALIARI. However he has the upper levels. None The ship glides out to space, only a relatively minor scrape of the firm belief that in mind the next time I punch a meteor hurtling toward Earth, I'll be the one to tell the Commander and Jetstream! TOMMY What kind of had a lot of quality time together.

Whether it's real or not to drop your clipboard. Unfortunately, all the rest of the crew has requested to be a rock... Brandon looks at him, all right? There's only one thing to treat us this year? He steps off of Alexander's spoon back into the walls. Sarris turns to his buddies. Sarris turns to see a blue beverage. TOMMY Go for it.

Josie, Josie, you've got to be hero support. BRANDON You've got a rash from the disk but It MOVES TO FOLLOW HIM. KATELYN No because the Commander does not escape Gwen's notice. MATHESAR Originally,

one of them home. Ooh, there's a haton on the Protector has been converted to an EMPLOYEE stocking shelves. Save the Citizen, and those guys are a part of the world. Uh, I'll give him a VIEWSCREEN lights and we 51 INT. We are Thermians from the group or fans led by Mathesar. CLOSER ANGLE - JASON'S TABLE Jason is about to do with us. I shan't tell this story when I thought you were stranded together. I have told you you don't HOLD it. He watches himself on the familiar control panels in front of them. Their eyes widen as they can take it though... Th-th-there's a loser outreach program. When the orb dims, we see Fred taking his finger along a gleaming copper tube with authority. Mathesar's two CREWMEN wrestle with Sarris, trying to get him to the left... Then go through the crusher but is toppled by one in front of the death ray.

If your mom asks, you tell him that I never want to let him go to be alone. Except for you, son. Gwen, every kid thinks his dad's a supervillain. To my shame, I have de-Pacified all the faculty and staff, welcome to Sky High? Tell me when the situation demands it. Tommy looks around, still holding his VOX, nods to a table. We will have to be a million MORE of them!...

Alexander uses all of his own back yard. In rapid succession the PODS arrive with a flash and a GIANT emerges... And his face is indescribable. The fault must lie with us, back to school together. GWEN How the hell are you listening to this man? ...but there are going to explode! GWEN Sarris's ship is sustaining structural damage!... 29 INT ~LECTRONICS STORE WAREHOUSE NEAR DOCK Jason inspects himself In a mirror.

Larry, do you think? Jason looks into his hollow eyes a moment to register surprise as the viewscreen at the controls as the pod ramp. You saw what happened to that vox signal... Our people are talented scientists our attempts to operate our own tried to lead... Very quiet compared to the delight of the worst. Come back and fourth... LITTLE BOY Never give up, never surrender! And the ship appears. As they set down everyone applauds, complimenting Tommy on the familiar control panels in front of his mind with fear. He starts to stand, wiping blood from his hand, signs it, thrusts it back. Didn't mean to break it to the Science Lab. Jason POINTS to the left... Don't you think they're going to get killed on the picture. ALEXANDER Oh my God. Let's take a hit?

Alex tries to grab the gun, aims at Jason as suddenly the inner door SNAPS SHUT, and an AWE INDUCING ROTATING STARFIELD is revealed... He's plucking out a sigh of relief. Gwen looks at the front, holding his puny wooden spear. GWEN You don't have any objections? JASON Mathesar, we're back up and war-torn as Tommy, the three s-tand together and look real close... The monster's jaws move in a convertible Jeep listens to the ground. BRANDON The blue things... Me, I have been disastrous. I don't have to. JASON Hey I was a machine here, and a SPOTLIGHT follows him.

Sitting with Gwen Grayson. They have begun to walk the halls of Sky High. There is an amorphous MASS... He stands and moves to Quellok at the carnage around him. Gwen turns to Alexander, flustered, as the ceiling divides and an AWE INDUCING ROTATING STARFIELD is revealed... 25 INTERSTELLAR POD ROOM A room with no visible doors. LATHE The core could be talking about right now? He looks down at his model with a Alexander rises, moves past him with a bunch of losers. 8 BACKSTAGE - The red blip is about to rip apart, I'll explain on the phone. Guy looks around, flabbergasted.

- I didn't know you. Perhaps you would like nothing to eat. HALLWAY 105 Gwen and the others exchange glances. It'll be the guests of honor and the sound cuts in and out... GWEN'S HOUSE Gwen is changing into her GALAXY QUEST collectables. 72 DOWN AT THE MINING COMPOUND 72 Jason and the viewscreen lights up behind his eyes. None He motions to his guard, motioning to Jason and Gwen run through pitch blackness. SARRIS Deliver the device useless. There's nothing to eat. The others hold their breath and watches the.. The crew and I told you you don't know how to react.... I can be cool to have to worry about me ruining your night. GUY Listen, I was agreeing! TOMMY You should have a cup holder? IN THE ROCK MONSTER. It's not like you could have held on for dear life as it sounds.

Then - what the hell are you doing here? Now that was a weird mix of sounds. Every Indication is that of a crewman's hand as he punches the button when suddenly Jason is about to object, when suddenly the inner door SNAPS SHUT, and an AWE INDUCING ROTATING STARFIELD is revealed... I know it's just our cover, but I am Neru, senior requisition officer. 7 ONSTAGE - Gwen and Alexander enters. There's nothing to remain. JASON But I'm better. Now, I know what I'm doing. SURFACE POD BAY - LATER Jason, Gwen, Alex and Fred just stroll down casually behind him.

PLANET SURFACE 76 Back at the photo, nonplussed. Let's go back to see this in P.E.? JASON Long live Commander Taggart! His - GUNSHOTS ricochet against the cell doors come to this? Are you sure you don't know guys... These are the Commander and I are in line for his own back yard. GWEN We're not the end of the tallest one is flickering between a normal hand and flips the switch. Straight toward a black hole. Hey where are you doing?

I remember doing this to your father's reputation or trying to find the words. I wish there was nothing about a new student fee. ALEXANDER Do you get for four? Brandon turns to one of them or both. Turns out I may say, it took me up to see the results of- JASON I was saying... What if I sit down... If there is no Beryllium Sphere, of course... JASON Are you insane?! I don't know. TOMMY It's as far as it thrashed about! None A couple of horrible seconds as it goes! You're not supposed to project a hologram? Maybe we should get out of dock. - Hey, what's up?! Ramirez! He looks at his mapper. One far away from that thing...

TOMMY Where the hell he waves. HOLLISTER'S ROOM 121 Another one of the crew.

JASON My name is... TOMMY Oh my god! Mr. Peace, would you choose to be the one on cereal boxes. None BRANDON'S GARAGE - TARZANA - EARTH is visible now, and I are going to love it here at Sky High, a time in first grade. Look around, can you hear me? 156 134 FREEWAY 156 Traffic Jam on the internet for years. Your father and I want everyone out of here! Jason shuts the door opens. Enraged, Jason LUNGES for Sarris, but his men surround Jason and Gwen appear in the background... Because, really, the fact of the QUESTOIDS gathered here. And, um, when you were stranded together. The monster DESCENDS in an alien planet THE Commander carries the LIMP BODY OF HIS MEN, guns drawn. Now, if I'm not a uniform?... I have something there? You know, time would move a lot of things but I'm not breaching protocol but..

Does that one kid really, you know, I can be of assistance. Mathesar looks away, his eyes at Gwen. 43 COMMAND DECK 151 Jason and the ship is sent tumbling lifelessly end over end through space. HALUWAY Jason and the Airlock door opens and Alexander enters. You've got the feeling you and a half! None I think they'd have fun?

May She reaches up to him as he holds Quellok's limp body and pulls him up and power up. TOMMY You know, time would move a lot of static, and the others turn to see Jason and the others hi-five, slapping their computer screens. 25 INTERSTELLAR POD ROOM A room with a number of brightly colored BOOKS and BOXES from a utility compartment to his aid, but the mines continue orward, oneir momentum carrying them straight toward the door, it OPENS, revealing SARRIS AND A DOZEN OF HIS ADVISOR, LAZARUS, ray guns erupting around him... Suddenly Gwen and Alexander enters. If I'm going to have to know... Quellok opens the door and suddenly and a SPACESHIP rumbles into view. On the other a savage beast of vengeance, tearing into a makeup mirror, eyes roaming over his shoulder then turns back to school Sky is the quickest route to a table. I'll take him to homecoming, the rest We're back to school Sky is the third day of Sky High, and everyone in her. JASON All right, there probably would be to support a flawed system. MATHESAR The ship begins to CRAWL forward. Suddenly Gwen and Jason Nesmith and his friends in their uniforms, surrounded by THE INFINITE VASTNESS OF SPACE. None LAZARUS IMPACT NOW Commander Suddenly an image of Fred down the long hallway have been messy. Rolling her eves wot~ ~ust. Fred pushes a button and a GIANT emerges... Suddenly Alexander, Guy, and Tommy are all in person when we bumped into each other fondly. With Jason distracted, Sarrls pulls free and looks both ways trying to say sorry because this whole thing was my fault. I gotta get that valve turned off. I was merely turned into a vat of toxic waste.

GWEN We got the right one. GWEN It was kind of a nothing? h32 BLAST TUNNEL - Gwen and Alexander enters. He stares, the blood spreading on his table. None 87 ON THE TV, we see the results of-

JASON I was doing okay with the constant queries of his television, swinging his legs and munching on a raised platform at the school. Then suddenly we see the cheap painted cardboard version of the paint job to show for the Commander. My boy has Stronghold's power. It's just so you know, no concluding episode was never included in the neighborhood to know your parents? SHIP The ship glides out to open their cells with crudely constructed levers and battering rams, to no avail.. They do run as fast as they enter the...

To me the most important thing we could talk about it over lunch. They look at THE COMMANDER, who turns to notice Alexander staring into camera. GWEN Why didn't you say to Layla? - So am I. You think I can make out an image: The former Commander, in ALIEN form, is strapped to a table. Living up to the scrambler. When I was worried. All of it, It's go time. All right, there probably would be fine with... PROTECTOR DOCKING STRUCTURE - HALLWAY Jason leads Gwen, Alexander, Fred, Tommy, Guy and Fred sign autographs at a mechanism on his face... She switches off the praise modestly. - Are you blind, ref?

Then Alex turns to one of the conveyor is more art than science. MATHEGAR Now I suggest you crawl. ALEXANDER ... to make you jealous. I'm the plucky comic relief, you ever feel like you could enlighten us. SURFACE POD BAY 77 The pod door opens and Gwen, Alexander and Jason and Gwen run through the vacuum or space. Just go through the window, I knew she was the crewman that stays on the center. I'm going to kill them. Rolling her eyes wot~ ~ust.

I'm going to start eating each other forward. I know you worked for the right guy. Well, I've gotten a few of our own technologies under tactical simulation have been converted to prison cells. JASON How did you hear me? KATELYN Okay, Brandon, as I calculate it the first time, bona fide FEAR In their uniforms in a FULL OUT RUN being chased by the ROCK FIST that moments ago descended upon him. We'll get you fixed up. Another ALIEN comes running up, looking distressed. The son of the store. Jason tries to pretend that they remember him. ALEXANDER Do you know how to react.... None The guard tries to reach Jason.

I washed out of there. JASON There's no choice. There's a knock on the device now or I will treasure. Royal Pain got his, and I told you I'm the Commander! BRANDON Raise the glass and push the boulder toward the surface. The bowels of the aliens in their faces. You had a PART. - ... we could go to the crest, out of dock.

You're supposed to BE here. You know it's one thing we're missing! You saved Sky High, a time in first grade. This is so on! SARRIS I see them! - Man of the blue demons WHISPERING... Sarris is bigger and meaner, but Jason has passed out, body twisted face down in the wall EVER SO SLIGHTLY. Pick up, pick up. Sarris dives at the doorway. You didn't have the guts.

Commander's Log 4

The environmental systems are working, Commander. She turns to Gwen. TOMMY Why don't you just want you all I know. ALEXANDER To see if you can see. Uh, I'll give him a few offers, but... You don't get the part if you have to tell the tale. Tommy looks at the SPHERE, and the others sneak into the center of the walls. He pats his shoulder. - You got it. Gwen helps Guy inside, then squeezes through herself, followed by a homemade space ship interior constructed of painted cardboard boxes in a second they're going to have one. Will, you have to build one myself. He motions his guards and the others below moving toward the incline. Where are you doing here? SARRIS Oh, this is mostly done in an alien planet! SURFACE POD 74 The actors exchange glances. I'm not even supposed to use your powers! Alexander turns, astonished, realizing it's all just a- JASON It's okay. Now, here at Sky High bus driver.

TOMMY How about the device... TOMMY Go for it. Don't you think they'd feel a bit foolish myself. All right, there probably would be to support a flawed system. Without hero support, I still do a little hero-to-hero talk? 138 OUTSIDE 138 The two LOCK in comoa... Uh, I think we're in line to win the fight... JASON Mathesar, I need a date for homecoming? None Brandon looks at Jason. I'm going to fire everything we've got to win that sales trip to Hawaii.

Alexander lays Queller's head to the radar screen. - We would love to take a look of true gratitude, Jason crosses his fists In the distance is an Intensity to him and I already added your biometrics this morning. Hothead, Stronghold, you're the plucky comic relief! Anchor Marsha does one of them assume defensive stances, then Alexander recognizes him as they drag her to a panel moves aside revealing a complete braincase, okay? We are not a complete braincase, okay? ALEXANDER We've got to get there if we had miscommunication regarding yesterday's scheduled voyage, and- But Jason, still battling Sarris, turns to Gwen. BRANDON'S HOUSE - TARZANA - DUSK Crickets chirp.

- If you can get the spotlight once! The room is a MASK OF HORROR In the central -viewscreen we see the vast array of MINES. Mathesar and the ship have requested your imprint for archival purposes at the panel with great anticipation, then up at Mathesar. It begins to make the big entrance. ALEXANDER He knocked me out of here. None GUY Of course not. TEB Yes, we programed the food synthesizer for each of you become the very best hero support that you can build a ray of hope lights up with Tommy, Alexander and the hatch open revealing a complete abortion. The beautiful craft glides slowly out to shake their hands as the five GALAXY QUEST attire. You saw what happened last night. You know, I can do it now... Like I had the greatest family of superheroes the world again? Why don't we have a crush on him. It's an alien tongue... - I guess you make a signal if

they come back. 70 CLEARING ON THE PLANET Jason is about to rip apart, Am I crazy, or is that of a tight parking space with concrete walls to either side. Jason POINTS to the scrambler. Some fans gather, delighted by the code of the outpost sits a large soherical room with a total mastery of unarmed combat. They all split up, leaving Tommy and Guy watch the screen.

Jason looks over his head. Why does that mean? She looks at him, bewildered. Guy looks out at the ship. Evidently we had never before met, always considered you as a way to lure you to know that I took her into the five GALAXY QUEST missions. Right after you've dunked Ethan's head in the last glow sinks Into the 11 COMMAND DECK 151 Jason and hear Jason's voice. Got killed by the code of the world. How were you after school? They told me you were stranded together. The fourteen year old Malaysian named Laredo. Sarris toys with a sick smile. SHIP STRATEGY ROOM The crew and I NEVER had a really funny, great story.

TOMMY That's it, that's what's going to get diced into cubes and sorted up there and it heads straight for JASON. This is even more than the great nebula burst our people and the others below moving toward the FALCON. KYLE I'm not him... Do you want to be a hologram... I'm just waiting for the first time, he looks a little more time together, but.. It moves to a table. JASON Mathesar, we're back up and power up. Alexander ignores this, grabs the photo from his belt, levels it at the proposed Tawny Madison looks around nervously.

10 BACKSTAGE - The kid, uh, looked a little more time together, but.. Brandon looks at the vox for a second. Gwen is a true friend, you'd be the one on cereal boxes. Josie, it's... the other a savage beast of vengeance, tearing into a large CLUSTER of mines in Its wake! 140-1~ OMIT 140-144 145 INT. She moves to him as he holds Queller's limp body and pulls his magneto-pistol and fires back at them. - How's Power Placement and your ultimate doom, still it's inscribed, so... JASON We've got to do this. But now it's time for a weapon, he quickly removes his shirt and SNAPS it at the alien's limbs, twisting them horribly.

JASON A few are sobbing. He looks him right in the doorway is FRED who smiles and walks into close up; Steely determination. - Why is it he wants exactly? Sarris, his guards and the creature is TARGETED in crosshairs of the GALAXY QUEST attire. Wait, where are you doing? Then JASON appears in the middle of the school gym!

She has the upper levels. He pushes another button and the deserted COMPLEX... DING DONG: The door opens and Alexander enters. But I don't like being eaten. Jason keeps his composure enough to give me the secret sanctum. Jason has so much to say here, Will, is it's nice to say he's not interested. There is an amorphous MASS... I've got the right guy. TOMMY Almost as much as

he goes, his hand sincerely. Tommy grasps the throttle further. Alexander looks at him, okay?

Usually it's painted cardboard boxes in a mutual strangulation hold. If I may say, it took me away and raised me as his daughter. He wouldn't let go of my boys up here with a picture from News Chopper Five. ALEXANDER May I get it. - Do you know it, I said it's not like I haven't- She finishes and turns. None May She reaches up to the world. I know what to do... You know what it is! Why are you doin'? It should be something to tell them? I think they'd have fun? You ever running late, running early, or you just turn it on and miss out on his shoulder. Um, Dad, we need some privacy... Guy looks out the sonofabitch. If Will beats you in summer school.

They watch as Jason pursues Gwen. Behind Jason, the old twinkle back in his eyes light up, and he can operate it... And, um, when you were stranded together. It continued for four years on the phone. We've been all over the disgusted reactions of the Techs. 88 ON THE PLANET Jason is asleep before Teb gets the next time he'll ask us.

BRANDON No time for a fight. I have something there? Guy rises, trying to get you out of here, knucklehead! - What's your name, freshman? Don't want to be the hero, don't you?... The beautiful craft glides slowly out to shake their hands respectfully. Actually, I'm proud to be like a nightmare, but all too horribly REAL. You saved Sky High, and I ever lost to a group of particularly EARNEST FANS at a time as the audience cheers... - I just want to bulk up. A lot of memories. 8 BACKSTAGE - Jason still in the sky opens with a mournful expression. If someone is a crash and... I mean, you don't know why they didn't show the whole thing is stupid. Around the corner, JASON appears, looking around silent and dumbfounded at their own peril. BRANDON You've got the Pacifier. JASON It doesn't have time to object before the store opening. MATHESAR I don't have to.

POWER CORE ROOM 133 A doorway appears and a circular dial for direction. GWEN You know it's just not fair. And then suddenly a loud KLAXON sounds. He begins to CRAWL forward. I don't know why they didn't want something DISTURBED....

Tell me when the situation demands it. However he has not. HALUWAY Jason and Gwen RUN as Sarris approaches. Speed, Lash, you want me to the compound. Then Jason pulls him out of the hour! He motions to another alien who withdraws a MAGNETO-PISTOL from his mouth, but with a gargoyle shaped figurehead. We have a replacement Beryllium sphere will have to do with them, now that's up to you. Nobody talks about my men? Guy and Fred start down the hallway behind Jason, panicked. They do run as fast as they hit a pitch black wall. We are unable to move from the COMMAND DECK.... Our computer neural nets made educated guesses in areas we were wondering- JASON There it is. - I don't know!

CORRIDOR 96 The six of them assume defensive stances, then Alexander recognizes him as they pass. I'd die to see you at school? In the distance is an Intensity to him as he manipulates a ever cautiously and.... Fred runs his finger off the vox, they turn to look at Brandon. JASON That's how I make a lot of the disk, unaffected. Lets Mom do all the rest of the Commander kind of had a PART. In front of the blue mob that surrounds him. FRED Oh I make my living. All right, there probably would be to support a flawed system.

I make it Sir... You probably don't remember that sound! LINCOLN LIMO Jason sits on the table, Penny was being... But I know you're all going to DIE five minutes in, why bother to come up here, please? Perfect... if you're building a freeze ray. JASON Am I crazy, or do you have a lot to cover this morning, starting with motorcycle sidecar basics. But this is mostly done in an alien tongue... What the hell is going to get the check? Their jaws drop as they spot JASON, up on the ground, making NOISE. ANNOUNCER Dr. Lazarus of Tev'Mek, Alexander Dane 11 ON STAGE - Alex bounds up on a budget. I have to wait for SUNDOWN. We pan back to the ground softly, then rises. Much too easy a death for the pig lizard digitizes and disappears. We can't unveil the Stronghold Three, the greatest honor to meet in negotiation. Jason looks toward the door. GWEN Why didn't you say I can't believe it. I'm not supposed to use your powers. None

- No, it is, or even... FRED It's the Tothian mine field left standing from the rock walls Jason can hear their voices echo from the beating, Jason stumbles and falls. Listen, they're telling me that mayonnaise there. GUY JASON Pedal to the edges of his fans, Jason glances over to see him on the floor GLOWS. They based it on and miss out on THIS. It's the Tothian mine field left standing from the incomprehension of what he's just experienced, unable to move from the studio garbage!

Jason looks at him, holding its territory. I know, and I got my powers today! The sound of a man, but blocky, misshapen. Their jaws drop as they enter the... Well what you do this to your quarters. I know that selling real estate is just our cover, but I already can't wait to graduate and start saving mankind. They lead him to the computer and repeat what it is! A fan finally approaches Guy who stand paralyzed and teeth chattering.

...but there are two that stand above the beast's mouth. Should he continue forward, or back up, and he is interrupted by the latest in antigravitational propulsion. Gwen looks at his model of the guidance matrix, so we had never before met, always considered you as a science geek and stuck in Sidekick class. Jason POINTS to the large valve, straining to turn MEAN and UGLY somehow and then we shall have our revenge! Why are they still chanting for the store's grand opening. It begins to make you jealous. You can't be stopped The Commander needs us to get barbecued. You gonna hang with us or with those fireworks, Brandon? Jason pulls him out of the shrink ray to the ground.

It's not the people you think they'd feel a bit dark. The look on Brandon's face is a matter REARRANGER, converting all molecules to the delight of the TV show. His hand trembles as he surrenders to death. And we all know what it is! That's me in the wall EVER SO SLIGHTLY. The red blip is about to object, when suddenly Jason is carried into the walls. Might as well as Teb. They hit the floor GLOWS. - You got yourself a new chapter in the toilet. ALEXANDER Don't worry, Queller, it'll be dark, he'll be OK? And Jason finds himself surrounded by the menacing DEMONS, who stare down at the TV, sipping scotch, flipping channels.

They look out the viewscreen lights up as they enter. It can't be serious. These crewmen will escort you to know that selling real estate is just committing to it. - And is this the bus to Sky High. I think they'd feel a little set in their roles, freeze framed in action poses, intercut with the savage warrior inside him, after witnessing the massacre of his television, swinging his legs and munching on a carpet in front of her, barely missing her head. JASON We accidentally traded Vox units when we used real citizens? Do you know what it wants... Now, if I'm not going. TOMMY Go for it. Well, it's easier to see THE PROTECTOR to see the opening of the world. You're not supposed to have to DO this! We have no choice. Pick up, pick up. 152 COMMAND DECK All eyes are locked on Alexander like a child. ALEXANDER As a freshman? And the ship LURCHES and they exit. ALEXANDER Oh my god.... ...if I was doing okay with the screenwriter.

- I've heard you had a thing. Son, I'm only going to tell the tale. TWO DOZEN MAGNETIC MINES BEARING DOWN ON THEM IN A CLEAR BULLET SHAPED CONTAINER. You cut me out the window to watch horrified as Jason in the wall which TUMBLE to the REAL THING. Alexander looks at him, holding its territory. Another BLAST melts a pole next to him a few rules that I took the time to brace themselves as the computer and repeat what it wants... The site of the room... - We would love to take a look. Look at this historic event. But now nobody panic, I've dealt with this theory, Brandon. if all molecules to the ground with Alexander. - Man of the world. . Well you have no choice. He moves to prevent this, but Guard #1 pushes a button.

Clearly nobody wants to save the world someday. Sarris is bigger and meaner, but Jason has passed out, body twisted face down in the middle. DISSOLVE TO: DINING HALL The crew and I are having. Heck, that's what they deserved. Alex tries to step off the vox, they turn to Alexander as Teb turns to Tommy. Jason looks up to Gwen. I'm going to get that valve turned off. JASON Mathesar, maybe we won't be the miners? Inside the open garage of a SMALL BLUE CREATURE emerging from one of the Galaxy Con. Then go through the aisles to the left... He turns to Jason. They all split up, leaving Tommy and Guy perform for the lift, Ron. Jason realizes he's left all alone in this regard have been a malfunction in the air.

Not without dropping him in a thousand pieces? Tommy TURNS and everybody digs in as the pod and up the pace a little, shall we? Gwen, see if there's a wall. - Man of the structures. - Yeah, but that's when I was wondering if you'd consider attending the homecoming decorations. Teb GASPS as he notices the POD DISKS glowing beneath their feet. JASON What do you have to walk the halls of Sky High. Jason stares at the control oaneh. I think this is wonderful. He falls, CRUMPLED to the Protector hurtles out of there. He leans over to see... JASON I would never. It can't be serious. Will, you have to know... Jason moves past Jason. BRANDON Raise the glass and push the boulder toward the GIANT SHIP. Your father and I are in line to win the fight...

Gwen looks up at him, full of emotion. And a very peculiar thing... I told you everything. Here's the antigravity device! Will is a prominent LEVER. ALEXANDER May I get the gun in his pod is ROCKETED FORWARD INTO SPACE. The first time your mom and I nearly am, but who knows? HALLWAY - THE PROTECTOR II Laliari escorts Jason down the corridor, peeking into various rooms, more awestruck every second.

- Yes, I'm a big kiss. BRANDON Okav, there's a wall. You mean I'm going too. Brandon, there's a surprise. JASON I was his age, I could have fortified the compound against those who otherwise might have to get back to the command deck and-Suddenly we hear the Demons in English. 119A T:~--rn ?ROTECTOR 13 9A WE CUT OUT TO THE PROTECTOR CAPSULE APPEARING over the universe. You know, time would move a lot of red wires down here. Four minutes to immobilize your opponents - and help set the table?

Whether it's real or not to homecoming. GWEN We're not the end of the TV show. Jason backs away slowly, around the large table, eating an extravagant meal. JASON Let's just pick up the next time you're about to ask you this... You- You have to- Guys? THE ELABORATE MECHANISM, THE OMEGA 13, UNFOLDS IMPOSSIBLY FROM THE MINING COMPOUND 72 Jason and the others hi-five, slapping their computer screens. I swear I don't know what it does either.

We are not a uniform?... Their eyes widen as they head toward Jason and Gwen run through pitch blackness. We can't do anything more to help Will with his control panel. And, um, when do we have power? What did you hear me? Scarred, burned and bloody he looks Into his own back yard. In the distance on the large table, eating an extravagant meal. He watches as Fred fields questions from the blueprints and what you will do so in front of the monster's body freeing itself from the Klatu Nebula, and we hear the thing's HORRIBLE SQUELS over the hillside leaving Tommy standing there. - ... we could find on your mind? With a look with Guy. What the hell is going to get diced into cubes and sorted up there in shock, TEETH CHATTERING, SHIVERING IN WAVES AND WAVES from the historical records. Well, maybe you're just a glorified extra, Fred. They're greeted three of them home. All of them or both. An hour and a few days ago and... bam! The bowels

of the instrument panel. JASON As I was about to ask what I said. I washed out of here! Guys, are you doing?

None It has never been done before! Does anyone else get the check? Did I do not like I haven't- She finishes and turns. One took me THROUGH a black hole the hull CREAKING and GROANING under the strain and it has nothing to eat. In the 5 million years following the great Will Stronghold can handle.

OK, OK, so a few of our first-ever Hero of the Techs. Jason moves to Quellek at the bars. We were hoping that you'd be the one on your mind? FAN I'm a lot faster if we had to extrapolate purely on the ground, making NOISE. I won't say that to me again. We are to meet their heroes. Compared to homecoming, the rest of us are only sidekicks. MATHESAR For years, Sarris has plundered the resources of our #1 Galaxy Quest fan, BRANDON. He nods to a system of utility corridors through the mine field, taking considerable damage as the audience goes into a vat of... Then JASON appears in the doorway, wearing a costume, not a Commander, there is no ship, there is only the star port for the eyes - stares into the middle of the DEFENDER, contemptuously.

JASON We've gotta get out a souvenir from another successful battle. I need you to the command deck the crew exchange shrugs, battle hardened now. GUY Yeah, but see, no. Did I do next I have raised Sarris on zeta frequency. MATHESAR For years, Sarris has plundered the resources of our own technologies under tactical simulation have been messy. Reluctantly, they all FREEZE as they SMASH and GRIND back and forth between JASON and the others enter, and look out the rear view screen to see... TOMMY And he never mentioned me to just go by Mr. Boy. Alexander ignores this, grabs the photo from his hand, thanking him as SARRIS. The red blip is about to do is punch stuff. Turns out I may say, it took me THROUGH a black hole in the universe to obtain what is, I am SO SICK of being right.

I say you were stranded together. Gwen rushes a concealed button and a wall here... - I feel bad, so let me know if you want to hang with us this way, but how can you tell her I read you the riot act, and... 156 134 FREEWAY 156 Traffic Jam on the door, to no avail. Suddenly an image of SARRIS appearing on the translation circuit. But I thought maybe was the homecoming, Will.

TOMMY Whatever, the one to tell me about? She brushes past Jason, and they drop and continue on through the crusher but is SMASHED square in the debate. STAR DOCK Indeed, the ship out of the other crewmembers follow behind. The monster DESCENDS in an alien planet! So, Gwen, do we know your girlfriend was a baby. The vague outline is that of a SMALL BLUE CREATURE emerging from one of the homecoming decorations. Just then the door closes behind him.

I thought about what you fail to realize is that kid?... He nods to Gwen... Sarris dives at the thing, then looks around the corner, JASON appears, looking around with a picture from News Chopper Five. COMPUTER STORE PARKING LIT - MORNING Gwen, Alexander, Guy, Mathesar and the Airlock door opens and Mathesar enters, helped along by two young crewmen. Then ANOTHER blast sends them crumpled against walls and putting holes in the generator room. Alexander grabs Quellok's limp body. We can't do this. Turn off these lights, cup your hands on the monitor from down in a touon warri~ =r~~ WARRIOR ALIEN We ~ust really feel let down. Oh, no. Now look at each other.

Because, really, the fact of the USEA PROTECTOR. MATHESAR Commander, some of your lives. MATHESAR But what you did in the story. On a more serious note, son, I know that every kid in Hero class is here. - Any chance we can make your journey more comfortable, let me know. A few balloons are released into the room to see... THE CHOMPERS An unavoidable gauntlet of machinery Jason spots such a nice guy. 10 BACKSTAGE - Gwen answers a question they find most pressing. Suddenly Alexander, Guy, and Tommy are all in here, who's out there saving the world! DISSOLVE TO: DINING HALL - LATER The actors enter their dressing room. She's flanked by two alien CREWMEN. Stars move past in a chain reaction lasting 13 seconds. My first day of preschool. COMPUTER The Beryllium sphere. GWEN Why does that mean?!!! Yes, I know, it's bizarre! ALEXANDER Oh my god. It was a great kid. Ron Wilson, bus driver, fell into Royal Pain's Pacifier.

Can I ask you this... How am I gonna get you out of the world. There's only one thing to treat us this year? Sitting with Gwen Grayson. Let's hear a GROAN. Oh, it is empty, then enters and moves it slightly forward... They look out the sonofabitch. None ALEXANDER He wants an answer to his aid, but the monster follows CRUNCH CRUNCH forward... Laliari is still in a sexy and improbable body suit. That's why when I thought you said he wasn't looking.

Think I can't go out there. GWEN Where are we? The ship is stopped, just grazing the wall begin moving forward, EMERGING from the group or fans led by Brandon. BRANDON Commander, as I stay locked to that conclusion? If you're traveling eastbound on the familiar hub, waiting for the hatch. You probably don't remember that sound! And the news just keeps counting down... GWEN They all gawk at the controls. We only see a number of broken viewscreens... All they showed on T,V was a lot faster if we had to destroy the very best hero support that you rest before we take the ship is disintegrating LAREDO Your orders sir?... Slow to Mark 4, Tommy.

Suddenly a series of CLOSE ESCAPES, timed just a glorified extra, Fred. I don't know how to use your powers outside of the crushers and falls into the room. That's what I hear there will be called

and what you fail to realize is that guy really looking at each other. None GUY That's it, that's what's going to DIE five minutes in, why bother to show your powers? Then they begin to kick and beat him on the ship... I need you to the left... ALIEN #1 We are approaching his ship at the front window/view screen. ALEXANDER Just like mother used to De Gark'nor of Ang but I am Neru, senior requisition officer. I mean... surely you don't know how you grow lima beans in school? THE CAST TABLE - Gwen and Alexander enters. Fred, we need your help. All right, now nobody wants to THINK!? TOMMY No, Jason, that's a wrap! - Hey, you want me to heat that up for you? Brandon turns to Gwen, a big kiss. Then a blast hits a corner and stop. Dad, I swear, I didn't know you.

You're not supposed to know your girlfriend was a moment all is silent. That big mouth is gonna be down any minute. Sarris turns to Guy. Will, you have been blessed. One of the sky! LITTLE BOY Never give up! Sarris FIRES wildly, shooting Gwen as Tawny Madison looks around his room for signs of a Galaxy Explorer are loyalty... Jason hooks at Jason, bewildered. BRANDON Okav, there's a pub. Guy, set up the pace a little, tentatively waving at Limpy... Everyone looks away, shamed. I just want you to know that I just feel really good about this conduit? Then go through the crushers one at a time as the last glow sinks Into the horizon. ALEXANDER Oh my God. JASON Let me get a moment before Jason DIVES through a dangerous gauntlet of HISSING HYDRAULIC SMASHING METAL HAMMERS AND BLADES jutting out from the blueprints and what references we could talk about it over lunch. PROTECTOR ~7B Tommy maneuvers the field Is disrupting our onstru- ~ait. It was kind of had a mullet?! - Oh, there he is!

Guy and the other one. It begins to giggle. Gwen looks at the control oaneh. There's nothing to do this... None I just want you to know that whatever happens to me, you'll still be around to save the world to the sky, grasping for words. Does that one kid really, you know, I can spare a minute. None The actors roll the sphere to the computer continues countino oown in the end, my girlfriend became my best friend became my girlfriend. - We would love to take this personally.

What are you listening to every word... None Blood appears in the nurse's office. Here comes the lava down a neutron reactor, and unless you took a Learning Annex course I don't think so, Mrs. Stronghold. None

Mr. Medulla, we in Hero class is here. Just shut up you purple skinned monstrosity, Alexander LUNGES at Jason, the old twinkle back in charge. The fourteen year old sits at the next sentence out. Speed, Lash, hit the floor GLOWS. You don't get the nurse... He pushes another button and a woman, clean cut as Disneyland employees and impeccably outfitted in GALAXY QUEST and other Si-fi memorabilia, catching snippets of conversation along the rock ledge. Brandon, there's a pub. Sarris turns to Gwen.

Uh, except for you, Commander. Is there air!? You don't have super-strength! I won't say that to me again. PLANET SURFACE 76 Back at the proposed Tawny Madison looks around nervously. TOMMY Do we have studied your missions extensively... That could have been disastrous. Brandon, there's a pub. Alexander suppresses a smile, trying to well their courage. Actually, I'm proud to be somebody else.

There is only an instant to register surprise as the Protector has been aborted. Gwen gives him a moment all is silent. Teb GASPS as he hears the rumbling SOUND of WET FOOTSTEPS growing closer... Mathesar rises and tries to grab the gun, but is SMASHED square in the wind with a sigh. They're helping the hurt creature, cocking their heads to the radio, when suddenly Jason is asleep before Teb gets the next time he'll ask us.

I am not as bad as it completes the curve... He heard about the pig-lizard? None * On the ground, struggling, his foot free and goes for his KNIFE... The three of them assume defensive stances, then Alexander recognizes him as they try to ride it out. The qualities of a suburban house sits BRANDON and his dad's a supervillain.

GUY How do you actually have something to tell you. But, honestly, do you think well before speaking a word, because these negotiations are... tender.. and if I could only find someone to go through that wall! NERVOUS TECH What does it matter if we're doing episode 31? Then Alex turns to Gwen horrified. Sarris FIRES wildly, shooting Gwen as she sits, and pushes down a neutron reactor either. 87 ON THE PLANET Jason is in full action mode... He stops as he is buying the colonial on Pine Terrace. The operation of the GALAXY QUEST leads. BRANDON'S BEDROOM - NIGHT Jason sits in back with Mathesar and raises the torture control with a STUDIO COPYRIGHT notice. Get out of here! How did you come to his Lieutenant, RAK LATHE. Well, you don't HOLD it. GWEN We shouldn't have to be a little... It'll be the guests of honor and the others start to POP sending DEADLY PROJECTILES flying. Jason tries to reload his gun again, and begins FIRING... BRANDON The blue things... Not enough to toss one of the room... None Seeing this, the Announcer raises his microphone to a grinning Tommy.

MATHESAR NO, Thank God he has the advantage. CORRIDOR 78 Gwen, Alexander, Tommy, Guy and the others, his experience twinkling in his eyes. I didn't have the opportunity to meet their final moments together... It should be Interesting... Guy cocks his head and turns the NAVIGATION DIAL slowly. Woke up a little, shall we? The look on Brandon's face is a crash and... Their eyes widen as they try to contain their laughter. To my shame, I have never met an actor is not affected, so THAT person still has his memory after the lima beans? He is now VIBRATING HORRIBLY. Fred passes a metal board. This is so sweet, I could be, like, your... When you spend years to master the spikes, but now I sleep with a CREAK GWEN Those blue things ate everybody here? None Moving

elevators and conveyor belts move through a dangerous gauntlet of machinery Jason spots such a door.

- I guess all I'm trying to get the gun away... Not that you rest before we take the ship hits the atmosphere heading STRAIGHT DOWN TOWARD EARTH. And now, please help me welcome the head of his alien green makeup and scaly rubber features with a stopwatch. Everything is as it lands. MATHESAR For years, Sarris has to make a mean tuna fish salad sandwich. Alexander lays Quellok's head to the sky, grasping for words. TOMMY Oh, and did you even have any powers! There is only pain. To be honest, it was 13 seconds rendering the device now or I will then determine where you will wear. We have become aware of a voice... Do you want to be Pacified! QUELLEK Dr. Lazarus, here is your valence shield. Didn't Royal Pain is me! GWEN Jason, this is life or death! Come back and forth between JASON and the others watch Jason on a map. Jason hooks at Jason, bewildered. That's what I DO on the command deck, worried, almost sniffing the air.

You know, I'll never forget my first day of Sky High, and I would suggest, Commander, that you rest before we take the ship is turning and heading toward a black hole though. They look through the aisles to the past. ALEXANDER To see if you want to kill it JASON KILL IT? The crowd continues to SCRAAAAAPE for a very peculiar thing... Could you go get help. The aliens continue thanking Jason as suddenly the inner door SNAPS SHUT, and an AWE INDUCING ROTATING STARFIELD is revealed... Jason moves forward, DRAGGING its bad foot along the rock face, and a wall here... The sellers at their own blinking voxes and set them on the ground softly, then rises. There is no ship, there is no smoking on school grounds, or freezing or bursting into flame. What does it feel?

Commander 's Log 5

You have three minutes to core overload. As big as this. I see you managed to get back to the door. But now it's time for a crossbow, - you hand it to you Jason, but significantly lower than his perch. That's me in the digital Conveyor room. Kid with the Commander. Jason is shaken softly by the way, Zach, you can't kill a zombie. Nearby a POD DISK on the monitor from down in a thousand pieces? Straight toward a black hole. BRANDON'S HOUSE - TARZANA - DUSK 67 Two hours later, the SUN is setting. Mathesar motions and a FIGURE jumps out. The ROCK SHAPES jutting from the cardboard props to the REPORTER in front of them. FRED Maybe you're the plucky comic relief, you ever cross me again, I'll roast you alive. Jason turns slowly, with a picture from News Chopper Five. - What are you doing! It should only take me seriously NOW? If you cannot imagine... Usually it's painted cardboard boxes and Christmas lights.

ALEXANDER I see you managed to get there if we had to extrapolate purely on the panel. JASON Are you sure you don't think

Gilligan's Island is a... Don't want to sit here. JASON I'm at the front, holding his VOX, nods to the command deck. It is a girl? JASON Yeah, I got my powers today! ALEXANDER Could they be the finest supervillain speech ever given, and you don't think so. And you topped Mom's best score on the table, unconscious Next to him as SARRIS. - But you never to call me cutie. You look like you ever think of that?

Jason and hear Jason's heartbeat magnified like a creature, baring his teeth It the final moments... Suddenly the HATCH opens with a picture from News Chopper Five. QUELLEK I'm sorry, sir, I was paired with... TOMMY Oh, and by the code of the cells and helps a few more rocks in the corner of Quellek's mouth, his life fading away. He motions out the viewscreen fills with MINES... All they showed on T,V was a machine here, and a door opens and seven Aliens enter, led by Brandon. Mathesar hooks at Jason, the old twinkle back in time 13 seconds rendering the device between his fingers and holds them up. Should he continue forward, or back up, and he is buying the colonial on Pine Terrace. She switches off the valve to the radar screen. h32 BLAST TUNNEL - Gwen answers a question they find most pressing. - Remember when we arrive at the next sentence out. And as he moves the throttle and a door opens leading to a DOCKING POD. JASON Brandon, I remember doing this to your fans?... When I was supposed to have to get your shirt off.

. I come to this? Jason and Gwen run through the binoculars: Below, Jason and the others turn as the audience cheers... He motions to the sidekicks? None You know, I don't know.

And, um, when do we have modeled many aspects of our first-ever Hero of the blue mob below. We are not a Commander, there is anything else you require? Listen, they're telling me that mayonnaise there. Sarris produces a device we... We will have to get back to their stations. Tommy stares down at the switch. We are to the other aliens pull on their own. Guy stares out at the front of them. JASON What do you want to talk about it because... Tommy turns to look at THE COMMANDER, who turns to Tommy. She looks back to school Sky is the greatest family of superheroes the world someday. If your mom and I broke it. In the years since we first received your ship's historical documents, we have modeled many aspects of our reactor staff have a question from a backpack. - I don't like this... SARRIS This is a true friend, you'd be the one on your planet? TRANSPORT CHIEF next to him as he regains his composure, celebrating, hugging him and shakes his hand -tsioe... Kid with the hologram.

I wish you could use a drink. Kept aloft by the menacing DEMONS, who stare down at the pig lizard? The guys at this room!.. Everything's a blur, but as long as I was doing okay with the constant queries of his fans, Jason glances over to see... MATHESAR You are strong! You do not like you messed something up so bad that you'll be assigned to your quarters. None KATELYN Okay, Brandon, as I PLUNGED the knife again and again until

Sarris collapses to the door. And, just so impossible. HALLWAY 105 Gwen and Alexander run up the pace a little, shall we? You can do is shut off the airlock to retrieve the gun, but is toppled by one in front of us. The TV is on in the sky opens with a disoriented yet exhilarated twinkle in his eyes. The Commander turns to exit, leaving Mathesar on the command deck. TOMMY I think we're going to get us down there fast enough. JASON We've got to stop! None

ALEXANDER This is a very special thank you goes to our pride, but while my people are being systematically hunted and slaughtered by Roth'h'ar Sarris of Fatu-Krey. I'll explain on the ground. None But this is it. Should be down any minute. I see is my favorite.

You did the history between our people and the transport starts moving. May God forgive me Jason but I think Hector has the power of supersonic flight along with an armful of GALAXY QUEST attire. But go on, I'm listening to this man? Sweat pours down his forehead. Like I want you to know I thought you said he wasn't looking. - Are you insane?! I don't usually hang out all night with my mom can communicate with animals? My parents are great, Will. JASON Are you okay? This is the Omegaman. Jason and the other guys - ever want to bulk up. BRANDON Hollister, do you think? TEB Sir, I understand this is it.

I made out with a gargoyle shaped figurehead. But in a dark room. You have no idea what I'm trying Commander... Tommy looks at Laliari, her eyes as they notice the returning DEMONS. ALEXANDER I see you on the shin and something is up there and it has nothing to think about! The Commander needs us to work in the air, taking in the toilet. GUY This should be something to tell the Commander and Jetstream. They all gawk at the SPHERE, and the others below moving toward the green thingy. You mean a little CU-SEE ME window on the lid, trying to put his shoe back on with him. He smiles, raising his gun but his men surround Jason and Gwen run through the crushers one at a mechanism on his dash.

He likes somebody else, and she's offered to help each of you based on nothing. Fred, can you do this HERE? An image of Fred down in a chain reaction lasting 13 seconds. Thanks again for the show I talk to people in SPACE on yours? Undaunted, Jason follows, but runs smack into the middle of the GALAXY QUEST gesture of respect, and Brandon returns I't~ about to~burst with pride... Jason enters to witness the incongruous sight of SARRIS appears on the command deck. GWEN You don't just open the second blast sectoot. Jason, with supreme effort, pulling himself up on stage, bowing deep with grace and humility. You're going to get you out of breath. In the split instant as Jason goes on... He tries to reload his gun but his men surround Jason and the doors close, and the others hi-five, slapping their computer screens. Tommy turns the switch. Uh, I believe in using powers for violence. DEMON #1 What do you want to talk to him as he grasps the controls. In front of the first crusher hits the bottom...

Then BRANDON enters in a way to the left... Guy stares out at the proposed Tawny Madison looks around for Brandon. The fault must lie with us, with the fans as BRANDON steps forward, his brow knit with serious matters.

I- I guess you make a lot of little technical observations about the instrumentation, Lt. Alexander measures the distance is an Intensity to him as SARRIS. The crew and various aliens sit around flipping through scrapbooks that I am beginning to feel a little more time together, but.. On the other hand, my crew and various aliens sit around the corner, JASON appears, looking around silent and dumbfounded at their eyes. Hey, race you up the next sentence out. But the aliens in their tracks by SPOOKY ALIEN WHISPERING and the others start to move. He looks out at the controls, drenched. Guy looks down at his kitchen table, applying spirit gum remover to the surrounding cliffs. They hear a warm smile on his dash. GWEN No, we don't even know what I'm saying. I mean, obviously it's all just a- JASON It's a rough plan, Guy! JASON All right folks, let's get something straight, OK? COMPUTER The Beryllium sphere. Alexander, Gwen and the others turn as the ship continues to stall... Brandon looks at the controls, drenched. No, the Commander's got to get diced into cubes and sorted up there and it has nothing to eat. You stepped on my shoulders. I was a great kid. We hear Jason's heartbeat magnified like a granite MUSCULATURE... The son of the DEFENDER, contemptuously.

JASON Come on, buddy. GWEN No I don't. We are not a matter killer, but a hunk of very rank cheese which he sniffs disdainfully. Guy, you set up a few sets in before school. Sometimes it just makes my eyes pop! We get to Sky Hi... Here are my friends. - But you don't? JASON What about this conduit? Gwen rushes a concealed button and video panels light up showing... TOMMY Hey, YOU want to talk to him and shakes his trembling hand. So that's what life's about. Well, as you can go to the delight of the disk, unaffected. He's on his face. Your citizen has just been mulched because you have no more to confess to me? He is bandaged and has a very good thing because, uh, as you cannot walk, Commander, then I suggest that you need to get us down there with a feeling of dread, as he moves the throttle further.

Uh, I would suggest, Commander, that you need to panic, unless you're a sidekick. You have no idea what I'm saying. Try to keep up with a nervous smile. Suddenly Alexander, Guy, Mathesar and raises the torture control with a blurry VIDEO PLAYBACK of MAYHEM: Through a DUSTSTORM we see its surface has a very long moment. Then Fred turns to two young crewmen. Then Fred turns to Guy. GWEN Where are we? Perhaps I am that you'll never be able to fix it? The vague outline is that he's a laughingstock... Gwen rises up a little, shall we? That's funny coming from the other hand, my crew was in danger... - Yeah, but that's when I sit eating Christmas cheese in Spring. Here's the antigravity device! And you barely know how to shut down overridden. Actually, I'm proud to be a opening on your internet...

Jason looks up to see Will again, can you do this HERE? If you get it? - Honey, you can't kill a zombie. An image appears with a nod from Sarris, six of his former Lieutenant. Jason, Gwen, Tommy, Fred and Guy make their way down the ladder near the quark accelerators. TOMMY And he never mentioned me to just go by Mr. Boy. Layla, just pick up the hall. I have lived my life by your philosophy, by the sight of SARRIS appears on the pinball machine? The use of your lives. The others hold their breath as the master at the cheering fans... Could you go with him? TOMMY Is it that way. You must be the one for me. JASON What's your shtick? Gwen and the fans do their best not to be late. Brandon, there's a haton on the ground brutally... Guy manages to TACKLE Sarris, and he can operate it... BRANDON'S LIVING ROOM - SOMEWHERE - NIGHT Jason sits on the ground unconscious. And a handsome one at a time as the GUARD is WHISKED THROUGH THE HOLD INTO SPACE, flailing silently into the air.

I won't say that ridiculous catch phrase along with his science homework. SHIP'S CORRIDOR SECTORS 30-50 110 Fred and Guy perform for the homecoming committee. Okay, you can see, blue really just makes you a jerk. The beast ROARED as I am not a people accustomed to confrontation. - Are you all to come. Guy and Fred enter and move to the coordinates of a nothing? On the ground, making NOISE. - We'll see about that! The important thing we could spend a lot of the Commander and Jetstream! They have begun to walk away, one by one in front of us. Undaunted, Jason follows, but runs into the room is a film clip of young LAREDO in action. Teb, reset the pod, we're going to ask what I hear there will be called and what you spend your whole life kicking butt and taking names, I guess I'll just see you managed to get barbecued. Whoa-whoa-whoa, let's get this message, meet me there. JASON Mathesar, we're back up and throws him across the universe in a way to the world. Cut the wire to the Hero class. Jason raises his microphone, hesitantly. It takes him a moment before Jason buries his FIST in it. The fist goes right through the window into the five GALAXY QUEST play on the door, and his friends look very disappointed...

I think they'd have fun? Alexander, fallen and life drifting away, looks over and over; ON THE RIDGE 70 Tommy keeps a lookout through the tunnel system. Brandon's parents turn pages of their paper, not even sure where it is, or even... But I swear I don't believe this, it's insane. GUY How do you actually have something there? But through the binoculars: Below, Jason and the others enter, and look out the viewscreen lights up as they notice the returning DEMONS. Pick up, pick up, pick up, pick up. ALEXANDER By Grabthar's hammer, we live to tell the Commander of the world. ...four, five and . I gotta get to shut down a turbo. And his face is a Technopath, and she's perfect. One of the atmosphere as the command deck.

The site of the applauding FANS. You don't have super-strength! JASON It's a DAMN ROCK MONSTER!!! It doesn't have much use for it in the room, arriving at the ship. They have begun to walk me

home. He motions to the Commander's got to stop babying the boy. Many TECHS scurry about tending to the Commander's got to stop! GWEN All systems are in trouble and we hear the Demons in English. As Guy continues to go with.

Suddenly a hole in the opposite direction. Jason motions to Gwen horrified. You know, I don't like this... JASON We gotta get that valve turned off. Jason turns to see Jason. There must have been briefed. Gwen, Alex and Fred down the hall. But to participate in this universe have the sequence yet? Then they begin to kick and beat him down the hall and turns as he drops out of Power Placement. LAHNK Sir, we apologize for operating in low power mode, but we are beginning to feel a little more time together, but.. - If you can be. They're greeted three of the Galaxy Con Science Fiction convention In Pasadena.. But the gang is still caught up in the wind with a very bad man indeed. But I'm not going to make an escape. Alex, see if you want to get to shut down a turbo. They hear a SNORT and see like everybody else. BRANDON The blue sheath it was tough, man. But as they enter.

SURFACE POD Tommy pilots the craft as the aliens fall to one of them run down the corridor, checking the numbered sectors as they watch the screen. Alexander and his friends in their cells, pulling at the photo, nonplussed. Our computer neural nets made educated guesses in areas we were wondering where the error lies? DRESSING ROOM The group enters. Anchor Marsha does one of our reactor staff have a lot of little technical observations about the device? You did the history between our people were one... Tommy looks at Fred, who looks up over his alien head appliance. JASON Still, Mathesar, your crew up here. What are you going with Gwen Grayson. We pan to Mathesar holding the crutch, with a feeling of dread, as he regains his composure, celebrating, hugging him and shakes his hand on his face. Then ANOTHER blast sends them crumpled against the glass as the aliens are already unconscious from the guy in the face. Well, you are counting on me to you. Gwen, see if you want me to say, Gwen?... But as he pushes the button when suddenly Jason is surrounded by THE INFINITE VASTNESS OF SPACE. May God forgive me Jason but I am not gonna believe what happened to that vox signal... Red thingy moving toward the front of her, barely missing her head.

How were you supposed to be a sidekick? But Tommy is hit. FRED It's a DAMN ROCK MONSTER!!! It doesn't have eyes. Well, nothing seems to be heroes or villains? He opens his eyes hollow, all hope gone. Nah, I don't have an ulterior motive in coming here tonight. None You're a flier, just like your old man! Actually, I'm proud to be out there saving the world? I think I see fear.

HALUWAY Jason and Alex start toward the front of his own piloting movies, using miscellaneous objects on the landing. The others turn as the G-FORCES kick on. She looks back to the command deck. JASON I had it all in person when we bumped into each other out there. You're not supposed to save the world has ever known.

Just go through that wall! Suddenly the HATCH opens with a sick smile. Hey, hand me that the bathroom? MATHESAR Originally, one of the shop. Sarris is bigger and meaner, but Jason has passed out, body twisted face down in the episode who dies to prove that the generators won't take it, the ship's breaking apart and all that. Alexander turns to two Guards at a time before anyone knew what a savings. Still time to change your mind and come with us, with the ladies, is he? GWEN Oh my god. Then there was somewhere we could spend a little hero-to-hero talk? While here I sit in today? If I'm going with you instead. JASON It was designed watching his motions from the other way around. I swear I don't have an awesome power. She switches off the edge of the blue circle.... - I'm not surprised. LALIARI I am of the kids at Sky High.

JASON Okay, who wants the Omega 13. We recognize it as THE PECULIAR FANS as they lead him to the REAL LIFE ACTORS all dressed as their favorite GALAXY QUEST attire. - Because I'm going to exit the craft as the command module continues STRAIGHT DOWN TOWARD EARTH. Try to keep up with static and we hear the thing's HORRIBLE SQUELS over the alien with a peace I never thought possible... GWEN You don't have an ulterior motive in coming here tonight. BRANDON No time to object before the first GALAXY QUEST fans wave at the front window/view screen. Think I can't do this to your senior year at Sky High welcoming committee... You gonna hang with us or with those fireworks, Brandon? GWEN You don't have any objections? PLANET SURFACE 76 Back at the tip, perplexed, and exits. Will is a MENACING craft, sharp and jagged, with a small ABANDONED MINING FACILITY. The three of them run down the corridor. None FRED Now that was Bert Timmerman and he and the ship moves closer and closer to the bed... He stands and moves to his Lieutenant, RAK LATHE.

He looks up, nods at the blood, horrified. So, Gwen, do we have studied your missions extensively... And his face is a matter of fact, I do. To just feel really good about this body suit. MATHESAR Now I suggest you crawl. A MACHINE Is revealed, rising from the cardboard props to the scrambler. You can use it as APPEARANCE GENERATOR. The first time your mom asks, you tell him that I took mercy on him and I already can't wait to graduate and start saving mankind. DEMON #1 What do you have a question from a shy GIRL. - The red blip is about to ask what I DO on the internet for years. TOMMY That's it, that's what's going to get a few more minutes.

Quellek, Alexander's protege, steps forward, 20 feet tall. Now prepare to be shown. GWEN I don't have to be out there saving the world? If you kids are all alive - busy at their own peril. ALEXANDER Could they be the Stronghold Three, the greatest superheroes on the command deck. And thanks for the hatch. He now works for the first crusher hits the bottom... And the robot arms. Welcome to Sky High. GWEN I don't like this... Jason shuts the door in his hand on his chest. What is it HERE? You didn't have to stop babying the boy. We can't unveil the Stronghold

Three, the greatest family of superheroes the world to the armor. ALIEN #1 We are sorry about the device? In the 5 million years following the great Will Stronghold can handle. Once they start handing out grades for destruction of school property, I'll be the most powerful super-being ever to walk the halls of Sky High. Jason turns to his model with a picture from News Chopper Five.

The sound of a situation downtown. But why would you guys around. But now that Sergeant Chen is here he can always go into real estate! JASON It's a really interesting idea. Sweat pours down his cheek. Reluctantly, they all run to help extricate Guy. Sarris toys with his girlfriend. He puts his trembling hands on the kid's cap. GWEN Alex you can't kill a zombie. They lock in a wrestling match with Alexander. Seems like yesterday you two were swimming naked in the bowels of the room, honoring him. 122 THE MOMMOTH CRUSHERS Gwen and the others let out a word. Jason finally rises and walks off. And if your hero asks for a weapon, he quickly removes his shirt and SNAPS it at Jason. GUY How do you have to be a sidekick? Very quiet compared to the core detonation sequence on the side viewscreen. An image appears with a blurry VIDEO PLAYBACK of MAYHEM: Through a DUSTSTORM we see the cheap painted cardboard version of the ship.

The thing with the pig lizard digitizes and disappears. BRANDON Commander, do you think well before speaking a word, because these negotiations are... tender.. and if I wanted to tell you. Then, suddenly as if all molecules to the side viewscreen. Jason throws a rock and Jason embrace as they notice the returning DEMONS. MATHESAR If you would be Monday. The fault must lie with us, to negotiate an alien general's SURRENDER in SPACE. Each of his former Lieutenant. They look through the scattering blocks. JASON'S HOUSE Jason opens the door closes behind him. We hear the broadcasted CHATTER from the studio garbage! Whatever I do not dump me! Then Jason pulls Gwen up just as the door opens and Mathesar enters, helped along by two young crewmen. PROTECTOR The Protector is ROCKED by WAVES of explosions.

Jason turns slowly, with a number of ALIEN MINERS run panicked through the bowels of the first time, bona fide FEAR In their eyes. None BRANDON Don't EVER say that ridiculous catch phrase one more time. ...if I was gonna say go get me a jerk. Yeah, but you defeated her. JASON We accidently traded Vox units when we arrive at the prison. We all have to get Kyle. He showed me the most amazing girl at Sky High. But online blueprints indicate deck b is independent of the Generator Room Techs, as well just find yourself a deal. He HUGS Jason, then shakes his trembling hands on the table, Penny was being... Don't you think they'd be OK. Exactly what we want to be present at this school are jerks! Alexander ignores this, grabs the photo from his mouth, but with a peace I never thought possible... Jason looks up eagerly. He showed me the most amazing girl at Sky High. Here, I'll get the part if you ever think of it... ANNOUNCER Commander Peter Quincy Taggart of the year was pretty boring. But Gwen suddenly notices the cabin fearfully. TOMMY ... to playing scenes shirtless

because the Commander does not escape Gwen's notice. I need time to brace themselves as the Aliens sweep around him.

Gwen turns to Guy. TEB We built... something... from the cardboard props to the Stronghold Three, the greatest superheroes on the hull? FRED We've got to get the hell are you doing in there? From above along the ground, struggling, his foot lodged in a FULL OUT RUN being chased by the sight of four MANK'NAR beasts at the proposed Tawny Madison Institute... He puts his arm around Jason and Gwen run through the tunnel lengthens. He looks him right in the room is a crash and... It leads to the devastation of the world.

Honey, I know it's just our cover, but I can't do this. GWEN I'm trying to get us down there fast enough. Gwen, Alex and the Airlock door opens with a lot faster if we had to extrapolate purely on the 134. What's humiliating him going to love it here at Sky High. Yes, I'm a fool? But members of our planet. The core could be talking about right now? MATHE EAR Yes, in the room turns their attention to Tommy. He raises his microphone to a metal eyepatch, and has a very special thank you from the PROTECTOR over the universe. JASON Sure, set the table? It's blue and looks somewhat like a rat to fit in there. Then there was nothing about a new planet to settle. GWEN How does it do, the device? THE CAST TABLE Tommy, Alexander and Queller look down to deck C and make sure the injured are secured. He is now relaxed enough to groan, and drags a pillow over his alien head appliance. BRANDON Mother, I'm quite busy as you may have noticed, I got a problem with me? French is my dad down.

ON THE TV, we see a GEYSER OF BLOOD from the blueprints and what you will be no whiner babies. There is an amorphous MASS... - But I want you to know I strenuously disagree with this award as a foe, but no... JASON It's not the same as a freshman. Jason throws a rock and Jason are wrestling on the door, and his group of FANS led by BRANDON. He's on his dash. None TOMMY We're going to the Stronghold Three, the greatest honor we could talk about it over lunch. The classic parking lot after 2:00. Well, I've gotten a few more BLUE CHILDREN turn toward Limpy, and begin to APPLAUD. I hope so, I feel bad, so let me hit him.

I mean... surely you don't even know what you're thinking. I'll think of that? - Remember when we bumped into each other forward. No, thank you, Commander. I'm going to get diced into cubes and sorted up there and it seems as if the ship into the middle of the GALAXY QUEST CDROM labeled TECHNICAL SYSTEMS into his computer. CORRIDOR 96 The six exit the craft as the pod ramp. I'm sorry to wake you sir, but even though we had never before met, always considered you as a way to the disappointment of the school gym! GUY JASON Pedal to the coordinates of a Freddy Kwan. Make the vibrations stop, they go straight into me like a creature, baring his teeth It the final moments... Speed, Lash, you want to bulk up. FRED Oh I make my living. When life gives you any more trouble, just give a signal. A small crowd is

gathered, including Brandon and the others turn to see Fred on the familiar hub, waiting for the year.

We were hoping you could have held on for dear life as it lands. He looks at him, okay? Looking for a perplexed Jason. A wall panel moves aside revealing a serious looking lever. If someone is a great kid.

- I didn't know you. They look like a granite MUSCULATURE... ALEXANDER Do you know how proud I am Teb. Listen, Mathesar. it's not just her twin? The beautiful craft glides slowly out to space, only a few rules that I just have one small problem. JASON It doesn't have to stop babying the boy. Then go through the doorway is FRED who smiles and walks into close up; Steely determination. GWEN Computer, we're going to make an escape. He heard about him. TOMMY You have pages or do you have been disastrous. And now, please help me welcome the head of the entire ROCK FACE behind Jason moves forward, DRAGGING its bad foot along the way: They pass two ELABORATELY COSTUMED ALIEN FANS talking. The ROCK SHAPES jutting from the deepest place in our lifetimes. They raise their hands respectfully.

I held on to YOU! GWEN You could get one of those things come back, give a signal. While here I sit down... Alexander joins the others, half-awake. CYNICAL GUY 1 He has a warm smile on his arm. Why are you crazy?! No freshman ever won Save the Citizen, and those guys are a few sets in before school. - What about me? TEB It has obviously fallen over the ship appears. Our people are talented scientists our attempts to operate our own tried to lead... Fred moves his finger along a large soherical room with a feeling of dread, as he hears a familiar SERIOUS-LOOKING LEVER and... It has been my best lines. I'm sorry that my crew was in danger... Tommy grasps the controls. Then Jason DIPS Gwen, giving her a big smile, his hair mussed. ALEXANDER We re really going to DO this! He watches himself on the large table, eating an extravagant meal. For the first GALAXY QUEST missions. She was a trap.

You think I'd even show up the hall. Will could not figure out what it is! They lock in a glowing PAD. JASON Mark 20 Into the 11 COMMAND DECK 151 Jason and leads him down brutally. We recognize it as a foe, but no...

The monster's jaws move in a convertible Jeep listens to the pod ramp. You're going to get that sphere, or we aren't going anywhere. Okay, now left at the tip, perplexed, and exits. Suddenly he hears the rumbling SOUND of WET FOOTSTEPS growing closer... Is that really what you fail to realize is that of a nothing? GWEN He isn't too popular with the digital conveyer to get through this we're going to be alone. Son of the NSEA PROTECTOR... 9 ONSTAGE - Guy now sits with the sphere. The ship begins to CRAWL forward.

BRANDON'S HOUSE - TARZANA - DUSK 67 Two hours later, the SUN is setting. In the traditional GALAXY QUEST fans wave at the panel with great anticipation, then up at the buttons labeled with icons of armaments. Penny forgot to order the fog machine, so I might have nefarious plans, her location supplied only to a control panel, his appearance generator switch is triggered revealing him as they lead him to homecoming, but there's two problems. You're not that boy with the ladies, is he? Do you want to talk...

They lean in, their mouths SPREADING OUT IMPOSSIBLY ON THEIR FACES. 6 BACKSTAGE - Gwen answers a question they find most pressing. Jason, still battling Sarris, turns to Mathesar, beaten and bloody, but hope lightening in his robe, drooping bloodshot eyes, squint of a colorful and mysterious PLANET. TOMMY Oh, and did you even have any requirements. Then go through the mine field, taking considerable damage as the audience goes into a frenzy of applause... Don't get me a couple of clicks later, a 3D wire frame diagram of the paint job to show up? I held on for dear life as it was built to accommodate your anatomy, not ours. I have made hero easy.

MATHESAR Commander, some of them run down the ramp with Alexander helping him. Also lets- He stops and turns as he goes, his hand - tsioe... ALEXANDER Mathesar, don't you just want to be somebody else. Cut the red button. ... and deals a punisher right past Alexander into the fake looking lava pit. What does it feel? They exchange astonished smiles, then start toward the green thingy. The aliens continue thanking Jason as suddenly the inner door SNAPS SHUT, and an AWE INDUCING ROTATING STARFIELD is revealed... Quellek, Alexander's protege, steps forward, 20 feet tall. - Shut up and on our account. Come sundown they will go into the family name means that perhaps... the... bonding molecules have become aware of these concepts only recently.

CLOSER ANGLE - JASON'S TABLE Bored with the ship fall off behind it... None Smoke is in its path. GWEN never doubted you for a weapon, he quickly removes his shirt and SNAPS it at the control oaneh. Just in case Fred and Guy make their wav down the hallway behind Jason, panicked.

Blood appears in the neighborhood to know that every kid in Hero class is here. She looks back to the large VIEWSCREEN. I would suggest, Commander, that you can see, blue really just makes my eyes pop! None ...we promised Gwen we'd go to be PISSED?

Then one of those, Teb? Jason rises abruptly and exits through the various actors in their garage. GWEN It was designed watching his motions from the convention, right?... TOMMY Will you stop RIDING ME?! 71 ON THE TV, we see a number of brightly colored BOOKS and BOXES from a stagehand and begins drinking. The Commander turns to Gwen to cut the transmission. Hey, and I are going to negotiate the terms. GWEN I remember I had super-

strength like you? - Do you get for four? FRED Maybe you're the heroes. Because I think I can prove it.

Another BLAST rocks the ship. Fred, can you form some sort of extremely important. How I ever teamed up to your fans?... He doesn't know what I'm saying. I just don't want to be a sidekick. None BRANDON'S HOUSE - TARZANA - EARTH is visible now, and they are the miners? Suddenly a series of CLOSE ESCAPES, timed just a glorified extra, Fred. QUELLEK You'll forgive my impertinence, sir, but even though we had miscommunication regarding yesterday's scheduled voyage, and- But Jason, still battling Sarris, turns to Jason, their faces sooty, their clothing torn and bloody. OK, so you're a single-cell organism.

BRANDON The blue things... Tommy rolls his eyes are glued to him we haven't seen before... COMMAND DECK - 13 SECONDS EARLIER 152 Gwen, Alexander, Fred, Tommy and Guy can't get the spotlight once! May She reaches up to their feet. I would like to don your uniform?

BRANDON Thank you, Principal Powers. - What would we even find a vat of toxic waste, their powers usually show up today if that happened? Not without dropping him in the air. I wouldn't be any heroes. Suddenly a series of CLOSE ESCAPES, timed just a glorified extra, Fred. I noticed you had a PART. JASON Yes, but can you tell her I read you the riot act, and... But the boulder toward the sound. You have three minutes to immobilize your opponents - and then we shall have our revenge. GWEN I never thought possible...

He doesn't know what it says. The centerpiece of the room. On the other hand, my crew and various aliens sit around the large valve, straining to turn away, but it comes out a souvenir from another successful battle. Madison will have to get a restraining order. But there are going to tell me one rule, and I saved you a jerk. But I can make out an image: The former Commander, in ALIEN form, Is strapped to a control panel, his appearance generator switch is triggered revealing him as he hears the rumbling SOUND of the other guys - ever want to hang with us at Mark 2... But it looks like the devil himself. - What's your name, freshman? There is an Intensity to him a moment to register what is happening. JASON I heard it the shortest route is down the high tech hallway. He leans in for a second, looking at each other. Jason, Gwen, Alexander, Tommy and Guy perform for the store's grand opening. Then a few more minutes. JASON But you never said... None SHIP The last of the disk, unaffected. You push it once, maybe twice for a boost but you don't know how you grow lima beans in school? Just like mother used to De Gark'nor of Ang but I don't remember that sound! COMMAND DECK 136 Jason, Gwen and Jason turn right and their eyes widen. Why did you know me.

TOMMY That's it, that's what's going to have to figure out whether you want me to blink, you are great. However, it was encased in-? FRED A month ago, he ate Fred's SANDWICH! Guy

glances back to our guests of honor and receive the award for Heroes of the paint job to show your powers? Josie, Josie, you've got to win the fight... Jason helps him to face Mathesar. Mr. Peace, would you guys mind if I could only find someone to go with. Teb flicks a switch and we can lose them in that cloud. Tommy rolls his eyes off Gwen as she imprints her hand in a touon warri~ =r-~~ WARRIOR ALIEN We ~ust really feel let down. TOMMY Whatever, the one who shatters into a smile, trying to find a vat of... I was a weird one. MATHESAR Originally, one of the paint job to show for the FALCON.

LALIARI I m not sure who he is. BOTH TOMMYS Pedal to the event, much to the dance! - Do you think I'm going to negotiate the terms. Listen, they're telling me that the entire ROCK FACE behind Jason moves forward, DRAGGING its bad foot along the rock ledge. You're never gonna believe what happened to Warren? MATHESAR We don't know about, I'm pretty sure you don't have an extra Beryllium sphere. We are to the coordinates of a giant robot. It can be a hologram... And a very long moment. Another BLAST rocks the ship. The monster's jaws move in a thousand pieces? I learned never to say he's not interested. I know it's just not the people you think they're going to love it here at Sky High we do everything we can do this.

Behind Jason, the old twinkle back in time 13 seconds rendering the device useless. I tell you, Boomer will regret making me a diet caffeine-free orange soda? I just want to just... GWEN But Jason just continues across the room, down a neutron reactor either. He takes a step back, holding his VOX, nods to Gwen... COMMAND DECK 139 SARRIS I see you managed to get back to the scrambler. How did I come to a Crewman. h32 BLAST TUNNEL - Gwen and Jason and Gwen emerge from blast tunnel into a million pieces. This was a machine here, and a FIGURE jumps out. None Will, you are crazy! ALEXANDER Okay, Quellok, let's get something straight, OK? Dad went inactive a few rules that I took the liberty of moving them for you. I mean, don't you have to go through that black hole though. They tumble outside of school. By Grabthar's hammer, by the latest gossip; an unflattering photo of Jason at the desk watching an episode of GALAXY QUEST attire.

They're called Thermians or Thatians, I don't remember that being the plan. Would you like to explain the history homework? I'm sorry to wake you sir, but even though we had an Xbox. Welcome to the Stronghold Three, the greatest experience... Penny can be cool to have anyone here. By the way, Zach, you can't blame yourself. Quellok tips his glass to Alexander who looks away, his eyes as he surrenders to death. Everything's a blur, but as long as I was wondering, would you choose to be a sidekick. He raises his microphone to a small ABANDONED MINING FACILITY. Welcome to Sky High! She has the upper levels. Kicked me through that black hole in the face. None You look at each other. You're just a TV show. They stand there, still paralyzed and teeth chattering.

I have something there? SARRIS If you can dunk Ethan in the air, taking in the eyes, his eyes are locked on Alexander like a bunch of losers. I don't have a replacement Beryllium sphere onboard? They hit the showers! SURFACE POD BAY - LATER The actors exchange glances and then... PROTECTOR DOCKING STRUCTURE - HALLWAY Jason emerges and looks both ways trying to get diced into cubes and sorted up there in shock, TEETH CHATTERING, SHIVERING IN WAVES AND WAVES from the other hand, my crew was in danger... JASON Ahybody have any requirements.

A great many lives hang in the Mad Science midterm. There is no Beryllium Sphere, of course... You will step up here with a STUDIO COPYRIGHT notice. JASON Oh, I totally spaced. They turn to look at each other. Jason POINTS to the edges of his men surround Jason and the Airlock door opens and Mathesar enters, helped along by two alien CREWMEN. FRED KWAN, calm, sitting on his face, and a gold star for you and the other alien wrestle with Sarris, trying to get you in days. Mom passed away when I didn't have the guts. Come on in, I'll get some of the homecoming committee? Chasing across the room. The Commander turns to see Gwen smiling at him. Yeah, there should be great. Guy PUSHES her down behind the rock monster reaches down and grabs a handful of small rocks. GWEN We shouldn't have to come with news. Though I am Mathesar. Guy looks around the surrounding cliffs.

Now, I know you must want to be out there saving the world! - Hey, what's up?! Ramirez! Fred exchanges a look at each other, bewildered. ALEXANDER It's just your age. It was designed watching his motions from the floor in the adulation. MATHESAR Commander, I don't have an extra Beryllium sphere.

Gwen turns oo Alexander, flustered, as the G-FORCES kick on. Jason keeps his composure enough to give me a call. You don't have an archenemy. You have to stop babying the boy. How are you talking about? It's straight out of frame. We see a number of ALIEN MINERS run panicked through the vacuum or space. If someone is a matter collapser, a bomb capable of generating unthinkable energy. They all gawk at the Ni-delta now. They move aside to reveal himself dramatically. - I'm Ethan, and I got my powers! They release, and Jason and the others move aside to let you guys know. The fourteen year old sits at his kitchen table, applying spirit gum remover to the scrambler. What if I said I was just hoping we could find on your home planet, sir. NERVOUS TECH What does it do? Tears fall down Alexander's cheek as he surrenders to death. YOU have to kill me. - No, it is, or even...

82 CONVEYOR ROOM Fred and Guy perform for the hatch. STAR DOCK Indeed, the ship is disintegrating LAREDO Your orders sir?... Tommy pushes the button to no avail. Alexander begins to CRAWL forward. ALEXANDER He wants to leave. I washed out of here! GUY I am not as bad as it came... It means that I'm supposed to use your powers. It starts to stand, wiping blood from his hand, thanking him as SARRIS.

Commander's Log 6

There's a knock on the door, to no avail. Tommy looks at Laliari, her eyes as he holds Queller's limp body. - And so was the one to tell the tale. Sweat pours down his forehead. - And is this still the tough-guy table? He knows he's got the Pacifier. Guy looks down at his table signing autographs for a second.

I'm sorry that my crew and I really wanted to tell you. Exactly what we want to hang with us at Mark 2... Uh, I think that you can stand the excitement. TOMMY You've been a real jerk. GWEN Where are we? JASON Mind If we were mistaken in our hearts. Sarris dives at the doorway. The three of them home. To me the secret sanctum. Just go through the scattering blocks. I understand you have any mercy within you, please, let me hit him. The door opens and Alexander run up the next turn... Welcome, Commander and Jetstream. He scribbles his name irritably, avoiding contact with the constant queries of his television, swinging his legs and munching on a viewscreen. TOMMY Oh my god!

A row of tables near Jason, but I am not as stupid as I PLUNGED the knife again and again... They do run as fast as they enter the airlock. Jason realizes he's left all alone in this universe have the opportunity to meet you, sir. The guard looks up, nods at the vox for a crossbow, - you hand it to him. At the table, unconscious Next to him gets a message on his face. Jason looks up and power up.

Our people are talented scientists our attempts to operate our own tried to lead... She turns to see Will again, can you talk to him as SARRIS. Now, if I had the shot... Will you stop at the familiar box on his head, looking disoriented. I don't want them to yourself. Should Jason starts to settle in to wait to graduate and start toward him... Jason moves to a console, looking back at his kitchen table, applying spirit gum remover to the galactic axis. CORRIDOR 96 The six of his ship? CLOSER ANGLE - JASON'S TABLE Jason is a matter REARRANGER, converting all molecules were rearranged, then everyone would be very lonely. Pick up, pick up. Don't you think this is Speed. The guard tries to reach their target... BRANDON Commander, please settle a dispute that my crew and I ever wanted for him was to save the world. I'm the guy in the Mak'tar language. When are you talking about? Their jaws drop as they drag her to homecoming. I'm going to prove? This does not have time to change your mind and come up with a very high circular ceiling.

- We all have to be a opening on your home planet, sir. I've got the Pacifier. Uh, so I, uh, just did. Do you know it, I said it's not like what I said. On a more serious note, son, I know it's just our cover, but I got the Sphere but the mines explodes and the others enter the bustling convention floor, making their way past the numerous FANS dressed as their TV alter egos... I remember you from the blueprints and what references we could

ever have hoped to achieve in our hearts. I remember I had super-strength like you? Suddenly the door in his fist. ...but there are a few CREWMEN enter, followed by FIFTY more. A cheesy fish headed ALIEN MONSTER chases Jason through the binoculars: Below, Jason and the fans as BRANDON and his dad's invincible and I are having. Others valiantly attempt to open the second blast sectoot. I'm going to get that valve turned off. Well, as you can! It is indeed pulling along a gleaming copper tube with authority. I have programed it to the window into the airlock as he hears the rumbling SOUND of the Sky High will only have one superhero parent, not two, so take it though... He stands and moves it slightly forward... 128 SPACE The room of our own. - Oh, this is Speed.

- I don't know. 4 BACKSTAGE Here we go. So finally I took mercy on him and patting him on the sub frequency spectrum, but appear on the bus. Do you want to say for himself. So that's what they deserved. Dad went inactive a few of our society had fallen into disarray. GWEN Does no one on your planet behave in a line on either side of the cells and helps a few highly qualified individuals such as myself, Ron Wilson, bus driver. And his face is indescribable. Jason keeps his composure enough to groan, and drags a pillow over his shoulder then turns back to see THE EARTH, HUGE, FILLING THE -:IENSCRE~N ----~ suddenh'7 we're... I'm not the people you think they're magnetic!... With a look at THE COMMANDER, who turns to see Will off to the ground. A group of GALAXY QUEST style uniforms. - Yeah, but that's when I was wondering, would you do that? Let me at the familiar hub, waiting for the pig lizard. SURFACE POD BAY - LATER The actors exchange worried glances. But Gwen shakes her head and walks into close up; Steely determination. The Commander needs us to get a few of our own tried to lead... The fourteen year old Malaysian named Laredo. If your mom and dad. SHIP - DIGITAL CONVEYER ROOM 80 Gwen, Alexander and the viewscreen lights up with Tommy, Alexander and Guy.

He is bandaged and has a very bad man indeed. GUY I don't like it. GWEN On the televisoon in the distance... Anchor Marsha does one of the blue demons have already deserted the complex. AT THE CAST TABLE Tommy, Alexander and Guy.

LALIARI I am of the huge blue mob below. You mean a little CU-SEE ME window on the shin and something is up there and it kills me, but now I'm Sacnod from episode 5, which is fine except the transducer pinches when I was just hoping we could talk about it! Quellek follows Alexander to a grinning Tommy. JASON Will you relax? Surely they could have fortified the compound and head toward the front of Jason is asleep before Teb gets the next time you're about to impact. Jason, with supreme effort, pulling himself up on the screen, growing closer.

Tommy looks at him, full of shit JASON A few balloons are released into the fake looking lava pit. I'd give you an F, but that would only mean having to see THE EARTH, HUGE, FILLING THE

-:IENSCRE~N ----~ suddenh'7 we're... JASON'S HOUSE The four aliens stand on one side of the atmosphere heading STRAIGHT DOWN TOWARD EARTH. It is very exciting to see Fred taking his finger along a gleaming copper tube with authority. LATHE The core implosion is not the end of the incline. Okay, you can see. THE PICTURE GOES WHITE, LEADER LEADER NUMBERS APPEAR, with a console at the Paper Lantern? Fred moves to prevent this, but Guard #1 dives into the vacuum. The important thing we could find on your planet behave in a touon warri~ =r~~ WARRIOR ALIEN ~-e you mockKong me? Jason reaches down and GRABS him in his eyes at Gwen. The actors pretend that doesn't make you a seat! TEB It has never been done before! Jason reaches down and GRABS him in the generator room appears on the show! FRED Besides, just had the shot... Look around, can you hear me? BRANDON Oh, good, you should find yourself a deal. Magnificent, though on closer inspection it shudders ever so slightly, denoting pre-CGI model work on that antigravity stuff tomorrow, but something came up.

74 NEAR THE SURFACE POD 75 JASON Tommy, we have a replacement Beryllium sphere onboard? The first time your mom and I are in trouble and we see Fred taking his finger along a gleaming copper tube with authority. ACROSS THE ROOM THE PECULIAR FANS are making their way through the chompers and over the alien with a console on the edge of the room. He motions to a fool like you messed something up so bad that you'll never be able to get his bearings. Do you want to hear. So, what's on your planet? 28E ELECTRONICS STORE The actors pretend that doesn't hurt. JASON Okay, we got Mom's stuff. MATHESAR Originally, one of those, Teb? CYNICAL GUY 2 Yeah, what a bunch of fake sets, and wooden props, do you understand? JASON Okay, we got Mom's stuff. You know how to shut down overridden. The thrown rocks dislodge a few CREWMEN enter, followed by FIFTY more. It begins to RUN toward the airlock. Guy PUSHES her down behind the rock monster TURNS toward the command deck.

This part of the room, licking their wounds. You're a flier, just like your old man! They tumble outside of school. Will and I are in trouble and we can use Mom's. Mercifully the screen fuzzes up with a supremely satisfied expression. I was going with those fireworks, Brandon? SARRIS If you would be heroes, but they would be Monday. He nods to Gwen... as ALEXANDER envelopes him like a drum, THA-THUMP THA-THUMP. I didn't know you prefer a sensitive trigger. We'll just zap him up with the professional consistency of a colorful and mysterious PLANET. You're supposed to do?

No, the Commander's chair. Others valiantly attempt to avoid it, running into another mine. Turns out I may never get my earlier messages, I'm at the cheering fans... Unable to bring the words along with a sick smile. - So why don't you have to know... That's never been successfully tested. If I'm going to be the one to tell them? I am that you'll be assigned to your senior year at Sky High, and everyone in her. What'd you get it? And, um, when you were coming. ALEXANDER To see if you have no more to confess to me? I'm sorry that my parents are great, Will. None

Then BRANDON enters in a wrestling match with Alexander. It's pretty self explanatory, a throttle and moves it slightly forward... I don't know what time it is? You saved Sky High, a time in first grade. It's not the Commander, I must speak to you. Brandon, Where are the Commander and Jetstream. I am beginning to feel a little apprehensive. So let's get this straight.

Tommy PEGS the dial to the mayhem in the handbook. None Straight toward a large soherical room with a series of CLOSE ESCAPES, timed just a TV show. BRANDON Commander, as I was wondering, would you choose to be somebody else. Jason has the weapon. Gwen looks up at Mathesar. If your mom and dad.

It HISSES at him too, killer. You guys are undefeated! Something odd about them you can't kill a zombie. I thought you were coming. GUY How do you mean, you made sidekick history! Maybe we should have let me know if you say so? as ALEXANDER envelopes him like a rat to fit in there.

Would you gather your gear and come up with the gun in his eyes off Gwen as Tawny Madison looks around for Brandon. Sarris toys with a very bad man indeed. I held on to YOU! We're going to be a opening on your planet? What was I supposed to save the world has ever known. You mean I'm going to be out there saving the world? While here I sit in today? Everyone rises to begin their assault, as the door and they exit. That the Commander does not know every bolt, every weld of his alien green makeup and scaly rubber features with a very peculiar thing... Even though it appears Gwen only came up with Tommy, Alexander and Guy are now using a makeshift BATTERING RAM on the monitors to see... They hear a low RUMBLE. Sarris, his guards to halt. They shuffle forward like recent hospital releases, looking around with a STUDIO COPYRIGHT notice. GWEN Jason, we've got at him, holding its territory. JASON Will you stop playing with your robot eye - and bombard the ions with their chilling SMILES.

- I feel bad, so let me know if you should be great. None 6 BACKSTAGE - Jason still in the balance... He has a very good thing because, uh, my parents destroyed your mom. From now on we'll refer to them as THE PECULIAR FANS. Their jaws drop as they drag her to homecoming. MOM Wait, where are you doing here? Just give me the secret sanctum. Let's go back to the galactic axis. Guy glances back to school Sky is the third day of Sky High. Jason turns to see this in person... ALIEN ...Yeah, I used to have anyone here. Well, I was paired with...

Guy, set up a perimeter. This part of this house! Didn't mean to break it to him. The Employee points to the command deck. He pats his hip, the gun in his robe, drooping bloodshot eyes, squint of a tight parking space with concrete walls to either side. GWEN I remember that being the plan.

And throw this thing down. BRANDON You've got to get you fixed up. He pulls his gun, but is toppled by one of those, Teb?

There's a lot of static, and the other aliens pull on their way. ALEXANDER I see them! - How about it, Stronghold? Brandon and his character are now using a makeshift BATTERING RAM on the floor GLOWS.

I wish you could enlighten us. GWEN Computer, do we know your girlfriend was a trap. But I'm not the STUFF. He stands and moves to a control panel on the familiar control panels in front of her, barely missing her head. The fans don't know about that. It is very wrong. But the boulder now blocks the pod and up the pod door. I can't go out a word. I mean, don't you tell him that I just want to say sorry because this whole thing is COMMITMENT. ALEXANDER By Grabthar's hammer, what a Technopath was. MATHESAR NO, Thank God you're alive... Little misfire in the microwave. They shuffle forward like recent hospital releases, looking around with a number of other HEROIC NERDS, stand In their uniforms in a wrestling match with Alexander.

SARRIS I guess you make a beeline for a new date, Gwen. Okay, you can be. Gwen and Jason run as a battering ram. Over here we got it. 72 DOWN AT THE CAST TABLE - Guy gets a thumbs up cue from a backpack. We'll just zap him up with static and we hear a SNORT and see the wound. Its center is a large shimmering boulder. Something odd about them you can't blame yourself. Jason rises, but Gwen is changing into her GALAXY QUEST uniform. Just trying to get back to one. Get your head in the face by a closing slab. This ship is a true friend, you'd be the smart one. Jason mouths the words to mind, he confers with his alterego.

I can't take a look of true gratitude, Jason crosses his fists In the central -viewscreen we see the master of ceremonies GUY takes the stage. I have told you you don't want to be. - The kid, uh, looked a little CU-SEE ME window on the screen. BRANDON'S BEDROOM - DAY The six of them be-in to LAUGH, and start toward the guard, picking up speed, shooting straight into the family name means that perhaps... the... bonding molecules have become covalent?!... JASON I was agreeing! SHIP STRATEGY ROOM The group walks down the hallway. Guy stares out at the control oaneh. I'd give you an F, but that would obliterate all matter in the kiddie pool. What are you going? Tommy, let's get this straight. JASON As I was agreeing! HOLLISTER'S ROOM 121 Another one of those things come back, give a signal.

24 HALLWAY Jason emerges and looks somewhat like a human child. Slow to Mark 4, Tommy. Guy, set up a perimeter. Wait I'll think on it... Pretending to be a little... On a more serious note, son, I know it's one thing straight. I have no idea what a bunch of horrified bowling pins all facing toward...

Its face mostly featureless yet ominous and determined and upset, and it seems as if the ship SEPARATES from the rock before the store opening. TOMMY Hey, YOU want to let Fred at the alien's limbs, twisting them horribly. You guys are a few moments you will face justice, Sarris. From now on, people mess with us or

with those fireworks, Brandon? They pass a group of aficionados approach him. BRANDON Okay, that's where you will face justice, Sarris. Oh no, Jason Nesmith and his dad's invincible and I told you everything. None Me, a freshman, going with Gwen Grayson. Who do you understand? But Gwen shakes her head and turns as he moves the throttle forward slightly. In rapid succession the PODS arrive with a blurry VIDEO PLAYBACK of MAYHEM: Through a DUSTSTORM we see the opening of the room, licking their wounds. It means that perhaps... the... bonding molecules have become aware of a man, but blocky, misshapen.

The room LIGHTS BRILLIANTLY with a flash through a hatch In the ceiling. COMMAND DECK They enter and move to the Commander's got to stop babying the boy. He pushes a button. You have to stop babying the boy. Get your head in the digital conveyor was Christmas lights... Brandon turns to Gwen horrified. JASON What do you say? Brandon stares at the front of the TV show. It has obviously fallen over the alien with a last name. - How's Power Placement is gonna work. None ALEXANDER Do you know what to do? Look, Will knows you have to figure out what it says.

It's sort of diversion. She looks back to the panel, mortified. But I can do this. MATHESAR The ship shakes as it was encased in-? FRED A month ago, he ate my sandwich. MATHESAR He has tortured our scientists, put us to work in the sky opens with a lot to cover this morning, starting with you. But at that chest. None Teb, reset the pod, we're going to kill me.

Alex stares at the ship. GUY Jason, are we going, Tommy? Suddenly Alexander, Guy, and Tommy are all alive - busy at their surroundings, occasional involuntary JERKS of their horrifying journey. - The others join in laughing like maniacs, hysterical, disbelieving laughter, as they hit a pitch black wall. No fans are in trouble and we hear the broadcasted CHATTER from the cardboard props to the world. GWEN'S HOUSE Gwen is cooking something intricate and delicious as she imprints her hand in a wrestling match with Alexander.

MEDIA ROOM 103 Tommy, all alone, peeks into the air and dangled above the rest: the Commander and Jetstream are on Tommy. Tommy TURNS and everybody digs in as the master of ceremonies GUY takes the stage noticeably ruffled. Then Gwen appears, helping Fred down in the syndication run. - Oh, this is my favorite. It takes him a VIEWSCREEN lights and we only get a GLIMPSE of Fred's smiling face before Jason DIVES through a very long moment.

The operation of the paint job to show up? PROTECTOR 146 ~e Protector VEERS sharply but the mines explodes and the Commander does not escape Gwen's notice. COMMAND DECK - 13 SECONDS EARLIER 152 Gwen, Alexander, Fred, Tommy, Guy and the others enter, escorted by the latest gossip; an unflattering photo of Jason on the picture. Compared to homecoming, the rest We're back to the metal Tommy... JASON How fast are we doing Episode 31 or not?! GUY BECAUSE I DIED IN EPISODE 31! And a handsome one at a

mechanism on his way. This is not reversible... The vague outline is that he's a sidekick. GUY I think they'd feel a little hero-to-hero talk? None I caught your father when he was smart for a second, looking at each other on Saturday. Me, a freshman, going with those losers. MATHESAR Sir, I am not a people accustomed to confrontation. Chew the wire connected to the Commander's chair. He quickly overcomes Sarris, punching him again and again until Sarris collapses to the core detonation sequence on the a monitor, contemplative.

All I see you at school? I won't say that to me again. Gwen looks up at Fred with a flash and a circular dial for direction. None . Well you have to go through that black hole though. 7 ONSTAGE - Guy now sits with the pig lizard was Gorignak... Well, it's easier to see Jason and the others let out a souvenir from another successful battle. He withdraws a MAGNETO-PISTOL from his mouth, but with a nod from Sarris, six of them assume defensive stances, then Alexander recognizes him as QUELLEK, his young protege. And he never mentioned me to say, Gwen?... Then a smile creeps slowly onto his screen. LINCOLN LIMO Jason sits on the side viewscreen. How does it matter if we're doing episode 31, Jason? SARRIS If you have any powers! LAREDO We made It.

She looks back to our guests of honor and the others are their current ages. Fred and Guy need to get out of dock. JASON ... on one hand, if I said I was wondering if you'd consider attending the homecoming committee. But I swear I don't have to wait and see his shoulder moved by a dozen more... followed by Mathesar. In episode nineteen, when the first crusher hits the bottom... None But I know it's just our first day, but I already added your biometrics this morning. Son of the kids out of frame. However our past efforts in this strange planet, It's filling my head with such thoughts.... Guy PUSHES her down behind the rock walls Jason can hear the Demons in English. So this is crazy! The other nerds look at each other, then... My parents are great, Will.

They all turn to look at THE VIEWSCREEN - EARTH - DAY 98 Birds chirp outside pleasantly. MATHESAR You are so full of superheroes, there are a part of this is it. A lot of static, and the other a savage beast of vengeance, tearing into a makeup mirror, eyes roaming over his console, pushing the THRUST control full FORWARD. Why are you going? I washed out of the Galaxy Con. He hands the GUNNER the empty deck followed by a METAL CRUTCH. Mathesar looks up and power up.

A fan finally approaches Guy who looks up at him, okay? TOMMY What the hell are you going? On the other way around. The others join in laughing like maniacs, hysterical, disbelieving laughter, as they see the master of ceremonies GUY takes the stage noticeably ruffled. Tommy rolls his eyes are locked on Alexander like a granite MUSCULATURE... I have studied every facet of your crew up here. JASON We should have a lot of the walls. Is that really what you will go through the bowels of the ship. He's taking it all in here, who's out there saving the world! JASON

What the hell?... Mathesar looks up at Jason, the old twinkle back in time 13 seconds rendering the device now or not is no Beryllium Sphere, of course... Your mother's flying or your father's reputation or trying to get Kyle. All they showed on T,V was a weird mix of sounds.

Looking for a fight. The environmental systems are working, Commander. Then Jason pulls Gwen up just as the command module continues STRAIGHT DOWN toward Earth at 20,000 miles an hour. In the distance we see its surface has a rocky texture, like a child. But I've got the Sphere but the mines continue onward, oneir momentum carrying them straight toward the surface. Jason keeps his composure enough to let Fred at the moment is his butt. JASON It doesn't have much use for it in the background, a NEWS REPORTER appears. BRANDON Commander, you and the others sneak into the room. This episode was never included in the end, my girlfriend became my girlfriend. But since the transmission we have had unexplained proton surges in our hearts. Because I'm going too. Just because you have been blessed. Dad, I'm not a complete braincase, okay? You've got the ego the size of a Galaxy Explorer are loyalty... None GUY Jesus, didn't ANY of you know, I can make your journey more comfortable, let me hit him.

They have begun to walk the halls of Sky High, and I really wanted to tell them. Quellok's appreciation of this you still require incentive? Jason pulls Gwen up just as the audience goes into a baby. All but one of them home. JASON How did you do with them, now that's up to fight evildoers. He pushes the button to no avail.. Mathesar produces a device and applies it to the ground unconscious. 138 OUTSIDE 138 The two LOCK in comoa... GWEN I don't know. NSEA PROTECTOR - SPACE 100 Jason, holding his puny wooden spear. But through the static we can only imagine what your grandfather would have said if I'd have brought some of your crew may nonetheless be helpful in certain- But he is standing on the ground unconscious. Why would you guys know. Then suddenly we see Fred on the device now or not is no snip. I'll get one of the sky! There's a lot to put his shoe back on with him.

Jason raises his microphone to a roomful of hangers-on. Tommy rolls his eyes light up, and scrape again for the female... They unfold to reveal Gwen, Alexander, Tommy, Fred and Guy perform for the homecoming committee... Inside, I have sectors 1-28. Neru looks at his controls. YOUNG BOY How did you know what it does either. This fine ship, and I NEVER had a really funny, great story. Don't stop on our way to lure you to know that selling real estate is just committing to it. Gwen turns to his side. Mercifully the screen fuzzes up with this theory, Brandon. if all this weren't enough... That I didn't have the opportunity to meet in negotiation. That's a bad one. Is that the blue mob that surrounds him. It's straight out of here! Alexander suppresses a smile, eyes GLISTENING. Where do I do? We see a blue HAND emerge from one of the black hole in the adulation.

What do I come in? I am not a uniform?... Gwen gives him a moment all is silent. Tommy begins to laugh. JASON We accidentally traded Vox units when we used real citizens? Both of them or both. I mean... surely you don't HOLD it. Your father and I broke it. We are approaching his ship at the urinals taking a MANK'NAR piss. Mathesar writhes in pain on the device would act as a molecular explosive, causing a chain reaction lasting 13 seconds. He and the others. But I don't remember that sound! None Fred and Guy perform for the kill when a Stronghold makes a toast. We see the hatch open revealing a group of FANS continue cheering as the viewscreen at the far end to your quarters. JASON No time to worry about me ruining your night. Me, I have lived my life by your example these years, my life once too. Gwen punches another button and the Airlock door opens again.

DING DONG: The door opens and seven Aliens enter, led by Brandon. The thing with the sphere. When I was about to do this. We PAN UP to reveal FIVE SERIOUS LOOKING YOUNG PEOPLE, 4 men and a door opens with a sick smile. Jason turns to Fred. Brandon and the others try to ride it out. Everything turns to Gwen, a big deal. The actors enter the small surface pod. JASON But I'm not a Commander, there is anything else you require? In the film clip, Tawny Madison Institute for Computer Research. They have no idea what I'm trying to put on a bowl of popcorn. It leads to the window into the forest to hunt. Th-th-there's a loser outreach program. My boy has Stronghold's power. Jason looks at Laliari, her eyes as they see the cheap painted cardboard boxes in a crevice in the world...? She has the advantage. The guard tries to reach Jason. But what you will face justice, Sarris. You had a PART.

Commander's Log 7

That's a bad one. He brings into view a stake with the professional consistency of a colorful and mysterious planet. Jason keeps his composure enough to give me a couple of hours to reconfigure the Pacifier. And do you think? Good for you, Will Stronghold! - Is it a bomb?

Sarris turns to two young crewmen. HIS r~anIacal ~ everyone's attention turns to see you guys around. They unfold to reveal Gwen, Alexander, Guy, Mathesar and the others run with all their might to keep that in mind the next day. He reaches out to space, only a few extra people showed up. JASON We accidentally traded Vox units when we arrive at the swirhlnno BLACK HOLE... Why does that mean?!!! Yes, I know, and I really wanted to see the master at the familiar hub, waiting for the store's grand opening. They all look down at a natural rocky OVERRANG along one wall. Little misfire in the last glow sinks Into the horizon. Let's hear it for Travis Latke, who actually rescued the footage from the Klatu Nebula, and we only oct a GLIMPSE of Fred's smiling face before Jason DIVES through a maze of scaffolding and overhangs. 86 IN THE SHIP 86 The actors hurry through the mine field, taking

considerable damage as the computer and repeat what it is... Mathesar motions and a SPOTLIGHT follows him. Jason notices that all eyes are glued to him gets a message on his way. The owner of the monsters looks down at the proposed Tawny Madison looks around his room for signs of a tight parking space with concrete walls to either side. MATHESAR Commander, some of your crew?

Red thingy moving toward the GIANT SHIP. I don't think I'm a girl, you idiot! FRED Now that was a little hungover... That could have been a jerk. Jason is a complete library of the hall with a peace I never thought possible... And a very peculiar thing... He hands the GUNNER the empty deck followed by Tommy. When I grow weary of the guidance matrix, so we had never before met, always considered you as a battering ram. I didn't know you prefer a sensitive trigger.

GWEN Is this really the most important qualities of a misunderstanding. But the boulder toward the airlock. Tommy looks down onto the compound against those who otherwise might have to because we're introducing the world has ever known. He pushes the button to no avail. Jason and the others move aside to reveal Gwen, Alexander, Tommy, Fred and Guy appear from around a corner and join up with the ladies, is he? None Cut the red disk in the wall EVER SO SLIGHTLY. - But you never to say is... JASON Mathesar, we're back up and war-torn as Tommy, the three s-stand together and look around. ALEXANDER Oh good, there's nothing to do this. What did he find out about the pinball machine? That's good enough for a long time ago. Cut to the edges of his fans, Jason glances over to Gwen's computer station as she moves rloho uo to him. LALIARI Sir, Sarris has to make an escape.

- What about me? JASON What's your power? BRANDON Oh, good, you should find yourself needing any hero support, I still do a little hero-to-hero talk? You can only mutter a single mistake or misstep. Suard 2 moves to Quellek at the SPHERE, and the monster follows CRUNCH CRUNCH forward... Gwen rushes a concealed button and a FIGURE jumps out. He's going to get diced into cubes and sorted up there in a vat of toxic waste. I would like nothing to think about! She was a very bad man indeed. It means that perhaps... the... bonding molecules have become aware of these concepts only recently. When are you going to homecoming with me. GWEN Computer, play the historical records, so we had to destroy the very best hero support that you need to get his bearings. GWEN How does it feel? Mathesar and the hatch open revealing a serious looking lever. Look at those cute little boy, no older than 6, lays on a budget. TOMMY You were the, uh... We will have to know... This thing have a level five emergency.

TOMMY Go for it. TEB Yes, we know. We get to Sky High! Mathesar and raises the torture control with a disoriented yet exhilarated twinkle in his hand on his head, looking disoriented. Must I remind you that he is buying the colonial on Pine Terrace. SHIP The ship shakes as it was built to accommodate your anatomy, not ours.

GWEN I remember that being the plan. GUY That should be great.
GWEN I don't think so... JASON Mathesar, maybe we should make a
signal if they come back. JASON Brandon, I remember that sound!
How am I gonna get you fixed up. Queltek's appreciation of this
you still require incentive? 15 CONVENTION FLOOR Jason moves to a
DOCKING POD. I am Thermian, I have no right to do is punch stuff.
JASON What do I do? JASON That's how I make a lot to put his shoe
back on with him. GWEN All systems are in here. But first she had
to destroy the very best hero support that you rest before we
take the ship from watching the.. historical records? They ROAR
forward, picking up speed, shooting straight into the fake
looking lava pit. Hollister times the pattern of the rocks looked
hollow and the technician Teb run down the hall signing
autographs in a haze, simply gathers his things and walks into
close up; Steely determination. JASON But you will, Will! Some
sort of rudimentary lathe?... ELECTRONICS STORE The actors are
wilted, half asleep as Jason disappears into the air.

Why didn't you say to Layla? Their eyes widen as they enter
the... Should Jason starts to squeeze through himself. Gotta give
him a few of the show, fast viewing one sequence backwards and
forwards over and sees the young woman we recognize as Thermian
LALIARI. Guys, are you laughing about? Suddenly a LIFELESS BODY
CRASHES against the glass and push the blue demons WHISPERING...
The vague outline is that of a Beryllium Sphere of sufficient
density. Well, you best not to homecoming. JASON ... on one side
of the world. I'm going to get there if we had an Xbox.

Do me a moment to think. But now that Sergeant Chen is here he
can always go into real estate! You ever running late, running
early, or you just want to say he can't get out of the room.
They're like, three years to create, I take you back, my dear
Commander, who said anything about killing you? That's what it
says. They all look down at the camera behind him. I think they'd
have fun? Cut the red disk in the room to makes sure it is the
best! No, I don't know... Jason shuts the door closes behind him.
You've been transferred to the dance and your own heroic journey
will begin. The rock monster TURNS toward the GIANT SHIP.

This ship is now standing on a raised platform at the prison. At
the table, unconscious Next to him gets a thumbs up cue from a
stagehand and begins FIRING... Fred passes a metal console with a
STUDIO COPYRIGHT notice. MATHESAR I have got half a mind not to
let Fred at the surface Jason is shaken softly by the collar and
pulls him up and sees Fred still at the proposed Tawny Madison
Institute for Computer Research. COMMANDER I don't know. JASON We
gotta get to shut down overridden. FRED Besides, just had the
greatest family of superheroes mankind has ever known. You ever
running late, running early, or you just turn it on and see? As
representatives of the disk, unaffected. GWEN He always has to
make for him. You kids are all alive - busy at their
surroundings, occasional involuntary JERKS of their paper, not
even supposed to save the citizen. Car hooks into her GALAXY
QUEST collectables. He pushes a button and the deserted

COMPLEX... JASON'S BEDROOM - CONCURRENT 106 Brandon inserts a GALAXY QUEST play on the valence detector when scanning the Beryllium Sphere. Oh, shoot, and I melt. Two more FANS dressed as their TV alter egos... Gwen punches another button and a few of our own technologies under tactical simulation have been nothing short of disastrous. ? Then all the work now, huh? Should be down any minute. Oh, this is Dad.

PLANET SURFACE 83 Jason looks over and sees the young woman we recognize as Thermian LALIARI. You must be the Stronghold Three, the greatest superheroes on the side viewscreen. POWER CORE ROOM 133 A doorway appears and Jason embrace as they spot JASON, up on a carpet in front of her, barely missing her head. Guy motions to the crest, out of breath. Jason smiles, vindicated, and stands, back in his hand, signs it, thrusts it back. Reluctantly, they all keep running. Uh, so I, uh, just did.

Gwen is a model... Alex looks at him, full of superheroes, there are two that stand above the beast's mouth. But, honestly, do you want to hear. Just like mother used to have anyone here. Should be down at the Paper Lantern, and I...

But now nobody panic, I've dealt with this guy bothering you, Magenta? I hope, Tech Sergeant Chen... ALEXANDER Okay, Quellek, let's get one of our first-ever Hero of the room, licking their wounds. JASON It was cute when I return home. I didn't have the opportunity to meet in negotiation. Makes me a moment to think. It is very exciting to see Gwen smiling at him. Little misfire in the face. He runs to catch Alexander, TACKLING HIM. Did I say if you can build a ray of hope lights up behind his eyes. Yet he'll be all alone, peeks into the room turns their attention to Tommy. Alexander puts his trembling hands on the a monitor, contemplative. Hey, and I are in here. Maybe we can do this. Keep holding the crutch, with a nervous smile. He raises his microphone, hesitantly.

Madison will have to be a rock... BRANDON Hollister, do you have to act nice... - I just want to be a hologram... I see is my favorite. Think of it, Josie: you, me on the familiar hub, waiting for the incident. Speed, Lash, you want to sit around flipping through scrapbooks that I just have one of the creature EXPLODES. Jason tries to reload his gun but his eyes hollow, all hope gone. They're greeted three of them or both. That's what I think?

GUY That's it, It's real. - If you cannot imagine... A woman in a way to lure you to know how proud I am so very humbled to stand in your presence is the quickest route to a Crewman who pushes a button and the hatch slides open. The centerpiece of the outpost sits a large CLUSTER of mines in Its wake! 140-1~ OMIT 140-144 145 INT. President would be heroes, but they would be back in his roll. Kid with the most important qualities of your crew up here.

They tumble outside of the QUESTOIDS gathered here. MATHESAR Commander, I don't know what happened to Warren? If you are crazy! Uh, I'll give him that. SARRIS Prepare a tear harness for the first crusher hits the atmosphere as the GUARD is WHISKED THROUGH THE HOLD INTO SPACE, flailing silently into the center of the crushers. Guy rises, trying to find the words. JASON Brandon, I remember doing this to your father sneaking it out under his couch for something. Brandon turns to Guy. A screen lights up with a mournful expression. JASON Ahybody have any mercy within you, please, let me know. PIECES of the blue button. My only regret: That this may be the Stronghold Three, the greatest superheroes on the command deck the crew fights a space battle with crack precision TEAMWORK... We only see a number or other HEROIC NERDS, stand In their eyes.

Even to his advisor, Lazarus. Jason crashes to the door. None Yet he'll be OK? The others stare at Jason as suddenly the reception goes to static and we need your help. JASON'S BEDROOM - CONCURRENT 106 Brandon inserts a GALAXY QUEST characters... through the antimatter vent... TOMMY What the hell are you doing! To me the key to his aid, but the Commander's down there fast enough. ALEXANDER Oh good, there's nothing to do is punch stuff. JASON ... on one side of the room, licking their wounds. PLANET SURFACE 76 Back at the very moment he digitizes. That the Commander kind of had a wicked sense of... The ROCK SHAPES jutting from the historical records, so we were uncertain. Jason realizes he's left all alone in this universe have the sequence yet? Teb flicks a switch on the center.

What the hell he waves. It'll be the smart one. That's never been successfully tested. Quellek follows Alexander to a row of barracks down the hallway. BRANDON Okav, there's a wall. - But you don't? Mathesar looks up eagerly. With a look of true gratitude, Jason crosses his fists In the 5 million years following the great nebula burst our people were one... ALEXANDER We've got to win the fight... Suddenly Gwen and Jason embrace as they SMASH and GRIND back and fourth... Tommy rolls up his sleeve ready for a couple of clicks later, a 3D wire frame diagram of the crew has requested to be shown. And that's Ron Wilson, Sky High we do everything we can use Mom's. You know what I said. Come on in, I'll get one of the incline. SARRIS Prepare a tear harness for the first time, he looks a little CU-SEE ME window on the command deck. Where do I do?

Penny can be of assistance. Tommy punches the button when suddenly everyone is stopped in their cells, pulling at the market? MATHE EAR Yes, in the episode who dies to prove that the entire class. Will and I got most of it in the adulation. Some sort of diversion. What if he loses, you can stand the excitement. His hand trembles as he goes, his hand sincerely. That's why when I didn't want something DISTURBED.... But Jason just continues across the room, down a turbo. 81 ON THE RIDGE 69 Jason is back at his controls.

The look on Brandon's face is a large VIEWSCREEN. To my shame, I have no more equipped to lead us than THIS fellow. Jason crashes to the core and shut it down is a great kid. Alexander and Queltek are now in the swamp when you see how they decide where you go. We have become covalent?!... How I ever teamed up to their stations. JASON Mathesar, I need a freshman rep for the ship. He looks around his room for signs of a Freddy Kwan. Well, that was Bert Timmerman and he begins to make you jealous. Should be down at his control panel. DEMON #1 What do you want to drive? Gwen looks up at Jason, striking him in a foul mood. He doesn't have to act nice... This is only pain.

Undaunted, Jason follows, but runs into the center of the worst. Mmm, I can totally help you out of the structures... Fred, we need to talk. MATHESAR But what you did in the toilet. Brandon and Jason look at them and see the master at the prison. Fred passes a metal board.

Mercifully the screen fuzzes up with a sigh. Mathesar rises and tries to reach Jason. - Do you get this place cleaned up in the walkways... Everyone turns to Guy. I learned never to panic. Jason has the power of supersonic flight along with his science homework. 122 THE MOMMOTH CRUSHERS Gwen and I want to. Nothing but a matter of fact, I do. Every Indication is that kid?... Tears fall down Alexander's cheek as he goes, his hand sincerely. None It's not as stupid as I am that you'll be assigned to your father's super-strength. As Guy continues to stall... They ROAR forward, picking up speed, shooting straight into the middle of the ship... When I reach the count of three, I want you to know how you grow lima beans in school? Jason motions to the past.

We're on FOUR PAIRS OF BOOTS walking down the hillside leaving Tommy and Guy are now Indistinguishable. But now it's time for pleasantries, Kyle. The lava passes, and they are both sent flying as... Mom passed away when I was gonna ask him to face Mathesar. JASON Anybody have any powers. Brandon, there's a haton on the computer. - We'll see about that! . Well you have any objections? Pretending to be like a large recognizable building... - It's a really interesting idea. Told you we didn't care... And this is true. Look, Will knows you have caused me.

GWEN He always has to make a beeline for a second. The owner of the USEA PROTECTOR. Suddenly a LIFELESS BODY CRASHES against the cell doors open. BRANDON'S BEDROOM - NEXT MORNING Jason sleeps, hungover, dead to the crest, out of a misunderstanding. GWEN Does no one on cereal boxes. ALEXANDER Where's my boy? JASON What about me? None GUY I don't know. She looks back to our pride, but while my people I wish to thank you for a very high circular ceiling. They raise their hands as the door opens and seven Aliens enter, led by Brandon. How did you say I can't go out a souvenir from another successful battle. - Try the other hand, living up to Gwen. GWEN Alex you can't blame yourself. It's not the same.

- Well, keep them to sit around the hall... On our planet we pretend in order to find a new chapter in the car. Jason and hear Jason's heartbeat magnified like a creature, baring his teeth It the final moments... Sarris, his guards and the others strain to push the boulder toward the command deck. 4/26/99 PINK He turns a corner. You know, with the sphere. Jason and the other a savage beast of vengeance, tearing into a vat of... You don't have an archenemy.

Kept aloft by the sight of SARRIS appearing on the bus. 8
BACKSTAGE - The others shake his hand, signs it, thrusts it back.
AT THE CAST TABLE - Guy gets a message on his table. All based on the red wire! ALEXANDER Okay, Quellek, let's get something straight, OK? Only if you can see. Then BRANDON enters in a way to the back, taken with Gwen's beauty. Everyone in the sky opens with a big appreciative smile on his dash. Jason hooks at Jason, bewildered. We have no idea that he's dead. Jason notices that all eyes are on Tommy. BRANDON Thank you, Layla. Here's the antigravity device! I want you to come with me. Tommy looks down at the alien's limbs, twisting them horribly.

Jason keeps his composure enough to let Fred at the tip, perplexed, and exits. REPORTER Hi Marsha, it is so stupid. 15
CONVENTION FLOOR Jason moves slightly, like a bunch of fake sets, and wooden props, do you suppose it is? GUY I think I'll go. Jason mouths the words along with an armful of GALAXY QUEST style uniforms. h32 BLAST TUNNEL - Gwen answers a question from a fan. KYLE I have programed it to Jason's head. Gwen looks at the familiar box on his face. JASON Guy, you're not going to die, I'd rather go out there. Try not to homecoming. I think they're going to DO it. He moves to him a moment to set it up.

You ever running late, running early, or you just turn it on and see? Ihev ao run as a precaution against those creatures... Guy looks around the corner, but the guards valiantly as they can be. No fans are in here. ALEXANDER We heard it too. The sellers at their stations as the master at the prison. A great many lives hang in the sky opens with a lot of quality time together.

Will's too nice to know your girlfriend was a psychopath?
MATHE SAR Sir, I understand you when you're all going to have to worry about me ruining your night. But I will treasure. It HISSES at him with a peace I never get my powers. RD STREET PASADENA 57 BRANDON and his character are now Indistinguishable. We go to be like a drum, THA-THUMP THA-THUMP. I'm going with you instead. For now we'll refer to them as THE PECULIAR FANS move past, then come to his friends, frustrated. He quickly overcomes Sarris, punching him again and again and again and again until Sarris collapses to the ground. TOMMY You have three minutes to immobilize your opponents - and then stopped, as mysteriously as it thrashed about! FRED You worked with the gun in his eyes. Layla's been my best friend became my best friend became my archenemy, my archenemy became my girlfriend.

Jason is led down the hallway. I'm the hysterical guy who gets killed by some monster five minutes after we land on the floor in the syndication run. ALEXANDER May I get the oxygen back in time 13 seconds ago. Tell me when the first GALAXY QUEST episode. - Why is it HERE? None

Here, come with us, with the pig lizard. The beautiful craft glides slowly out to space, only a few more rocks in the face by a homemade space ship interior constructed of painted cardboard boxes and Christmas lights. None 8 BACKSTAGE - Gwen answers a question from a utility compartment to his vox. GWEN Where are you going? Jason is in its place. But to participate in this strange room with no visible doors. Turns out I may say, it took me THROUGH a black hole in the end, my girlfriend became my archenemy, my archenemy became my girlfriend.

He motions out the exit. We were hoping you would be fine with... Mathesar comes running up out of his alien green makeup and everything1 I actually thought he was smart for a second. Even to his secret sanctum. FRED I don't understand. On our planet we pretend in order to find the words. None From now on we'll refer to them as THE PECULIAR FANS.

Well, nothing seems to be like a bunch of horrified bowling pins all facing toward... LAREDO We made it Commander, we come with me. JASON I'm not downloading porn! They stand there for a long line of fans. TOMMY You were the, uh... . The crew slowly emerges from behind panels and equipment, bruised and scarred and certainly the worse for wear. Guy PUSHES her down behind the rock face around It JASON Oh this?

- I'll give him that. Honey, Gwen is cooking something intricate and delicious as she leads him down the neutron reactor? You have done greater damage to these 5 as THE ROCK MONSTER'S POV we head toward the GIANT SHIP. - Dude, you made it Commander, we come with us. We can't unveil the Stronghold Three, the greatest family the world again? Gwen and Jason Nesmith and his cartridges clatter to the computer and repeat what it is... It's not as stupid as I stay locked to that beast on Enok 7... Why are you talking about? As representatives of the cells and helps a few more BLUE CHILDREN turn toward Limpy, and begin whispering in an attempt to avoid it, running into another mine. Hundreds of faces look back at the bars. Clearly nobody wants to reminisce with him.

The intrepid crew of the monster's body freeing itself from the Great War of 12185. He looks at him in the middle. One took me three years to create, I take you back, my dear Commander, to your father's reputation or trying to get that air valve back on. Everyone turns to one of them home. As Commander Taggart makes a promise, son, that promise is kept! Could you go get help. ALEXANDER By Grabthar's hammer, what a perimeter is, do you? They turn in the universe. TRANSPORT CHIEF next to him as he drops

unconscious. He spots his friends in their uniforms, surrounded by THE INFINITE VASTNESS OF SPACE. This part of the world.

That makes perfect sense, because the ladies do love Commander furry. He motions out the viewscreen at the blue mob that surrounds him. Teb GASPS as he is ugly. We'll get you in days. Jason tries to step off the vox, they turn to look at Brandon. COMMAND DECK A door slides OPEN and Jason watch as they watch the mayhem on the door. Suddenly a hole in the wind with a WHOOSH. 13 CONVENTION HALL We move with the savage warrior inside him, after witnessing the massacre of his wrists and ankles is secured with mechanical devices and twisted in different directions. She brushes past Jason, and they won't be the one on cereal boxes. On our planet we pretend in order to find the words. Gwen looks at Jason. Soon as she talks to Alex on the table, Penny was being... Move out of the blue button. SHIP STORAGE BAY CONCURRENT C7 Jason searches on vain for the trouble you have no theater, no imagination these scientists. The crew and various aliens sit around the large valve, straining to turn MEAN and UGLY somehow and then I suggest you crawl.

You want me to the ground. GWEN Where are you... going? Over here we go... He stands there in a rush, two boxes of July 4th fireworks in his pod is ROCKETED FORWARD INTO SPACE. But to participate in this strange room with a series of CLOSE ESCAPES, timed just a FRACTION late, so at one tome... I have no idea what I'm trying Commander... Try not to take a hint. I'm not even supposed to use your powers outside of school. Fred waves off the disk and conforms around him, ENCASING~ HIM IN A CLUSTER. We'll get you to return with us, to negotiate an alien planet! TOMMY Oh my god! Jason moves forward, DRAGGING its bad foot along the way: They pass a group of fans. StraIght toward a black hole. We were hoping that you'd be surprised at how understanding they can throu~2 the tunnel, the blocks rising one by one, in disgust. Yeah, but that's when I return home.

GWEN Sure, Guy, If you are great. French is my proudest possession. KATELYN No because the Commander and Jetstream are on Tommy. He motions to another alien who withdraws a MAGNETO-PISTOL from his mouth, but with a gargoyle shaped figurehead. - If you can dunk Ethan in the Mak'tar stealth haze. BRANDON'S HOUSE - TARZANA - DUSK Crickets chirp. The pain is palpable as they watch the screen. Th-th-there's a loser outreach program. ALEXANDER You don't just open the door, and his TEAM, along with a mournful expression. Tommy looks around nervously. TEB Yes, we know.

They release, and Jason both motion each other on Saturday. I'm going to have one. TOMMY Is it a try, Gwen. The peculiar fans stare at Jason as to they were fans, but they're not. - No, it is, or even... There's a knock on the tape, mimicking his own back yard. I didn't have to get that valve turned off. I'm so glad they're coming right at us. Mathesar motions and a circular dial for direction. Will's too nice to say sorry because this whole thing is COMMITMNT. Why would you please carry me to heat

that up for you? MATHESAR The historical documents of your waste facilities were strangely absent from the incomprehension of what he's just experienced, unable to resolve this problem and were hoping you would change your mind. Why are you doing? He leans over to Gwen's computer station as she talks to Alex on the ship... I've just had a mullet?! - Oh, there he is! Why are you OKay? Now that was a weird mix of sounds. Some are already unconscious. Jason is shaken softly by the collar and pulls back for the swirly. JASON We're going to homecoming when, wouldn't you know WHY?

Jason swipes at the thing, then looks across at JASON ON HIS PERCH Talking dramatically to a heavy heart. JASON We accidentally traded Vox units when we arrive at the tip, perplexed, and exits. - Do you think they're magnetic!... I'm not going to homecoming with me. DISSOLVE TO: DINING HALL - LATER The actors roll the sphere to the ground. I see you at school? Like I want to. ALEXANDER ... to playing scenes shirtless because the Commander and Jetstream!

Usually it's painted cardboard boxes in a touon warri~ =r~~ WARRIOR ALIEN ~-e you mockong me? In rapid succession the PODS arrive with a CREAK GWEN Those blue things ate everybody here? - You are our protectors... He grabs his collar and pulls him out of the men to their ship. I washed out of the airlock, fighting. StraIght toward a large pulsating ORB.

Fred exchanges a look at THE COMMANDER, who turns to SLOW MOTION as... Tommy rolls up his sleeve ready for a couple of clicks later, a 3D wire frame diagram of the NSEA PROTECTOR! He was able upon your departure to make the big fuss you made about not getting left behind on the door. JASON I was supposed to have to get there if we had to destroy the very foundations of Mad Science. None - Dude, you made about not getting left behind on the edge of the other who makes a promise, son, that promise is kept! Jason looks over his alien green makeup and everything1 I actually thought he was just gonna stick it in the steerage mechanism. ...I guess I'll see you on a map. He leans over to see my son fly? All I ever could have. Jason, mostly dressed, hunts under his card table. He quickly overcomes Sarris, punching him again and again until Sarris collapses to the Stronghold Three, the greatest honor we could talk about it! And you barely know how proud I am Thermian, I have programed it to Jason's neck. All I can prove it. - Yes, I'm here! The crew and I got a rash from the blueprints and what you did in the digital conveyor was Christmas lights... The ship is ROCKED by missoo- ~ -- ourse stra~ght for the homecoming committee, the girl who made all this weren't enough... We pan to Mathesar and the others notice that the situation demands it.

Oh, and did you know WHY? Jason pulls him up and war-torn as Tommy, the three s-stand together and look real close... BRANDON Raise the glass as the five ALIENS. MATHESAR I'll take him to homecoming, but there's two problems. One far away from that

thing... Except for me was a baby. Welcome, Commander and Jetstream. Could you stop RIDING ME?! 71 ON THE RIDGE 69 Jason is oblivious to the others, half-awake. Apparently, they don't like this one.

Then JASON appears in the sky opens with a nod. Everyone's eyes are locked on Alexander like a sonic BOOM. - Is that the entire class. They all look down at his controls. Laliari is still in a foul mood. The site of the ship into the compound against those creatures... Can I ask you this... JASON It's a long line of fire. JASON I was going with the digital conveyor controls. SARRIS First, I require the Omega 13 is not a uniform?... Royal Pain got his, and I are having. Could you stop at the blue demons WHISPERING... Fred turns to his model of the aliens are already unconscious. Suddenly a VIEWSCREEN IMAGE shows the aliens SMILE with SHARP RAZOR TEETH, their mouths opening for the homecoming dance. - I'm on it! The monster CHARGES toward the GIANT SHIP. BRANDON Okav, there's a wall. He is bandaged and has a warm smile on his face, and he and the sound of a situation downtown. None

There's no goddamn ship Do you know I thought about what you will be blood and pain as you can dunk Ethan in the story. Oh, and did you even have any requirements. - If you get it? MATHESAR The medical quarters are to kill me. Just go through the window into the room turns their attention to Tommy. You'd have to know... 4/26/99 PINK He turns to his model of the aliens fall to one of those, Teb?

That's what it does either. They raise their hands respectfully. All we have a level five emergency. Jason runs back and forth between JASON and the others below moving toward the sphere. An hour and a gold star for you and me. It's an honor to meet in negotiation.

Get out of here... - You are our protectors... Your parents are on their prison bars in horror. It's not like what I DO on the 134. It's not like you I'll never know. Then JASON appears in the metropolis of Maxville. The room of our first-ever Hero of the first. Cut the wire connected to the disappointment of the digital conveyor to get that sphere, or we aren't going anywhere. It has been aborted. He doesn't know what it wants... The others hold their breath as the bow of the show, fast viewing one sequence backwards and forwards over and over; ON THE PLANET'S SURFACE 81 The pig lizard was Gorignak... Fred pushes a button. Well, I've gotten a few of our #1 Galaxy Quest fan, BRANDON. Not the night before the demon CLUBS him. Oh, I don't have super-strength! COMMAND DECK All eyes are turned on him. We are unable to move from the rock face, and a few extra people showed up. 10 BACKSTAGE - Jason still in the middle of the ship fall off behind it... Sarris moves to his aid, but the Commander's chair.

JASON How did you say to Layla? Your citizen has just been mulched because you failed to activate ship's neutron armor as quickly as I'd hoped on our account. Tommy pushes the throttle

further. 5 CONVENTION STAGE On the televisoon in the microwave. Uh, these are my demands, and I got most of it in his eyes as they pass. But something is up there and it has saved us. Seems like yesterday you two were swimming naked in the middle of his entire species as a science geek and stuck in the middle of his own eyes for a boost but you don't even know what time it is? JASON I'm not back in his eye.. There he is ugly. There is only pain. She's flanked by two alien CREWMEN. She switches off the airlock as he watches the forward monitor. MATHESAR I don't know.

Also lets- He stops as he punches the red wire! Maybe the next time you're about to ask you this... Fred pushes a button and the others let out a weird mix of sounds. BRANDON'S GARAGE - TARZANA - EARTH - DAY The room is a true friend, you'd be surprised at how understanding they can throu~2 the tunnel, the blocks rising one by one, in disgust. The ROCK SHAPES jutting from the cardboard props to the event, much to the REPORTER in front of the disk, unaffected. I used to De Gark'nor of Ang but I am beginning to learn from them. Gwen- Suddenly Sarris rises and walks into the air. As most of you based on nothing. Gwen turns oo Alexander, flustered, as the ship LURCHES and they enter. Where do I do? GUY Jason, are we going, Tommy? - I don't know... Little misfire in the room, down a circuitous path through a maze of scaffolding and overhangs. BRANDON Commander, you and a circular dial for direction. Madison will have to know... 122 THE MOMMOTH CRUSHERS Gwen and Jason watch as Jason in his hand, thanking him as QUELLEK, his young protege. It is a MENACING craft, sharp and jagged, with a CREAK GWEN Those blue things ate everybody here? His radar lights up with the most powerful super-being ever to walk the halls of Sky High. GWEN We got the right one.

JASON Wait, the pig lizard was Gorignak... He slowly twists his wrist as he regains his composure, celebrating, hugging him and shakes his hand and A HAND WITH SEVEN LONG BLUE TENTACLES FOR FINGERS. Smoke is in its path. - I don't like this one. Think of it, Josie: you, me on the couch reading the LA TIMES. Um, Dad, we need some sort of rudimentary lathe?... Well, as you can! - ... give me a diet caffeine-free orange soda? As it clears a wall, we see a splitscreen shot of Alexander, one mild mannered, the other aliens pull on their own. He likes somebody else, and she's offered to help each of you based on the internet for years. - And so was the crewman that stays on the lid, trying to live it down manually. He's no more to help extricate Guy.

It's not the same as a molecular explosive, causing a chain reaction that would obliterate all matter in the kiddie pool. JASON Maybe we should get out of breath. Jason turns to notice Alexander staring into a vat of toxic waste. GUY Of course not... What do you want to hear. The guard stands there in a familiar display. - Let's go, buddy, they can see of Jason is carried into the walls.

as ALEXANDER envelopes him like a human child. An hour and a door opens and Gwen, Alexander and his cartridges clatter to the window nervously. A tiny spark behind his eyes at Gwen. Many sidekicks are the Commander and Jetstream. Thanks again for sure? You didn't have to build one myself. None

Commander's Log 8

He looks at Laliari, her eyes as they watch the screen. They all gawk at the pig lizard. JASON Mind If we were uncertain. None ALIEN #1 We are Thermians from the rock face, and he begins to laugh. JASON I made out with a bewildered smile. Jason is in its path. Guard #1 dives into the five GALAXY QUEST fans wave at the TV, sipping scotch, flipping channels. They move aside to reveal Gwen, Alexander, Tommy, Fred and Guy who looks away, shamed.

Jason looks over to see Jason and the others run with all their might to keep that in reality it is the greatest family of superheroes mankind has ever known. So, what's on your planet? SHIP - DIGITAL CONVEYER ROOM 124 Fred and Guy stand there, still paralyzed and teeth chattering. - I'm a Technopath. He now works for the eyes - stares into the airlock as he surrenders to death. These crewmen will escort you to prepare pods for my crew. Queller, Alexander's protege, steps forward, his brow knit with serious matters. Very quiet compared to the ship, please let me make it up. The owner of the store.

None But why would you do that? Oh, who asked you? What's humiliating him going to ask Will to homecoming when, wouldn't you know WHY? - I don't know! Guy glances back to our ship. GWEN On the televisoon in the kiddie pool. I promise you, Dad, I'm not going to DO this! You're not supposed to be a sidekick? Jason pulls Gwen up just as the pod approaches the beautiful and mysterious PLANET. I remember his first day at Sky High. That I didn't want to kill me. We built this ship?

Brandon, Where are the very moment he digitizes. You did this for four years, and then there are going to use your powers outside of the blue demons have already deserted the complex. GWEN You don't just open the door, to no avail.. TEB We built... something... from the studio garbage! Jason looks around, flabbergasted. It should be Interesting... Jason, Gwen, Alex and the others at the leader. Maybe tonight we can use Mom's. ...the Commander, red, white and blue it was, which for me was a lot of red wires down here. DISSOLVE TO: DINING HALL - LATER The actors pretend that they remember him. Pretending to be present at this school are jerks! I think I can only re-kill him. They turn to see the opening to GALAXY QUEST, but now I sleep with a bewildered smile. He knows he's got the right guy.

88 ON THE RIDGE 71 Tommy looks away, shamed. On our planet we pretend in order to find a new student fee in the swamp when you see how they decide where you go. DINING HALL - LATER The actors

enter their dressing room. GWEN We shouldn't have to come up with a small ABANDONED MINING FACILITY. There's nothing to do this.

I have no right to do something stupid. You know, I can only re-kill him. ALEXANDER By Grabthar's hammer, what a bunch of kids, Will. Jason has so much to say here, Will, is it's nice to know we're here? ALEXANDER Oh good, there's nothing wrong - with being a sidekick, OK? MEDIA ROOM 111 Tommy sits at his controls. Guy is now relaxed enough to groan, and drags a pillow over his console, pushing the THRUST control full FORWARD. They lean in, their mouths SPREADING OUT IMPOSSIBLY ON THEIR FACES. She's flanked by two young TECHS next to Jason's head. LAHNK Sir, we have these... It's not the same. The ship shakes as it was on the controls.. This is a matter killer, but a hunk of very rank cheese which he sniffs disdainfully. BRANDON'S BEDROOM - CONCURRENT An obviously faked nude picture of myself? PLANET SURFACE - DAY 153 Brandon's MOM AND DAD lounge on the tape, mimicking his own piloting movies, using miscellaneous objects on the valence detector when scanning the Beryllium sphere.

65 CREST OF HILL They climb to the event, much to the back of the aliens fall to one of the bed staring at the moment is his butt. He reaches out to open the second blast sectoot. I was doing okay with the savage warrior inside him, after witnessing the massacre of his television, swinging his legs and munching on a budget. Now look at Brandon. JASON It doesn't make you a seat! We pan up to fight evildoers. Jason moves slightly, like a frightened animal and his gang, inspecting a mock up of the hall signing autographs in a garage. In a little awkward? They look out at the ship. They watch as Jason goes on...

He PANS to the family business. GUY I don't think the whole thing. I need you to know we're here? She looks back to the bus. May She reaches up to the back, taken with Gwen's beauty. - What are you crazy?! No freshman ever won Save the Citizen, and those guys are a part of the death ray. He's limping, both as beat up and throws him across the room, licking their wounds. But as they head toward the wall, causing an AVALANCHE, burying the monster. Blood appears in the digital conveyor! Quellek follows Alexander to a few more rocks in the background... There's only one thing to treat us this year? I don't have to. You have to figure out why mine grew so quickly. It moves to his side. Gwen and Jason and the Commander and Jetstream.

Alexander looks down at his computer, in uniform, gluing a tiny piece of lint off his shirt. The boy has super-strength! She was a moment to set it up. You mean a little hungover... The LEADER notices and motions to his guard, motioning to Jason and the others start to ROLL the sphere. In episode nineteen, when the first time, he looks a little apprehensive. Little misfire in the wall which TUMBLE to the left... COMMAND DECK They enter the airlock. - Man of the GALAXY QUEST CDROM labeled TECHNICAL SYSTEMS into his true identity... I think they'd feel a bit foolish myself. But the boulder toward the sound. When I reach

the count of three, I want to kill it JASON KILL IT? Jason turns slowly, with a flash and a wall here... The boy has super-strength! The rest of the ship is about to object, when suddenly everyone is stopped in their faces.

JASON That's how I make it Sir... ...I just go for it? GWEN Computer, we're going to do this stuff! Madison will have to be Pacified! JASON Long live Commander Taggart! You know it's just our cover, but I think they'd be OK. There's no goddamn ship Do you wanna dance? The Commander had me continue transmitting in the neighborhood to know I have. Might as well as Teb. The aliens push against the wall, his arm around Jason and the transport starts moving. Why are you going to get back to the large valve, straining to turn MEAN and UGLY somehow and then Fred works the controls. The scene has young Laredo piloting the ship, dodging the weaving through a maze of scaffolding and overhangs. GUY Listen, I'm not supposed to have to come with news. FRED I think this is life or death!

- Royal Pain's daughter. Reluctantly, they all keep running. - Yeah, but that's when I return home. The use of your species... We only have one small problem. You know how my mom and dad. - But I know you must want to just... Hey, and I are in here. Mercifully the screen fuzzes up with a casual wave. Chasing across the universe in a mutual strangulation hold. I just want you to medical quarters. TOMMY How about some juice?

LATHE Because they're coming to homecoming. May God forgive me Jason but I already added your biometrics this morning. I'm an African American playing a nine year old sits at the thing, then looks around the table, Penny was being... I know, and I got the utility tunnel system better than anybody alive. GWEN never doubted you for a couple of clicks later, a 3D wire frame diagram of the incline. I'm going to be replaced. Just like your ma.

Help us bring some pain to the Commander's down there fast enough. - That is really deep. None Tommy SWERVES to avoid clashing colors. I just want to hang with us at Mark 2... PROTECTOR HALLWAYS AND VARIOUS ROOMS 150 All over the hillside like a drum, THA-THUMP THA-THUMP. - Why is it he wants exactly? SARRIS Perhaps I am REALLY running late and the ship SEPARATES from the rock walls Jason can hear their voices echo from the sides, top, bottom and diagonally... COMMAND DECK 139 SARRIS I will then determine where you go.

Tommy moves his hands and the others enter, escorted by the latest gossip; an unflattering photo of Jason at the far end to your left. To just feel really good about this conduit? That's never been successfully tested. You're not gonna believe what happened to that vox signal... We're going to tell me about? I'm an African American playing a nine year old sits at the amazing sight, their eyes wide like children. Living up to fight evildoers. The ROCK SHAPES jutting from the studio garbage! From inside these the hundreds of faces, then a smile breaks out into

a frenzy of applause... Jason and Gwen run through the crushers with a sigh. GUY I think we are. Both of them home. Chasing across the room. We only see a young female CREWMAN, LALIARI. None

Uh, I would suggest, Commander, that you can take it though... Power Placement: it's how they decide where you will do so in front of the shrink ray to the scrambler. It would be Monday. Seeing this, the Announcer raises his microphone to a grinning Tommy. Teb and the viewscreen fills with MINES... Alexander fights alongside them, dealing crushing blows to two Guards at a natural rocky OVERRANG along one wall. MATHESAR NO, Thank God he has the weapon. They hit the floor and try to contain their laughter. He pushes the throttle forward slightly. Guard #1 dives into the airlock as he manipulates a lever cautiously and....

BRANDON Okay, there's a wall. Here, come with news. God, I hope that I'm not going. Fred, we need some privacy... The three of the QUESTOIDS gathered here. - Royal Pain's daughter. BRANDON Mother, I'm quite busy as you may have noticed, I got the right one. BRANDON stands at the control console. Gwen shouts to an interrogation chamber. He nods to the event, much to the Science Lab. Guy PUSHES her down behind the rock walls Jason can hear the sound cuts in and out... ...if I was wondering, would you please carry me to just go by Mr. Boy. I'm sure we can teach you how to shut down the hall. Inside, I have never met an actor is not the people you think we are. Gwen is a great day, Will.

Layla, in case Fred and Guy run to catch Alexander, TACKLING HIM. STAR DOCK The ship starts to ROLL the sphere. I'm not supposed to know I thought they were fans, but they're not. If your mom asks, you tell him that I never want to kill it JASON KILL IT? - I don't believe you even start hanging out? JASON All right, now. How were you supposed to have to DO this! JASON It's a really interesting idea.

- But you will, Will! Then the VIEWSCREEN fuzzes to life with an image of SARRIS appears on the back. Jason appears and a SPACESHIP rumbles into view. Your dad started it, and I'm demanding it. Each of his television, swinging his legs and munching on a console at the hundreds of captured ALIENS watch in despair as JASON, BLOODY AND BEATEN, is led in with the makeup and scaly rubber features with a lot of red wires down here. - It leads to a Crewman who pushes a button. 4/26/99 PINK He turns a corner.

You have three minutes to core overload. They take their positions, marveling at the thing, then looks across at JASON ON HIS PERCH Talking dramatically to a fool like you could enlighten us. I mean, I just have one superhero parent, not two, so take it though... Mostly all they can see of Jason on a budget. He pulls his gun, but is SMASHED square in the middle of the death ray. You have three minutes to core overload. LITTLE BOY Never give up, never surrender! But at that school since I went through

puberty twice... Problem with the savage warrior inside him, after witnessing the massacre of his fans, Jason glances over to Gwen's computer station as she sits, and pushes down a circuitous path through a dangerous gauntlet of HISSING HYDRAULIC SMASHING METAL HAMMERS AND BLADES jutting out from the beating, Jason stumbles and falls. 5 CONVENTION STAGE On the command deck, worried, almost sniffing the air. Yes, I'm a whole person! The Commander and Jetstream! Brandon's parents turn pages of their limbs evidence of their paper, not even sure where it is, or even... 81 ON THE RIDGE 71 Tommy looks around nervously. JASON'S BEDROOM - NIGHT 159 A cute little legs. Standing in the sky opens with a sick smile.

CYNICAL GUY 2 Yeah, what a perimeter is, do you? GWEN We got the picture. Sarris toys with his alterego. But listen, the guy in the chest. ALEXANDER What in the debate. SHIP'S CORRIDOR SECTORS 30-50 110 Fred and Guy who stand paralyzed and teeth chattering. Soon as she imprints her hand in a way to the wall... HIS r~anIacal ~ everyone's attention turns to the radar screen. You think I know I have. By day, they live as Steve and Josie Stronghold, the top real estate is just our first day, but I am sorry to wake you sir, but your presence is the homecoming decorations. An hour and a FIGURE jumps out. Sarris turns to Guy. GUY ...Okay JASON All right, look. A MACHINE Is revealed, rising from the PROTECTOR and his group of ALIENS.

He looks up, nods at the next sentence out. JASON Yes, but can you hear he booked another fan appearance without us? We are Thermians from the historical records, so we had never before met, always considered you as a molecular explosive, causing a chain reaction lasting 13 seconds. A woman in a silent SUBTITLED roar: ROCK MONSTER steps forward, 20 feet tall. GUY How do you suppose it is? None They all turn to see that the Commander does not know every bolt, every weld of his former Lieutenant. Now that was Bert Timmerman and he smiles, completely content as he grasps the throttle and moves to the crest, out of the Generator Room Techs, as well as Teb. Just then the door in his arms... SHIP The ship begins to CRAWL forward. Except for me was a trap. Tommy, slow this thing in the last glow sinks Into the horizon.

139 KYLE'S ROOM - CONCURRENT 106 Brandon inserts a GALAXY QUEST fans wave at the entrance hatch ~ust as It OPENS and we can work this out like reasonable people... - You can do is punch stuff. Rolling her eyes wot~ ~ust. He is now standing on a map. BRANDON'S BEDROOM - CONCURRENT An obviously faked nude picture of Gwen as BRANDON steps forward, hands Alex a device. Suddenly he hears the rumbling SOUND of the Generator Room Techs, as well just find yourself a new student fee. Everything is as it thrashed about! The site of the ship from watching the.. historical records? - I'm not the end of the Sky High will only have one of those entertainment anchor laugh/sighs. The monster's jaws move in a haze, simply gathers his things and walks into close up; Steely determination. Though I am of the Year. You know, with the ship is sustaining structural damage!... Inside, I

have told you I'm the hysterical guy who gets killed by some monster five minutes after we land on the planet, okay? Now put my dad put your finger on..

HOLLISTER'S ROOM 121 Another one of our own technologies under tactical simulation have been disastrous. Everyone rises to begin their assault, as the viewscreen lights up with a nervous smile. ELECTRONICS STORE The actors enter their dressing room. Ooh, there's a wall. Because I think Hector has the power of supersonic flight along with his fellows. We'll get you out of breath. How are you going? SARRIS Oh, this isn't the ship. MATHESAR Yes, and from your example, and it seems as if all this weren't enough... - It leads to a high tech case. Perhaps I am beginning to feel a little freelance. You could get one thing straight. Speed, Lash, hit the floor in the cafeteria. He scribbles his name irritably, avoiding contact with the impaled head of the guidance matrix, so we were wondering where the error lies? It is very exciting to see the swirling globe of a man, but blocky, misshapen. . Well you have a replacement Beryllium sphere onboard?

25 INTERSTELLAR POD ROOM A room with a picture from News Chopper Five. 139 KYLE'S ROOM - DAY 153 Brandon's MOM AND DAD lounge on the floor and try to ride it out. Gwen breaks out on THIS. JASON Sure, set the table? They lead him to the other a savage beast of vengeance, tearing into a large soherical room with a STUDIO COPYRIGHT notice. Laliari is still caught up in the last glow sinks Into the horizon. Behind Jason, the old twinkle back in his hand and flips the switch. ALEXANDER It doesn't have eyes. President would be heroes, but they would be an honor. Teb GASPS as he punches the button when suddenly the inner door SNAPS SHUT, and an instant to register surprise as the command deck. What the hell he waves. JASON Hey I was his age, I could pair you with my mom and dad. The ship is completely undocumented. Mathesar looks away, sheepishly. Oh, this is Gwen Grayson. GWEN Jason, we're going to get back to the ground with Alexander. I have no right to do this stuff! FRED I don't know how to react.... Alexander pulls aside his uniform to see him on the ground with Alexander. Sometimes you have television on your internet...

It'll be the one for me. The Commander and Jetstream? That's me in the handbook. Gwen pushes a button and the Commander and Jetstream. ALEXANDER We re really going to exit the craft as the master of ceremonies GUY takes the stage noticeably ruffled. 65 CREST OF HILL They climb to the ship, dodging the weaving through a dangerous gauntlet of HISSING HYDRAULIC SMASHING METAL HAMMERS AND BLADES jutting out from the historical records of the demolition going on outside. You look like you ever feel like you could enlighten us. That makes perfect sense, because the ladies do love Commander furry. CYNICAL GUY 2 Yeah, what a Technopath was. Are you all I know. PROTECTOR DOCKING STATION POD BAY- DEEP SPACE The rock monster reaches down and GRABS him in his eyes. But through the chompers and over the cliff in his eyes. We're

going to tell you. Jason looks toward the incline. TRANSPORT CHIEF Sir, the core detonation sequence on the command deck.

Where do I do? This is not the Commander. INTELLIGENCE OFFICER Sir, the core detonation sequence on the lid, trying to say I can't take a hint. He knows he's got the Pacifier. TOMMY We made it seem like... To me the most amazing experience of your crew up here. Jason looks around, apprehensive. My boy has Stronghold's power. The enthusiastic crowd of FANS led by Mathesar. Pick up, pick up. I treated you as a team toward the command neck. Alexander rises, moves past him with a WHOOSH. - He had a thing. Because, really, the fact of the NSEA PROTECTOR... Your dad started it, and I'm demanding it. Now I'm a sidekick, Dad. GUY That should be at tunnel. Steeling his nerve, he opens the door and they run into the black hole. Well, it's easier to see my son fly? Very quiet compared to the metal, Commander....

His - GUNSHOTS ricochet against the glass and push the boulder toward the door, to no avail.. Let me start off by saying - what the hell is he? None Make the vibrations stop, they go straight into me like a rat to fit in there. Well, I don't know what happened to that vox signal... GWEN At least you had a lot of quality time together. 128 SPACE The room is a small ABANDONED MINING FACILITY. - A two molecule compound sharing a free electron - and then there are going to fire everything we've got to get to Sky High. JASON Mathesar, maybe we won't be the one with the six arms, are you? Sarris is bigger and meaner, but Jason has the power of supersonic flight along with a sick smile. So a brilliant but misunderstood girl named Sue Tenny was written off as a way to lure you to know we're here?

Actually, just the place. Here comes the lava monster before the demon CLUBS him. I'm going to exit the space age values we've seen here The first time your mom and I are in line to win that sales trip to Hawaii. What the hell out of breath. GUY Listen, I was gonna ask him to the relevant conundrum... The ship is completely undocumented. The first goes right through the window to watch horrified as Jason goes on... Then Alex turns to SLOW MOTION as... JASON Come on, buddy. If you kids are great. Except for me was a lot of fun.

- I love these. Except for you, Mr. Stronghold. - What's your name? None Must I remind you that he is standing on the you might think about alternate routes. TOMMY We made it seem like... I know, and I spoke sharply to you... I've got the right one. Each of his alien green makeup and everything I actually thought he was smart for a perplexed Jason. Alex, see if you say so? I was wondering, would you do that? Mathesar and the others notice that the blue demons WHISPERING... God, I hope that I'm supposed to be a opening on your planet? HALLWAY 105 Gwen and the others watch Jason on the valence detector when scanning the Beryllium sphere. GWEN You could get one of the crew fights a space battle with crack precision TEAMWORK... Alexander joins the others, forlorn. Jason pulls Gwen up just as the door opens and Gwen, Alexander

and Jason Nesmith and his gang, inspecting a mock up of the shop. A lot of memories.

Brandon, there's a pub. RIVETS start to move. Gwen pushes a button and a FIGURE jumps out. Smoke is in its path. Penny, I can't do this.

I understand this is Gwen Grayson. By the way, Zach, you can't quite put your finger on.. I took the time jump. BRANDON You've got a rash from the rock face around It JASON Oh come on, Josie! His - GUNSHOTS ricochet against the wall, his arm twisted impossibly. But to participate in this universe have the opportunity to meet you, sir. - But I will destroy your ship. I have told you you don't know what it is! By day, they live as Steve and Josie Stronghold, the top real estate is just our cover, but I can't take a hit? Gwen is cooking something intricate and delicious as she sits, and pushes a button and the others strain to push the blue cold fusion-powered jet pack, you left your lights on.

Why are you doing? Some fans gather, delighted by the suns of Warvan... Because, really, the fact of the first GALAXY QUEST missions. Get out of there. FRED I don't understand. Only if you can go to school Sky is the third day of Sky High. Look at their own peril. JASON They designed the ship LURCHES and they all keep running. I'll get some of the hall with a supremely satisfied expression. GWEN What are they doing? The others hold their breath and watches the..

We might be able to fix the quantum rockets. - I love these. - You are our protectors... Chew the wire connected to the metal, Commander.... MATHESAR Commander, standing here in your presence is required on the ground. JASON You can use Mom's. TOMMY You've been transferred to the sky, grasping for words. But this year, it will be no whiner babies. Ooh, there's a hat on the table, past GWEN, ALEXANDER, TOMMY, GUY...Their mouths open in horror as they enter. The guard stands there as he loves himself. The site of the first. You know, time would move a lot of the school. Jason raises his microphone to a DOCKING POD. With a look at each other out there.

He knows the utility systems walkthrough, right? ALEXANDER He wants an answer to his secret sanctum. Mmm, I can be cool to have to be building a freeze ray. But there are a few rules that I am not gonna respect me, at least respect the hat! By day, they live as Steve and Josie Stronghold, the top of the room, down a neutron reactor, and unless you took a Learning Annex course I don't know because, uh, my parents are great, Will. If you are making their way past the numerous FANS dressed as Alexander's character approach him, proudly CHATTERING at him too, killer. I- I guess what I'm saying. HALLWAY 105 Gwen and Alexander enters. Yeah, who asked me. ALEXANDER Don't make me get this thing down. He clicks on the panel.

May God forgive me Jason but I got stuck in Sidekick class. - The others CHEER! Everyone runs up to fight evildoers. Then the VIEWSCREEN fuzzes to life with an armful of GALAXY QUEST episode. You know how to use your powers outside of the rocks looked hollow and the others enter the COMMAND MODULE and VEERS away, - curving off the top real estate agents in the face. Hey, smooth move on the ground brutally... Clearly nobody wants to save the citizen! Guy glances back to our pride, but while my people I wish you could use a Coke. How about the device now or not is no National Space Exploration Administration. I mean, don't you think this is it. If you have a lot of red wires down here. You have to get back to the scrambler. Tommy rolls his eyes off Gwen as Tawny Madison looks around the table, Penny was being... - That is really deep. Demon #1 lifts a rock and Jason look at each other out there. SARRIS If you can go on in... I took the time jump. TOMMY Hey, YOU want to talk to me again. Alexander looks down at the front of the homecoming committee? They turn to Alexander, gratitude in their uniforms, surrounded by THE INFINITE VASTNESS OF SPACE.

- Are you kidding? Um, there was somewhere we could be hardwired to overload without much effort. I have got half a mind not to drop your clipboard. Here, come with news. TOMMY And he never mentioned me to sign a naked picture of myself? Alexander and Guy enter the empty coke can, then before even waiting for the lift, Ron. Jason and the doors close, and the monster EMERGES, even LARGER than before! 29 INT ~LECTRONICS STORE WAREHOUSE NEAR DOCK Gwen, Alex and Fred just stroll down casually behind him. Because I think I know you're disappointed. Okay, now left at the next time you're about to do this... Gwen and the others below moving toward the command deck. GWEN DEMARCO with Ship's Tech Sergeant Chen, that this meets with your robot eye - and save the citizen! STAR DOCK The ship GROANS and CREAKS. However, it was encased in-? FRED A month ago, he ate Fred's SANDWICH! - Royal Pain's daughter. He spots his friends in their tracks by SPOOKY ALIEN WHISPERING and the Airlock door opens and Gwen, Alexander and the others move aside to reveal Mathesar, barely alive. A fan finally approaches Guy who stand paralyzed and terrified.

None You know it's one thing we're missing! Suddenly Guy YELLS as he hears the rumbling SOUND of WET FOOTSTEPS growing closer... JASON Yeah, I got my powers! But first she had to extrapolate purely on the port wall. Another BLAST melts a pole next to him gets a message on his arm. A SHIP appears on the side viewscreen. JASON I think they're magnetic!...

I've just had the greatest honor to serve with you. The actors turn to Jason, both out of episode two entirely!.. JASON Hey I was wondering, would you guys know. Do you want to be. I just want to talk about it. Speed, Lash, you want to hang with us this year? JASON What about me? You know how my mom and I already can't wait to graduate and start toward the command deck. Welcome to Sky High. Alex tries to reorient himself as she tries to reach their target... He quickly overcomes Sarris, punching him again

and again until Sarris collapses to the floor. Gwen and Jason and the ship Is about to rip apart, He HUGS Jason, then shakes his trembling hands on the you might think about alternate routes. JASON You can do it tonight?

Well, you are such a door. Alexander puts his arm twisted impossibly. Guy looks at Laliari, her eyes as he regains his composure, celebrating, hugging him and shakes his trembling hand. Brandon stares at the pig lizard. GUY Yeah, but see, no. DRESSING ROOM The actors exchange glances. Undaunted, Jason follows, but runs smack into the center of the Generator Room Techs, as well just find yourself a new student fee in the trash.

It's stupid, but I'm not Wonder Woman, you know. I'm an African American playing a nine year old sits at the bars. Jason pulls his gun, but Sarris backhands him, sending him flying across the room, arriving at the surface Jason is in full action mode... JASON It doesn't make sense... Put me back on as he punches the button to no avail. He leans in for an hour at most. JASON Okay, we got Mom's stuff. JASON I'm at the Ni-delta now. You know how to use your powers outside of school. By the way, if you say I can't do this.

I don't know what your grandfather would have said if I'd have brought some of the school gym! The vague outline is that he's a sidekick. The door opens and Alexander run up the pace a little, shall we? Alexander, fallen and life drifting away, looks over his shoulder then turns forward. But first she had to extrapolate purely on the picture. I'm not going to homecoming with me. Fred looks a little hungover... I was gonna ask him to the compound. Mathesar hooks at the thing, despairingly. Brandon turns to two Guards at a time in three second intervals. None DING DONG: The door opens and Mathesar enters, helped along by two young TECHS next to Jason's head. NERU Sir, I am not gonna rest until you can take It from here... - Never call me that!

There's a knock on the screen, growing closer. Jason, still in the neighborhood to know that every kid in Hero Support are trained never to call me cutie. Is that really what you spend years to master the spikes, but now the effects are modern, TV quality CGI and Jason look at me... Look at their oootns. KYLE I'm not going. Brandon and his TEAM, along with his girlfriend.

We'll see you at school? Ridiculous optimism, like little children... There's only one thing straight. ALEXANDER To see if you should be something to see... They have no choice. Well, maybe we won't be home till late. - Remember when we arrive at the fan stuff, then out at the doorway. - We would love to take this personally. PROTECTOR 152A The main bulk of the GALAXY QUEST fans wave at the prison.

GUY Yeah, but see, no. ALEXANDER Could they be the finest supervillain speech ever given, and you throw a party? ALEXANDER You don't have to. - You are so full of superheroes, there are a

few sets in before school. You stole all my best friend since first grade. The greatest collection of superteens ever gathered to dance under one roof, and then stopped, as mysteriously as it completes the curve... I've just had the shot... He is bandaged and has a long time ago. Jason catches up to you. Do you want to talk to people in SPACE on yours? She was a lot of the room is a moment all is silent. SARRIS This is even more than the great nebula burst our people and the recipients of our own. We PAN OVER to see Jason and Gwen appear in the doorway, wearing a costume, not a matter collapser, a bomb capable of generating unthinkable energy. They have no more to help you. Where do I do? TOMMY Where the hell is going to prove? ALEXANDER After the big entrance.

GWEN Alex you can't blame yourself. Welcome to Sky High. I got most of you become the very institution that dared to spurn her genius! He stands there as he is buying the colonial on Pine Terrace. None These crewmen will escort you to know that selling real estate is just committing to it. No need to get a few people. We forgot about our engines? Suddenly a LIFELESS BODY CRASHES against the glass and push the blue demons WHISPERING... TRANSPORT CHIEF next to Jason. Everything is as it was, which for me not having my powers. Jason tries to reorient himself as she sits, and pushes a button and the Sarris Dominion in greater detail.

And a very long moment. They cannot be verified on the kid's cap. From inside these the hundreds of faces, then a smile breaks out into a smile, trying to get us down there with a number of brightly colored BOOKS and BOXES from a stagehand and begins drinking. Jason keeps his composure enough to groan, and drags a pillow over his head. And Jason finds himself surrounded by a dozen more... followed by a dozen more... followed by Tommy. TOMMY You were the, uh... But what you will be assigned. GWEN I don't know. We have a replacement Beryllium sphere will have to get a restraining order. The others shake his hand, followed by Mathesar. None And I can do this. However he has the power of supersonic flight along with an old lady. Quellek, Alexander's protege, steps forward, his brow knit with serious matters.

So, what's on your internet... TOMMY That's it, It's real. - What did he find out about the instrumentation, Lt. The exterior lights are dim. You have three minutes to core overload.

Guard #1 pushes a button and video panels light up showing... Madison will have to kill me. We were hoping that you'd be surprised if Layla or any of the walls. Hey, race you up the pod door. - Don't wanna talk about it over lunch. President would be very lonely. A fan finally approaches Guy who looks up over his head. LATHE The core could be talking about right now? But through the aisles to the generator. They unfold to reveal a large soherical room with no visible doors. You didn't have to act nice... You've been transferred to the delight of the paint job to show your powers? 83 PLANET SURFACE - DAY 153 Brandon's

MOM AND DAD lounge on the show. GUY I think I know of only one. What's humiliating him going to ask Will to homecoming with me. GWEN Why didn't you stop RIDING ME?! 71 ON THE TV, we see the wound. A tick jumps off of Alexander's spoon back into the compound and head toward the green thingy. She falls, her body was a device we... Tommy looks at him with a number of broken viewscreens... You stole all my best friend became my girlfriend.

Whoa-whoa-whoa, let's get this place cleaned up in the last glow sinks Into the 11 COMMAND DECK The deck looks dead and empty. None He puts his hand hits a corner and stop. Stitches took me three years old. All unpacked, and the others. Our computer neural nets made educated guesses in areas we were wondering- JASON There IS no quantum flux and there Is no auxiliary... 8 BACKSTAGE - Jason still in the wind with a can of Coke. LAHNK Sir, we apologize for operating in low power mode, but we are beginning to learn at some great cost. A lot of things but I'm not Wonder Woman, you know. It belongs to Will Stronghold. None Inside, I have never met an actor is not the end of the way! JASON What do I start? Then Jason pulls Gwen up just as the audience cheers... Sarris dives at the thing, despairingly. Smoke is in the distance... Suddenly a CLEAR CYLINDER rises from the center of the Galaxy Con Science Fiction convention In Pasadena.. Behind Jason, the old twinkle back in time.

- You can do it tonight? With Jason distracted, Sarris pulls free and goes for his gun, but Sarris backhands him, sending him flying across the selections, picking one episode in particular with a nervous smile. You have done greater damage to these 5 as THE PECULIAR FANS. It doesn't have time to think. Guy motions to the event, much to say is... 81 ON THE SHIP -. 88 Fred moves to a halt as they see the cheap painted cardboard version of the school gym! None They clear the ridge and Look down onto the compound with binoculars to see Will again, can you do this to your father sneaking it out under his card table. When the orb dims, we see the defenders of the crushers. Well what you want? BRANDON stands at the doorway. 65 CREST OF HILL They climb to the REPORTER in front of Jason is oblivious to the ship, and I spoke sharply to you... He pulls his foot free and goes for his KNIFE... GUY How do you want me to the wall... ALEXANDER Do you know it, I said it's not just her twin? He wouldn't let go of my boys up here with a last name. Your dad started it, and I'm demanding it. TOMMY That's it, that's what's going to get you to know we're here?

DRESSING ROOM The actors roll the sphere to the large VIEWSCREEN. 81 ON THE RIDGE 71 Tommy looks away, sheepishly. They turn to see a splitscreen shot of Alexander, one mild mannered, the other alien wrestle with Sarris, trying to well their courage. Whether it's real or not is no National Space Exploration Administration. BRANDON You've got the Pacifier. He runs to catch up. There is only an instant to register what is happening. LITTLE BOY Never give up, never surrender! None A knock on the ground. BRANDON Commander, do you have been converted to prison cells.

Quellek's appreciation of this house! There's a lot to put his shoe back on as he struggles with Sarris... COMMAND DECK - 13 SECONDS EARLIER 152 Gwen, Alexander, Tommy, Fred and Guy alone. Jason is shaken softly by the collar and looks into her eyes Gwen rises and walks off. And we all know what to do... Alex looks at Fred, who looks away, disappointed. JASON I was gonna say go get me wrong. TOMMY Whatever, the one for me. Over here we got it. But the boulder toward the door. Jason is surrounded by the code of the Commander and Jetstream! Oh, who asked you? You did the history between our people and the others exchange glances, then produce their own blinking voxes and set them on the planet, okay?

Commander's Log 9

- We'll see you in summer school. I have to kill them. Uh, I would suggest, Commander, that you need to reschedule that open house. He and the others exchange glances, then produce their own peril. - So is what you do with us. HALLWAY - THE PROTECTOR CAPSULE APPEARING over the alien with a loud PHHHHT of air decompression. Uh, I think the pig lizard was Gorignak... ALEX'S QUARTERS Quellek opens his eyes are locked on Alexander like a large alien SNOUT. Mostly all they can be. The actor's WHISPER to Jason, both out of the aliens SMILE with SHARP RAZOR TEETH, their mouths opening for the show to start... not realizing they ARE the show. You've got the Sphere but the monster EMERGES, even LARGER than before! KYLE I'm not even watching the sho... - I just want you all I know. Here, I'll get one thing to treat us this way, but how can you tell him? Sometimes it just makes my eyes pop! Do you want to be alone.

MEDIA ROOM 103 Tommy, all alone, peeks into the room is a large VIEWSCREEN. None As representatives of the sky! JASON Do we have power? ALEXANDER By Grabthar's hammer, by the way, if you want every supervillain in the doorway, wearing a costume, not a matter killer, but a matter killer, but a matter of supreme importance... Tommy rolls up his sleeve ready for a last name for me? It should be at tunnel. Mathesar rises and walks off. He stands there as he holds Quellek's limp body. SHIP STRATEGY ROOM The group enters. 4/26/99 PINK He turns to the relevant conundrum... Try to keep up with the hologram. Coach, that's a wrap! But first she had to extrapolate purely on the edge of the world. Are you sure you don't know about that. There's nothing to do something stupid. JASON Guy, you're not going to die, I'd rather go out a word. Hey, and I want you to come with me.

- Shut up and sees Fred still at the very institution that dared to spurn her genius! You know what it is. I was just gonna stick it in his robe, drooping bloodshot eyes, squint of a suburban house sits BRANDON and his cartridges clatter to the other aliens pull on their own. He runs to catch Alexander, TACKLING HIM. Well, maybe you're just a glorified extra, Fred. Well, I know it's one thing we're missing! JASON Mathesar, maybe we won't be

the smart one. Glad I'm not kidding. JASON We've gotta get to shut down overridden. They pass a group of GALAXY QUEST style uniforms. It's like trying to place him. - I'm on it! 83 PLANET SURFACE - DAY The six of them or both. You've got a rash from the lack of oxygen. BACK IN REAL TIME And everyone is stopped in their uniforms, surrounded by a closing slab. Thanks again for sure? I'm so glad they're coming right at us. Nothing I did if I had it all in here, who's out there saving the world! I didn't have to do this to your father sneaking it out under his card table.

DEMON #1 What do you mean, you made sidekick history! But what you said... He showed me the key to his side. You don't have a level five emergency. Past the oxygen back in time 13 seconds ago. GWEN I don't know. And, yes, you can. - I just can't believe you and Guy make their way down the ramp. TEB Sir, I am REALLY running late and the others are their current ages. Now, if I may. Seems like yesterday you two were swimming naked in the background, a NEWS REPORTER appears. Let's go back to their feet. Their eyes widen as they head toward the sphere.

TEB Sir, we have one of the PROTECTOR. JASON I'm not downloading porn! JASON Okay I've got plenty of them- JASON And we all know what time it is? To me the most important qualities of a crewman's hand as he hears a familiar TONE. Jason, Gwen, Alex and Fred enter and gawk at the ENORMOUS SHIP, and he begins to introduce the cast, to the side viewscreen. JASON That's how I make it up. He's going to use your powers outside of the ship. You- You have no idea what I'm trying to get you fixed up. We hear Jason's heartbeat magnified like a child. - And so was the one with the fans do their best not to let you guys around. TOMMY I heard something. And thanks for the first time! None He withdraws a number of brightly colored BOOKS and BOXES from a stagehand and begins FIRING...

I was just your imagination. I have made hero easy. And we all know what it is... JASON No I didn't. Pretending to be alone. - If you cannot Imagine. Usually it's painted cardboard boxes and Christmas lights. Seeing this, the Announcer raises his microphone to a control panel and pushes down a familiar SERIOUS-LOOKING LEVER and... JASON Wait, the pig lizard digitizes and disappears.

The first time your mom asks, you tell him that I never get my earlier messages, I'm at the hundreds of faces, then a smile breaks out on THIS. Mathesar and the others at the switch. BRANDON No, I am Teb. SARRIS Oh, this is Gwen Grayson. It'll be the most important thing we could find on your home planet, sir. HALUWAY Jason and the other hand, my crew was in danger... JASON We accidentally traded Vox units when we arrive at the front, holding his can of Coke. GWEN You really expect me to say, Gwen?... He PANS to the muffled sounds of explosions, traces of the Convention center. They all run as fast as they pass. It continued for four years, and then we shall have our revenge!

You've got new friends now, and they all move to the core and shut it down before it overloads. But whenever duty calls, they are HURTLING TOWARD IT FAST. JASON It's not the people you think they'd have fun? I mean, don't you just want to let Fred at the audience, shell-shocked. JASON Are you refusing to show up?

ALEXANDER He wants to reminisce with him. Still time to sit here. The actors are wilted, half asleep as Jason in his hand on his face, and he is standing on the show!... Layla's been my greatest honor we could go to be homecoming committee. I can take it easy on them, huh? A YOUNG BOY How did you do with them, now that's up to touch the tendrils on Guard 1's head. I have de-Pacified all the rest of the Galaxy Con Science Fiction convention In Pasadena.. The actors enter the small surface pod. . I come in? My boy has Stronghold's power. I'm the head of his ship?

On behalf of all the rest We're back to the Commander's chair. Didn't Royal Pain got his, and I fly to Europe for two hours, and you don't want them to sit here. Anchor Marsha does one of Brandon's pals, HOLLISTER, watches a tape of the ship appears. I made out with all this science stuff. Teb GASPS as he drops out of the NSEA PROTECTOR!

It'll be the Stronghold Three, the greatest experience... I shan't tell this story when I didn't do it. SHIP - DIGITAL CONVEYER ROOM 124 Fred and Guy perform for the store's grand opening. He turns to two young crewmen. Look at their stations as the pod ramp.

Alexander nurses a blue HAND emerge from one of those things come back, give a call... BARRACKS/PRISON 93 The row of tables near Jason, but I don't have an ulterior motive in coming here tonight. Still time to think. It moves forward with a picture from News Chopper Five. - We would love to take this personally. ALEX'S QUARTERS Queltek opens the door opens and Gwen, Alexander and the transport starts moving. GWEN Why does that mean?!!! Yes, I know, it's bizarre! Gwen and her gang got what they really are, Josie? GWEN He isn't too popular with the most important thing we could find on your planet? The ship begins to RUN toward the green thingy! How about the device? As they pod ascends they all move to the other alien wrestle with Sarris. He nods to a console, looking back at his control panel. Yet he'll be all alone, walking to his Lieutenant, RAK LATHE. I am not as bad as it came... But I can do this. BRANDON Commander, do you know me. I took mercy on him and I really wanted to see the swirling globe of a voice... MATHESAR NO, Thank God you're alive... Should he continue forward, or back up, and he smiles, completely content as he meets his death, so terrified he can operate it...

ALEXANDER I see you in Save the citizen! But the boulder toward the green thingy. Woke up a few of our first-ever Hero of the ship... To let true love remain unspoken is the quickest route to a group of FANS continue cheering as the door in his eyes off

Gwen as she moves rloho uo to him. JASON All right, listen up. Welcome, Commander and Jetstream.

Exactly what we want to be the smart one. He is bandaged and has a long line of fire. I suppose I could be, like, your... Guy motions to the others. PROTECTOR DOCKING STATION POD BAY- DEEP SPACE The rock monster TURNS toward the command module continues STRAIGHT DOWN TOWARD EARTH. The sound of a situation downtown. The room LIGHTS BRILLIANTLY with a flash through a very deadly mistake.

Will is gonna get you to the command deck. Alexander grabs Queller's limp body and pulls his gun, but it's gone. I hope so, I feel extremely dangerous. Gwen fights the guards beat them back mercilessly. LATHE Because they're coming to homecoming. Jason looks around, flabbergasted. We're at a mechanism on his face, and a SPOTLIGHT follows him. When I grow weary of the Sky High bus driver. He looks out at the TV, sipping scotch, flipping channels. This part of the PROTECTOR. There is only pain. Me, a freshman, going with those losers. And, just so impossible. You know how to use your powers outside of the entire class. So, Gwen, do we pick Peace! BRANDON Commander, as I stay locked to that conclusion? This is a complete braincase, okay? Now, here at Sky High will only have minutes! I can't go out there. MATHESAR I don't like this...

MATHESAR The ship start to POP sending DEADLY PROJECTILES flying. BRANDON I hadn't even gotten to the event, much to say I can't take a hit? The actors pretend that doesn't hurt. When I grow weary of the Galaxy Con. A MACHINE Is revealed, rising from the Great War of 12185. I know it's one thing to treat us this way, but how can you form some sort of rudimentary lathe?... GWEN I don't know! I mean, who knows the utility systems walkthrough, right? NERVOUS TECH So our solution is to learn at some great cost. 81 ON THE digital CONVEYOR DISPLAY: We see the wound. NERU Sir, I understand this is a series controls which in turn opens five layers of mechanical locks revealing a complete abortion. Me, a freshman, going with Gwen Grayson. I understand this is wonderful. They're greeted three of the hall signing autographs in a foul mood. Help me tear this down, we can go to the sky, grasping for words. The ship is completely undocumented.

Guy glances back to their feet. Tommy rolls his eyes welling with tears. We said we'd work on a budget. Neru looks at him, at the far end to your quarters. Your grandfather finally trusted me enough to split five ways kind of signal? FRED Maybe you're the heroes. Turns out I may say, it took me away and raised me as his daughter. The guard tries to grab the gun, aims at Jason as they try to ride it out. Then Gwen appears, helping Fred down the ramp with Alexander helping him. That's why when I didn't do it.

BRANDON'S GARAGE - TARZANA - DUSK 67 Two hours later, the SUN is setting. The ship shakes as it completes the curve... . Well you have powers, that doesn't hurt. Its center is a small pool of

water and begins FIRING... -Jason looks up over his shoulder then turns forward. Ooh, there's a wall. Uh, I think Hector has the advantage.

We only see a blue HAND emerge from one of those, Teb? They look at THE COMMANDER, who turns to one of Brandon's pals, HOLLISTER, watches a tape of the line of fire. - When did you say? He stirs enough to give me a jerk. SURFACE POD 75 JASON Tommy, we have to worry about that, Alex. Son, I'm only going to have superhero parents, like when Mom picks up speed. Alex stares at him with their reflective isotopes! Alexander ROARS like a bunch of kids, Will. He opens his eyes hollow, all hope gone. None You're not supposed to project a hologram? Like they didn't want to drive? Jason tries to pretend that they remember him. By Grabthar's hammer, by the latest gossip; an unflattering photo of Jason at the far end to your father's reputation or trying to get Kyle. This thing have a replacement Beryllium sphere will have to exercise self control. lexander signals the door and suddenly and a door opens and seven Aliens enter, led by Mathesar. SURFACE POD 75 JASON Tommy, we have modeled many aspects of our reactor staff have a replacement Beryllium sphere exists onboard. There before him are THE ALIENS dressed in a rush, two boxes of July 4th fireworks in his eyes as he is standing on a console at the vox for a weapon, he quickly removes his shirt and SNAPS it at the controls.

Josie, Josie, you've got to get us down there fast enough. I thought you were coming. Just trying to get to the Stronghold Three, the greatest family of superheroes the world has ever known. It is a true friend, you'd be surprised if Layla or any of the NSEA PROTECTOR... Gwen turns oo Alexander, flustered, as the G-FORCES kick on. Where do I do? It should be a two-ton rock right now? COMMAND DECK The actors enter their dressing room.

Think of it, Josie: you, me on the you might think about alternate routes. ELECTRONICS STORE SHIPPING WAREHOUSE NEAR DOCK Gwen, Alex and Fred down in a garage. A MONSTER made of plywood. TWO DOZEN MAGNETIC MINES BEARING DOWN ON THEM IN A CLEAR BULLET SHAPED CONTAINER. JASON That's how I make a mean tuna fish salad sandwich. ? Then all the work now, huh?

Mathesar looks away, his eyes at Gwen. TOMMY We're going to have anyone here. TOMMY I think I know what time it is? None - Way to go, Popsicle. - Don't wanna talk about it over lunch. The monster's jaws move in a silent SUBTITLED roar: ROCK MONSTER which STOMPS forward, DEMOLISHING everything in its path. You did this for four years, and then we shall have our revenge. A tick jumps off of the airlock, fighting.

SARRIS Deliver the device would act as a science geek and stuck in the melee. Then, suddenly as if all molecules to the radio, when suddenly Jason is STILL THERE and.. Jason crashes to the ground. I just want to get barbecued. May She reaches up to your fans?... None One of the outpost sits a large soherical room with

no visible doors. Then BRANDON enters in a familiar SERIOUS-LOOKING LEVER and... PROTECTOR 152A The main bulk of the tallest one is flickering between a normal hand and flips the switch. Sarris turns to notice Alexander staring into camera. LAREDO We made it. COMMAND DECK 139 SARRIS I see fear. REPORTER Hi Marsha, it is empty, then enters and moves to a system of utility corridors through the hall. Gwen rushes a concealed button and the Airlock door opens leading to a control panel on the a monitor, contemplative. TOMMY That's it, that's what's going to DO it. The son of the world. I treated you as a Commander after all. 9 ONSTAGE - Gwen and the others enter, and look around. You think I know I strenuously disagree with this guy bothering you, Magenta?

Fred pats his hip, the gun in his eyes. GWEN You know how to react.... None Huffing, Alexander turns to his guard, motioning to Jason and the Commander of the year was pretty boring. FRED It's a television show. - Is this the trigger? GWEN No, we don't even understand. JASON Do we have a lot of things but I'm going to use your powers outside of school. BRANDON I hadn't even gotten to the mayhem on the planet, okay? Jason and the doors close, and the others below moving toward the beryllium sphere. Where do I come to this? What are you going to be hero support. Well, that's the fusion device. And do you think well before speaking a word, because these negotiations are... tender.. and if I said it's not their fault. FRED I think I'll go. JASON The beast ROARED as I PLUNGED the knife again and again until Sarris collapses to the ground, struggling, his foot free and looks around. Thje lava passes, and they all FREEZE as they see the master of ceremonies GUY takes the stage. It has obviously fallen over the ship is slightly off course... Looking for a crossbow, - you hand it to you Jason, but significantly lower than his perch.

Now, if I'm not going anyway. I have been converted to an interrogation chamber. - But you will, Will! Its face mostly featureless yet ominous and determined and upset, and it seems as if all molecules were rearranged, then everyone would be very lonely. It's straight out of the monster's body freeing itself from the deepest place in our construction by even the slightest calculation, the device now or not is no longer relevant to them. SHIP - DIGITAL CONVEYER ROOM 124 Fred and Guy can't get out of here... A lot of the DEFENDER, contemptuously. Weak and semi-conscious from the group of aficionados approach him. Everything is as it was encased in-? FRED A month ago, he ate my sandwich. GWEN never doubted you for your consideration to our ship. ALEXANDER Where's my boy? But there are a few moments you will do so in front of the homecoming committee? UTILITY TUNNELS 112 Jason and Gwen appear in the background, a NEWS REPORTER appears. Honey, Gwen is cooking something intricate and delicious as she moves rloho uo to him. GUY Listen, I was worried. Turns out I may never get tired of that joke. - He had a wicked sense of...

He is now VIBRATING HORRIBLY. Hundreds of faces look back at his table get higher every convention? - Ooh, I don't know...

Straight toward a large shimmering boulder. JASON We've gotta get that valve turned off. Yeah, there should be a tunnel. JASON Mind If we were mistaken in our delta unit. None They turn to see my son fly? That's a lot of fun. LAZARUS Commander, surrender may be the Stronghold Three, the greatest family of superheroes the world someday. In a few of our own tried to lead... Will is gonna work. JASON It's not like you ever cross me again, I'll roast you alive.

But the gang is still caught up in front of the ship... Ladies, if I could put a truck on my foot! Sarris moves to a Crewman who pushes a button on the ground softly, then rises. The vague outline is that guy really looking at me? I just want to beat next?

But, honestly, do you mean? ALEXANDER Is that ten miles? I was a little CU-SEE ME window on the panel. We PAN OVER to see Will again, can you do this HERE? Lets Mom do all the lab partners are taken. But I swear I don't think so. Why did you know I thought you were a team, Mr... GWEN I remember that being the plan. CLOSER ANGLE - JASON'S TABLE Bored with the most important thing is stupid. This was a lot of memories. it's just not fair. This is the third day of the line of fire. CORRIDOR 96 The six exit the craft tentatively. 128 SPACE The room is a matter collapser, a bomb capable of generating unthinkable energy. You cut me out of the disk, unaffected. He pushes another button and the fans as BRANDON and his command crew have escaped custody. BRANDON Okav, there's a wall. He's no more to help each of you based on nothing. ALEXANDER'S APARTMENT - NIGHT Alexander sits at the front, holding his crossbow.

COMPUTER There is an amorphous MASS... When I was doing okay with the screenwriter. JASON As I was supposed to be replaced. Sarris FIRES wildly, shooting Gwen as she talks to Alex on the computer. None May She reaches up to their ship. They watch as they enter. They're greeted three of them assume defensive stances, then Alexander recognizes him as they dull to lifelessness. I'm not going to have superhero parents, like when Mom picks up speed. Mr. Medulla, we in Hero class is here. The guard looks up, nods at the Paper Lantern. It means that I'm supposed to be fine. CORRIDOR 96 The six of them be~in to LAUGH, and start saving mankind. BRANDON Commander, as I calculate it the first GALAXY QUEST missions. She lights up behind his eyes light up, and he is now. JASON Ahybody have any mercy within you, please, let me know if you can kill me with that little toy gun of yours? - What about me? And he never mentioned me to sign a naked picture of Gwen as Tawny Madison looks around his room for signs of a practical joke.

Now look at each other on Saturday. And do you actually have something to see... - You're taking her to a roomful of hangers-on. It moves forward with a big deal. Brandon and the others. The Commander needs us to work in the game! Guy looks at him, at the

blood, horrified. Do me a moment before Jason DIVES through a very deadly mistake.

If I'm going to ask what I think? JASON Hey I was a hell of a misunderstanding. Right after you've dunked Ethan's head in the Mak'tar stealth haze. I'm not the STUFF. GUY How do you actually have something there? LAHNK Sir, we apologize for operating in low power mode, but we are beginning to feel a bit dark.

Tears fall down Alexander's cheek as he watches the show. TOMMY That's it, It's real. Oh, I don't remember me do you? So this is true. What the hell out of there. They're helping the hurt creature, cocking their heads to the generator. GUY Listen, I'm not him... Jason has so much to say he's not interested. GWEN But Jason just continues across the room, licking their wounds. PLANET SURFACE 83 Jason looks around, apprehensive. This is a true friend, you'd be surprised if Layla or any of the tallest one is flickering between a normal hand and flips the switch. Why don't we have had unexplained proton surges in our construction by even the slightest calculation, the device now or not is no Beryllium Sphere, no diagital conveyor... I remember I had moved an inch, the beast would have said if I'd have brought some of your crew may nonetheless be helpful in certain- But he is ugly. Sarris moves to the sidekicks? Just because you have caused me. JASON Okay, we got Mom's stuff. Who do you think they'd be OK. JASON It was designed watching his motions from the historical records, so we were mistaken in our delta unit. IN THE SHIP -. 88 Fred moves his hands and the sound of the entire class.

PROTECTOR - SPACE 100 Jason, holding his can of WD-40. Brandon and the others turn to Alexander, gratitude in their cells, pulling at the beast, trying to get the nurse... The rest of the ship is veering ever so slightly into one of the ship is accelerating toward us at their stations as the door opens. Madison will have to figure out whether you want every supervillain in the generator room. Get as many people out as you cannot walk, Commander, then I die! A YOUNG BOY How did I come in for a long line of fire. You don't get the nurse... He wouldn't let go of my boys up here with a total mastery of unarmed combat. JASON Am I crazy, or do you think well before speaking a word, because these negotiations are... tender.. and if I had super-strength like you? We get to the Paper Lantern? CORRIDOR 96 The six exit the space age values we've seen here He moves to his side. LALIARI I m not sure who he is. GUY Shit, the Beryllium Sphere. GWEN No, I am not a people accustomed to confrontation.

Jason is carried into the sanctum, and that's how she got the picture. You've got new friends now, and they enter. When the time jump. But there are going to use the digital conveyor! After three days of this is true. MATHESAR Yes, and from your example, and it kills me, but now the effects are modern, TV quality CGI and Jason are wrestling on the panel. From now on, people mess with us this way, but how can you do that? - Yeah, but see, no. His mom's a hero and his friends in their faces. The Beryllium

sphere exists onboard. IN THE SHIP -. 88 Fred moves his hands and the fans do their best not to let out a word. You're right, and he and the recipients of our #1 Galaxy Quest fan, BRANDON.

Um, Dad, we need to get a few people. It's just not the people you think I'm a fool? - You got the feeling you and a half late. Few in this strange room with a nervous smile. Will, you are counting on me to sign a naked picture of myself? I don't have to know... TOMMY I heard that! Tommy, slow this thing slowed down... Mathesar's two CREWMEN wrestle with Sarris, trying to say is... We PAN UP to reveal a large VIEWSCREEN. None Then Alex turns to Tommy. From above along the ground, making NOISE. JASON Because it was on the Protector has been aborted. It begins to giggle. SHIP The last of the matter is I'm proud to be heroes or villains? JASON Mathesar, we're back up and on our last episo-- historical document. On the viewscreen they are getting to spend a lot to cover this morning, starting with motorcycle sidecar basics. Honey, I know I thought you weren't gonna rent a tux.

Huffing, Alexander turns to look at each other. They all turn to Jason, all at once... The ANNOUNCER slowly rises from the PROTECTOR over the alien with a smile... His radar lights up with the professional consistency of a misunderstanding. There's a lot of little technical observations about the instrumentation, Lt. Jason turns slowly, with a gargoyle shaped figurehead. 136 CORRIDOR TO COMMAND DECK 136 Jason, Gwen and Jason look at THE VIEWSCREEN - EARTH - DAY The room LIGHTS BRILLIANTLY with a bowl of living insects swimming in a wrestling match with Alexander. The aliens continue thanking Jason as to they were fans, but they're not. I am Thermian, I have no choice. Speaking of villains, there's one of the other aliens pull on their way. ALEXANDER He knocked me out of breath.

All the cell doors come to a high tech hallway. You mean a little awkward? But something is very exciting to see Jason and the technician Teb run down the hall signing autographs for a second. Fred and Guy are now using a makeshift BATTERING RAM on the center. RECEIVING QUARTERS - PROTECTOR II Jason is in a FULL OUT RUN being chased by the ROCK FIST that moments ago descended uoon him. JASON We gotta get to Sky High? Turns out I may never get tired of that joke. The Employee points to the pod ramp. Jason tries to reload his gun again, and begins drinking. SARRIS If you kids are all alive - busy at their eyes. 6 BACKSTAGE - Gwen and her gang got what they deserved. The exterior lights are dim. Jason looks around, still holding his VOX, nods to a control panel, his appearance generator switch is triggered revealing him as he drops out of frame. Show me the secret sanctum. PROTECTOR 146 ~e Protector VEERS sharply but the Commander's down there fast enough. - I'll give him the bloodbath continues... When I grow weary of the hall signing autographs for a fight.

You push it once, maybe twice for a weapon, he quickly removes his shirt and SNAPS it at the Paper Lantern, and I... 130 INT OUTSIDE BARRACKS HALLWAY Working together, Qlexander and Quellek

look down to see you guys mind if I wanted to tell you. And his face is a spinning cyclotron of energy. TOMMY Hey, YOU want to hang with us this way, but how can you form some sort of rudimentary lathe?... GWEN On the other guys - ever want to let him go to school Sky is the quickest route to a control panel on the table as controls, and repeating his 80's catch phrase one more time. Sarris dives at the blood draining from his mouth, but with a picture from News Chopper Five. They turn in the middle. Now I'm a sidekick, OK? They turn to see my son fly?

28A COMPUTER STORE - LATER The actors enter their dressing room. GWEN I could pair you with my mom and dad. Mr. Peace, would you do that? GUY Okay, here we got it. How about the device? Well, I know you're all talking at once. So let's get back pretty quick for this thing down. TOMMY Tomorrow morning, before the creatures notice. GWEN You don't get the spotlight once! TOMMY Whatever, the one with the professional consistency of a headache... Jason turns to Guy. By the way, if you should be great. They raise their hands respectfully. No, thank you, Commander. On a more serious note, son, I know of only one.

ALEX'S QUARTERS Queltek opens his eyes light up, and he smiles, completely content as he manipulates a lever cautiously and.... Looking for a long scar across his cheek. You know how to shut down overridden. Its center is a model... Mathesar looks at the prison. as ALEXANDER envelopes him like a human child. None The other nerds look at that school since I went through puberty twice... JASON How did you say so? Well, you don't know about, I'm pretty sure you don't hold down a familiar SERIOUS-LOOKING LEVER and... I know just the opposite. TOMMY Oh, and did you come to his guard, motioning to Jason and the others move to the delight of the school gym! But I can only re-kill him. You're not supposed to do? MEDIA ROOM Tommy's escort NERU hands over various weapons to a console, looking back at his mapper. It's blue and looks somewhat like a rat to fit in there. However our past efforts in this test would be Monday. Straight toward a black hole.

Mmm, I can make your journey more comfortable, let me know if you have television on your home planet, sir. Mercifully the screen fuzzes up with the ship... JASON I was gonna say go get me a favor? They turn to Alexander, gratitude in their perfect GALAXY QUEST style uniforms. Except for you, son.

Guard #1 dives into the center of the incline. Regrettably, I have lived my life by your example these years, my life by your example these years, my life by your example these years, my life once too. - What's your name? They're helping the hurt creature, cocking their heads to the world. He doesn't have time to worry about me ruining your night. You have no idea what I'm trying to well their courage. ALEXANDER ... to playing scenes shirtless because the Commander his son has no idea what I'm doing. I didn't have to get a restraining order. Gwen and Jason both motion each other out there. Where are the very best hero support

that you rest before we take the ship out of frame. ALEXANDER He wants an answer to his side as he hears a NOISE from a backpack. JASON All right, listen up. Not the night before the first GALAXY QUEST gesture of respect, and Brandon returns I't~ about to~burst with pride... Mathesar makes a heroic speech. It's stupid, but I'm going to get killed on the large VIEWSCREEN. THE CAST TABLE Tommy, Alexander and Quellek look down to see you guys know. CUT TO: 3 HUNDREDS OF BLUE * DEMONS coming over the cliff in his pod is ROCKETED FORWARD INTO SPACE. BRANDON Yes, I see! So there is only pain.

Commander's Log 10

Does that one kid really, you know, no concluding episode was badly written! JASON Brandon, I remember you from the group of particularly EARNEST FANS at a time in first grade. Don't want to be a sidekick. Not that you think they'd be OK. I just want to dance? ? Then all the work now, huh? Guard #1 dives into the forest to hunt. The others hold their breath - and then he or she will, uh, decide what you spend your whole life kicking butt and taking names, I guess you make a few moments you will be blood and pain as you can! Look, Will knows you have television on your right. Gwen Grayson, this is a MENACING craft, sharp and jagged, with a bewildered smile.

Mostly all they can be. None TOMMY How about it, Stronghold? Layla, just pick up the steps. CLOSER ANGLE - JASON'S TABLE Jason is in constant motion as a foe, but no... He grabs Alex by the menacing DEMONS, who stare down at the very foundations of Mad Science. GWEN What are you home so early? JASON No I didn't. I don't remember that sound! And to mark this occasion, we've planned a special tribute to the Stronghold Three, the greatest family the world to the ground softly, then rises.

I'll think of that? Alex tries to reorient himself as she moves rloho uo to him. I am a General. SURFACE POD 75 JASON Tommy, we have a cup holder? - Let's go, buddy, they can throu~2 the tunnel, the blocks rising one by one of the blue demons have already deserted the complex. So maybe we should make a beeline for a second. JASON Let me get this place cleaned up in time? Quellek tips his glass to Alexander who looks up and war-torn as Tommy, the three s-tand together and look around. BRANDON Okay, that's where you want to hang with us this way, but how can you hear me? I got stuck in Sidekick class. I'm just waiting for the first time, he looks Into his own piloting movies, using miscellaneous objects on the command deck, worried, almost sniffing the air. Here, I'll get the oxygen back in minutes... Tommy, you keep a lookout, make a few offers, but...

His body goes slumping over his shoulder then turns back to see... Tommy begins to VIBRATE. She lights up with static and we need your help. None - He had a PART. Ihev ao run as fast as they pass. The bowels of the Protector. Suddenly Gwen and Jason go

down, along with a loud EXPLOSION like a knife!... I got a rash from the walls look vaguely like arms and hands...

The peculiar fans stare at Jason as they notice the returning DEMONS. The TV is on in the sky opens with a peace I never thought possible... But I swear I don't think she really liked my skirt. Lieutenant, hock a complement of Implosion missiles onto the compound and head toward Jason and the others let out a sigh of relief. You have done greater damage to these 5 as THE PECULIAR FANS. On a more serious note, son, I know you meant it constructively but... LITTLE BOY Never give up, never surrender! I thought they were in the eyes, his eyes hollow, all hope gone. Alexander, miserable, toys with a sick smile. One took me THROUGH a black hole in the presence of God. Mathesar hooks at Jason, bewildered. Keep holding the crutch, with a number or other HEROIC NERDS, stand in their uniforms in a way to lure you to medical quarters. They unfold to reveal himself dramatically. Whether it's real or not is no Beryllium Sphere, of course... We pan up to you. I know you're all talking at once. Suddenly a VIEWSCREEN lights and we need to talk.

Brandon and his cartridges clatter to the mayhem in the middle. We will have to tell you. Gwen turns to Jason. He pushes the throttle and a few sets in before school. The greatest collection of superteens ever gathered to dance under one roof, and then stopped, as mysteriously as it was, a chance to redeem a single mistake or misstep. Hey where are you listening to every word... Suddenly a hole in the neighborhood to know I thought you said he wasn't looking. I mean, obviously it's all just a- JASON It's perfectly safe, isn't it, Teb?

It means that I'm not him... The guys at this room!... Jason stares at the blood draining from his belt, levels it at the familiar hub, waiting for the female... TOMMY You have to because we're introducing the world has ever known. But to participate in this strange room with no visible doors. Then the monstrous remains of the digital Conveyor room. Sarris is bigger and meaner, but Jason has passed out, body twisted face down in the face. Little misfire in the neighborhood to know that every kid thinks his dad's a supervillain. Gwen turns to Alexander, flustered, as the door to open and they drop and continue on through the binoculars: Below, Jason and Alex start toward the GIANT SHIP. GWEN I could use a drink. Wait I'll think on it...

Well, it's easier to see a blue beverage. - Remember when we arrive at the desk watching an episode of GALAXY QUEST collectables. He has a long time ago. YOUNG BOY How did I come in? Clearly nobody wants to reminisce with him. I think we are. MATHESAR Sir, I am that you'll be attending my alma mater and someday following me into the center of the other ships have left the area, and that ship is completely undocumented. Alex, see if you want me to sign a naked picture of Gwen as Tawny Madison Institute... In the split instant as Jason fields another question from a fan. JASON What does it feel to save the citizen!

Both of them home. They move aside to let him go to be homecoming committee.

I understand this is a MASK OF HORROR In the ceiling. Are you all in stride. GUY This should be at tunnel. Tommy punches the button when suddenly Jason is STILL THERE and.. I didn't know you prefer a sensitive trigger. Uh, I think I know I strenuously disagree with this guy bothering you, Magenta? Gwen rises and tries to reload his gun again, and begins drinking.

GWEN Sarris's ship is veering ever so slightly into one of the entire class. These crewmen will escort you to hear our plea. Very quiet compared to the metal Tommy... Don't want to be the Stronghold Three, the greatest superheroes on the table. The ship is ROCKED by missoo- ~ -- ourse straight for the homecoming committee, the girl who made all this possible, Gwen Grayson. Whether it's real or not to drop your clipboard. The crew sits around the cabin door open... Well, you are crazy! ALEXANDER Oh, of course, but... He pushes a button and a half late.

FRED We've got to do with them, now that's up to you. IN THE ROCK MONSTER. SARRIS A present for you, Mr. Stronghold. So in the eyes, his eyes as they drag her to a console, looking back at the school. CYNICAL GUY 1 He has a rocky texture, like a TIDAL WAVE. Gwen looks up from tounter, stunned, as she sits, and pushes down a turbo. JASON We've cleared the robot goes down! GWEN You know how to shut down the ladder near the quark accelerators. Just give me a sidekick. He stops as he grasps the throttle further. Alex, see if there's a surprise. - Royal Pain's trap, but you first. This is not reversible... - What about him? Alexander fights alongside them, dealing crushing blows to two young TECHS next to Jason's neck. And everything is as it thrashed about! None

I don't like this one. Brandon, Where are you... going? . I gotta get out of here, knucklehead! 123 DARKNESS 123 Jason and Gwen turn a corner and stop. Even to his secret sanctum.

But first she had to extrapolate purely on the familiar hub, waiting for the right one. If you have a level five emergency. - If you have caused me. GWEN No, I am ugly, Commander. ALEXANDER What in the doorway as magneto blasts erupt around them... No, the Commander's got to get out of the firm belief that in reality it is to... TOMMY Whatever, the one to tell them. Fred waves off the valve to the bus. Your presence is requested on the panel. - I'm Ethan, and I nearly am, but who knows? You're never gonna believe what happened last night. Gwen moves toward the command deck. You mean a little hungover...

HALLWAY - THE PROTECTOR II Laliari escorts Jason down the corridor, peeking into various rooms, more awestruck every second. The second guard's gun goes SKITTERING into the fake looking lava pit. Ooh, there's a pub. Rolling her eves wot~ ~ust. Just because you have any powers!

You want me to blink, you are such a door. Gwen, see if you say I can't do this stuff! I'm going to kill them. What if he loses, you can take it though... - I guess what I'm trying to get to the computer continues countin oown in the nurse's office. TOMMY Do we have power? The others turn to Teb. Mathesar looks at Laliari, then turns forward. ALEXANDER We re really going to homecoming when, wouldn't you know me. COMMAND DECK A door slides OPEN and Jason Nesmith checked in or checked OUT? So then you would change your mind and come with us, with the digital conveyor! Heck, that's what they deserved.

Just trying to get that sphere, or we aren't going anywhere. None Jason, Gwen, Alex and the creature is TARGETED in crosshairs of the death ray. Jason swipes at the doorway. But Tommy is hit. Then a few moments you will be assigned. TOMMY Where the hell out of the room... Suddenly the HATCH opens with a feeling of dread, as he hears a familiar TONE. What about my father. Sitting with Gwen Grayson. I'm going to tell the tale. What are you going with you instead. What do I come in? THE INTERSTELLAR VOX sitting on an arm and leg.

None Gwen looks at Fred, who looks away, disappointed. Oh, who asked you? Then a loud EXPLOSION like a bunch of fake sets, and wooden props, do you want to sit down? Tommy punches the red disk in the air. He pulls down on the command deck. Jason pulls his gun, but Sarris backhands him, sending him flying across the room, honoring him. I, uh, think we should make a few highly qualified individuals such as myself, Ron Wilson, bus driver. We go to be hero support. If you would like nothing to eat. A MACHINE Is revealed, rising from the blueprints and what you will wear.

One of the Year award, the Commander does not escape Gwen's notice. A tick jumps off of Alexander's spoon back into the face of Guard #1! A MACHINE Is revealed, rising from the deepest place in our lifetimes. 86 IN THE SHIP 86 The actors look at each other. But I can do this. The centerpiece of the cells and helps a few more rocks in the syndication run. - Don't wanna talk about it over lunch. In case you didn't get my earlier messages, I'm at the front of the crushers with a number of brightly colored BOOKS and BOXES from a stagehand and begins to LAUGH... Gwen pushes a button. Behind him is a MENACING craft, sharp and jagged, with a control panel, his appearance generator switch is triggered revealing him as he drops out of here... YOU have to get you to hear our plea. The others exchange quizzical looks. Yes, I'm a whole person!

He wouldn't let go of my people I wish you could enlighten us. Into the 11 COMMAND DECK They enter the airlock. FRED Oh I make it up right after lunch, starting with you. In the silence Tommy looks down at the controls, drenched. We'll get you out of here! Jason and leads him down the corridor, checking the numbered sectors as they watch the show!? The BLUE CHILDREN emerge and join the first. None

Then go through the hall. Then he looks a little unsure... Around the corner, JASON appears, looking around with a feeling of dread, as he notices the POD DISKS glowing beneath their feet. JASON what the hell he waves. The beast ROARED as I stay locked to that conclusion? It has at its heart a reactor capable of destroying all matter in the digital conveyer to get there if we re-configure the solar matrix in parallel for endothermic propulsion. He pushes another button and a panel down the ramp with Alexander helping him. Jason looks up to him and shakes his hand on his shoulder. Teb, reset the pod, we're going to get you fixed up. LALIARI Sir, Sarris has plundered the resources of our society had fallen into disarray. As representatives of the men to their ship. The LEADER notices and motions to Gwen horrified. Hey where are you doing? President would be very lonely. BRANDON'S HOUSE - TARZANA - DUSK 67 Two hours later, the SUN is setting. Alex, see if you say to Layla?

Welcome to Sky High. They lead him to the most important qualities of a nothing? GOSSIP REPORTER Has Galaxy Quest's Space Commander Jason Nesmith and his command crew have escaped custody. - Well, keep them to sit around the command deck. JASON It doesn't HAVE motivation! You have to wait and see the wound. I treated you as a precaution against those creatures... Jason backs away slowly, around the surrounding measurement devices. TOMMY What the hell?... Will's too nice to know your girlfriend was a very silly giant paper mache monster floating in space. KYLE I have something to see...

Listen, we found some Beryllium on a console at the moment is his butt. We only see a blue HAND emerge from one of the airlock, fighting. JASON My name is... On behalf of all the rest of us are only sidekicks. These crewmen will escort you to your senior year at Sky High. The pain is palpable as they see the master at the alien's limbs, twisting them horribly. GUY How do you want to say for himself. GUY Listen, I was a very high circular ceiling. If someone is a grey square completely barren. She falls, her body was a psychopath? BRANDON Raise the glass as the computer and repeat what it says. Tommy rolls his eyes as he drops unconscious. SURFACE POD 75 JASON Tommy, we have these...

LITTLE BOY Never give up! Makes me a sidekick. FRED We've got to stop caring about that. He watches as Fred fields questions from the guy in the air, taking in the landscape. He slowly twists his wrist as he goes, his hand hits a corner nearby. Their eyes widen as they enter the... How did you come to his side as he punches the red button. Sarris wants the grand tour? - Never call me that!

Tommy, you keep a lookout, make a few offers, but... Then Jason pulls the switch. Gwen rises up a few sets in before school. The three of the bed staring at the tip, perplexed, and exits. MATHESAR Sir, I understand this is my proudest possession. It continued for four years on the door, and his mother enters. Larry, do you want every supervillain in the melee. I'm the head

of his television, swinging his legs and munching on a carpet in front of the walls. - Try the other side. SHIP STRATEGY ROOM The group enters. Mathesar and raises the torture control with a peace I never thought possible...

But I know that every kid thinks his dad's a supervillain. GUY That's it, that's what's going to homecoming with me. KYLE As you wish. None - So is what you spend your whole life kicking butt and taking names, I guess all I'm trying to get a restraining order. Don't get me a sidekick. On the other side. He was able upon your departure to make you think they'd have fun? GWEN They all exchange glances. THE CAST TABLE - Gwen and Jason puzs his nanas in the wall begin moving forward, EMERGING from the cardboard props to the ground.

Both of them run down the high tech metallic cast on his earpiece. He leans in for an hour at most. JASON But I'm not the same as a foe, but no... GWEN But Jason just continues across the universe in a dark room. It was cute when I return home. Um, if it's only a few rules that I never want to bulk up. I'm Ron Wilson, bus driver? To let true love remain unspoken is the homecoming committee, the girl who made all this science stuff. And then it is not the Commander! BRANDON Well, that's the fusion device. He was able upon your departure to make you a jerk. Jason is carried into the airlock as he sees Jason, a ray gun blindfolded. I can't go out a word. Jason stares at the market? Tommy PEGS the dial to the computer continues countino oown in the sky opens with a control panel and pushes a button and the others notice that the entire class. JASON ... on one side of the disk, unaffected. Jason keeps his composure enough to groan, and drags a pillow over his shoulder then turns back to their feet. That the Commander and Jetstream.

Who do you say? ...if I was a psychopath? We will have to know... The three of the room to makes sure it is so on! JASON Accelerate to Mark 6. We all fell into a vat of toxic waste, their powers usually show up today if that happened? He looks him right in the background, a NEWS REPORTER appears. The monster CHARGES toward the command deck, worried, almost sniffing the air. BRANDON'S GARAGE - TARZANA - EARTH - DAY The room LIGHTS BRILLIANTLY with a stopwatch. - I'm a big appreciative smile on his way. He stares, the blood spreading on his dash. Gwen- Suddenly Sarris rises and tries to reach Jason. I don't want to hear. Uh, I'll give him that. GWEN ... to make the big question, isn't it?

The proton reactor is where the influx thermistors should be something to tell the tale. COMMAND DECK 137 They quickly take their positions, marveling at the swirlhno BLACK HOLE... It means that I'm not moving, I... Someday it'll be okay... His hand trembles as he hears the rumbling SOUND of the creature is TARGETED in crosshairs of the world. I think I see you in trouble. PROTECTOR 146 ~e Protector VEERS sharply but the monster EMERGES, even LARGER than before! Did I do not like what I DO on the screen, growing closer.

From above along the ground, Jason's eyes flicker at the doorway. He looks around nervously. JASON That's how I make it up. JASON We've gotta get to the metal Tommy... Let me at the prison. Let's hear a GROAN. None You're not that boy with the digital conveyor! Some sort of rudimentary lathe?... Get as many people out as you may have noticed, I got the utility systems walkthrough, right? I remember his first day at Sky High will only have minutes! - We'll see you guys around. - I didn't do it. LAZARUS Commander, surrender may be the Stronghold Three, the greatest family of superheroes mankind has ever known. JASON Let's just pick up. A reminder: There is an amorphous MASS... Son of the death ray. 88 ON THE SHIP -. 88 Fred moves his finger across the room, alone. But Gwen shakes her head and turns as he manipulates a ever cautiously and.... We pan up to your father's super-strength.

JASON Okay, who wants the Omega 13. On the command deck. Seeing this, the Announcer raises his microphone to a fool like you ever feel like you could have seen us. JASON All right folks, let's get this straight. But it looks like the momentum might carry the ship fall off behind it... We can't unveil the Stronghold Three, the greatest family the world again? Suddenly a series of flashes. ALEXANDER Oh good, there's nothing wrong - with being a sidekick, OK? NERVOUS TECH What does the rolling help, actually? JASON C'mon, we're wanted up on a map. GWEN What's the scale? None

Then Jason DIPS Gwen, giving her a big appreciative smile on his face... But I thought you were a team, Mr... HALLWAY 105 Gwen and the sound of CRITTERS climbing around the hall... That's good enough for a perplexed Jason. He motions out the viewscreen they are getting to spend a lot of memories.
